

Robert Scheinfeld's

The Ultimate Key To Freedom

Welcome To Day 3

**LET'S BEGIN WITH A RECAP
OF KEY POINTERS SHARED
SO FAR ...**

- True Creative Essence Shapes Itself into Story Space and Inner Space ...
- And everything that appears in them ...
- **So The Human Story can be Experienced ...**
- Bodies, places, and things appear, disappear, and move in Story Space ...
- Fictional characters appear to experience thoughts, feelings, and sensations in Inner Space ...

- True Creative Essence shapes itself into The Mind Machine ...
- Which shapes or creates Inner Space appearances that we're mesmerized into believing are "us" and "ours" ...
- **While True Creative Essence hides what's really going on ...**
- **And who we really are**

- **In Phase 1, True Creative Essence Shapes Itself Into An Inner Space, Mind Machine, And Story Space That Supports Phase 1 Dynamics ...**
- **In Phase 2, True Creative Essence Shapes Itself Into An Inner Space, Mind Machine, And Story Space That ...**
- **Supports Beginning To See The Truth, And Undermining The Structural Integrity Of The Cloud Cover ...**

- **During these 5 days (and beyond), True Creative Essence will shape itself into appearances that support ...**
- **Seeing More Clearly, knocking out more cloud cover, and awakening Ultimate Freedom**
- **In Phase 3, True Creative Essence Shapes Itself Into An Inner Space, Mind Machine, And Story Space That ...**
- **Supports Playing, Exploring, And Expressing Creatively In “Ultimate Freedom”**

- True Creative Essence (“TCE”) Is Always Present As The Background in which Inner Space and Story Space appear
- Like Paper Is Always Present With Words In A Book
- Like Screens Are Always Present With Movies, TV Shows And Mobile Devices

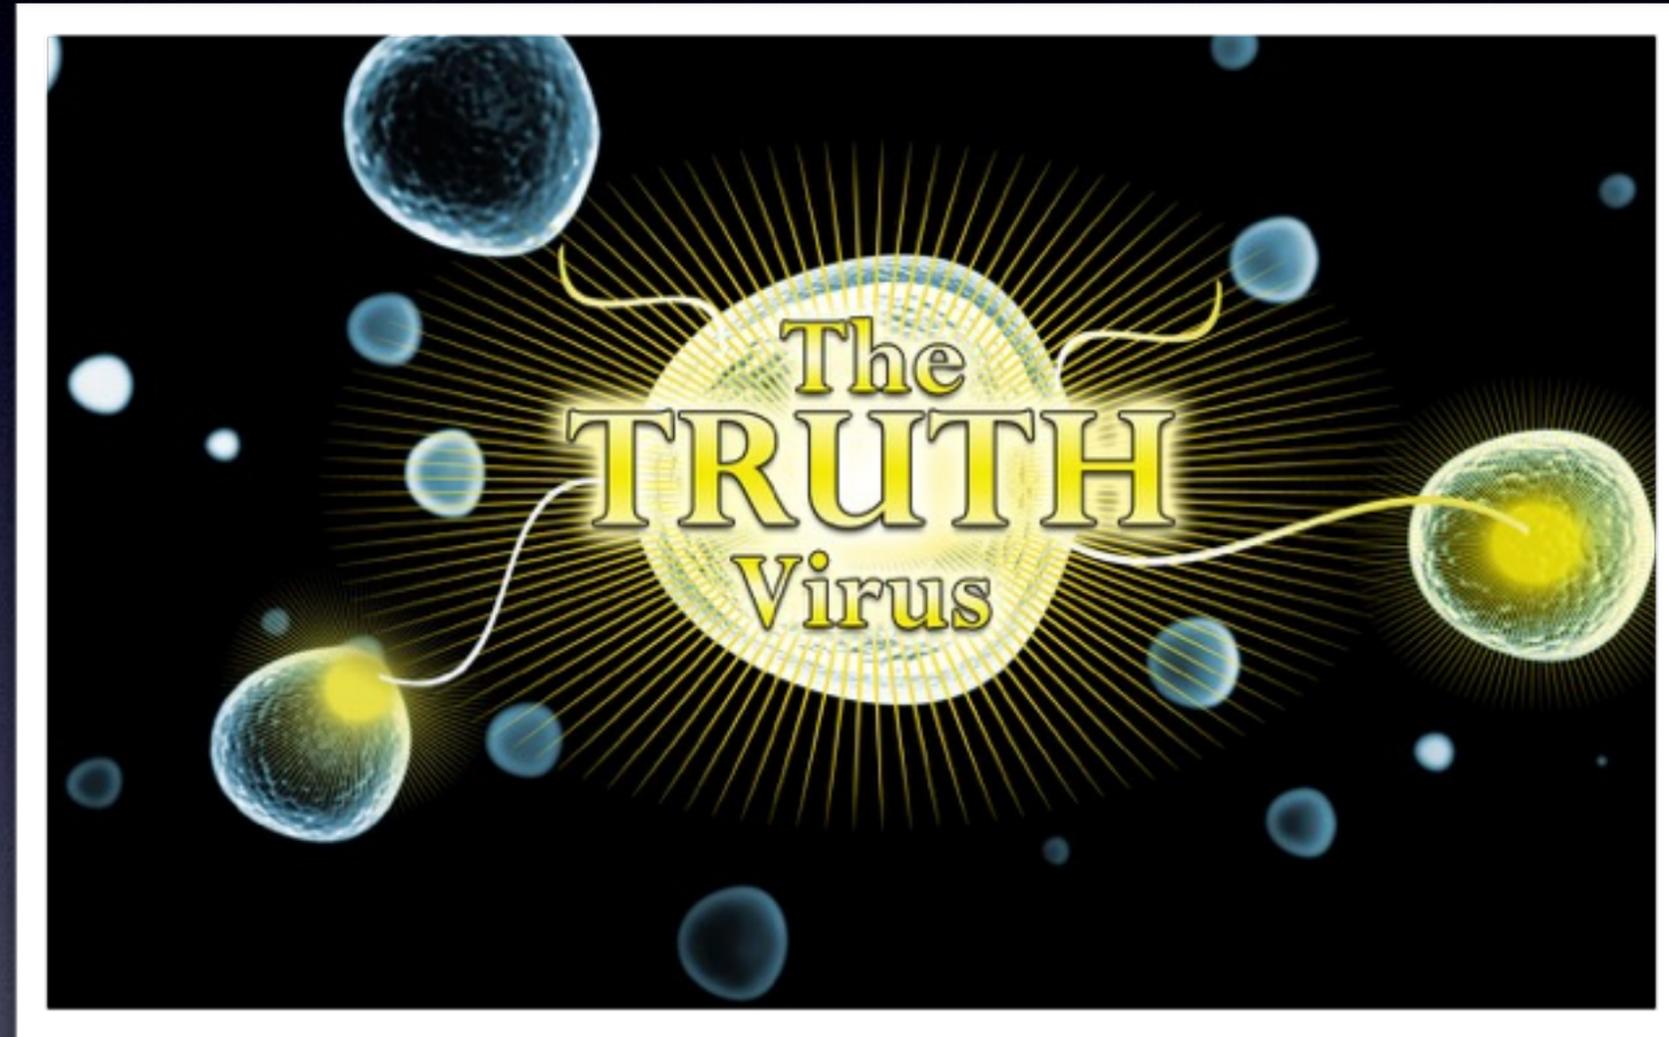

- TCE is also the “material” out of which everything that appears is “built”
- TCE does not appear, disappear, change, come, go, ebb, or flow ...
- Like appearances in Inner Space and Story Space do ...
- **TCE Is The Background And The Content ...**

- If it's appearing in Inner Space ...
- If it's appearing in Story Space ...
- **True Creative Essence wanted it there, exactly as it appears ...**
- Just like with fiction authors, screenwriters, etc.
- Why?
- Because there's something about it TCE wanted to play with and explore as it expressed itself creatively in precisely that way ...

**Who “You” REALLY Are Is True Creative
Essence’s “window” into an amazing
story ...**

One more quick ...

“Injection”

Do you “decide” ...

- If you're going to like a book you read?
- If you're going to like a movie you watch?
- If you're going to like a TV show episode you watch?
- If you're going to like a new person you meet?
- If you're going to like a beverage you try the 1st time?

Do you “decide” ...

- If you're going to like a food you try the first time?
- Who you're attracted to romantically or sexually?
- How you're going to respond to anything in the moment?
- When you're going to fart?
- Then what's REALLY going on?

DECISIONS ARE MADE ...

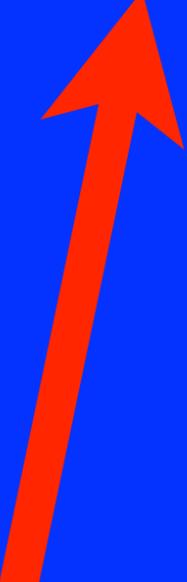

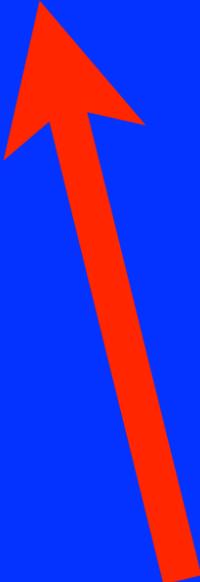

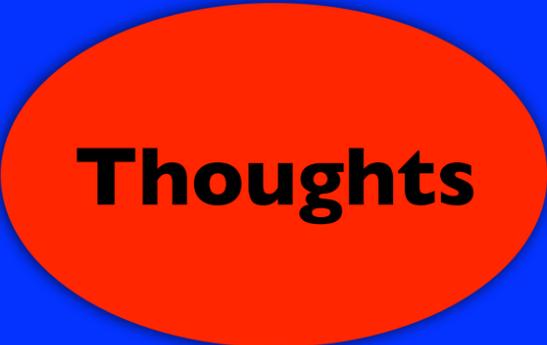

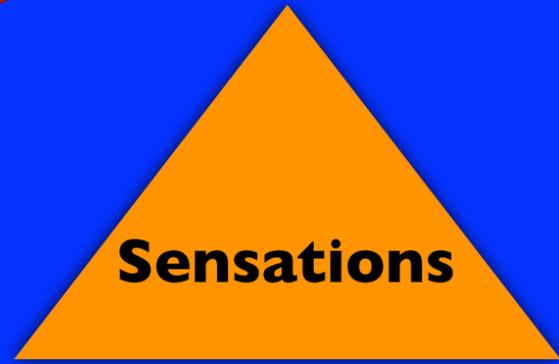

SOMEHOW ...

BY “SOMEONE” OR “SOMETHING” ...

AND “YOU” BECOME AWARE OF THEM ...

Hmmm...

True Creative Essence

“Observing” While Totally Immersed In Everything

Myths And Setting The Record Straight On A Few Things ...

- Reincarnation and past lives
- Parallel universes and lives
- Karma
- Personal development
- Enlightenment, Illumination and Spiritual Awakening
- Self-help and manifestation techniques (Harry Potter wand)
- Death and the afterlife

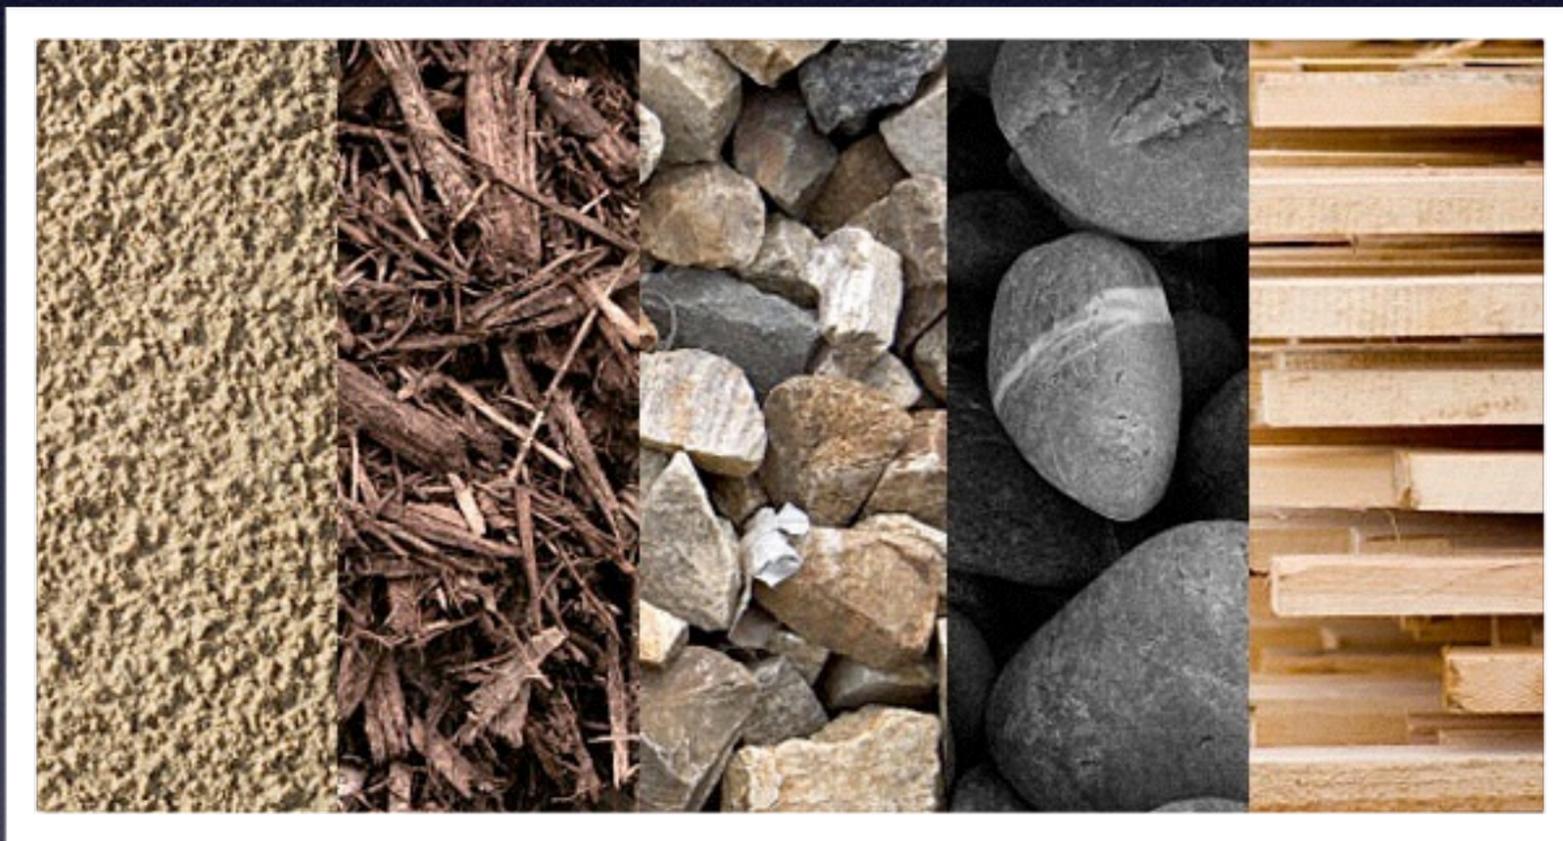

Myths And Setting The Record Straight On A Few More Things ...

- Angels, Guides and Masters
- Other Dimensions and Planes
- Law Of Attraction
- “Your thoughts and feelings create your reality”
- On and on it goes ...

The Bottom Line ...

- Which I discovered as a surprise ...
- There's no "one way" everything works ...
- In any context ...
- The determining question is always ...
- **"What does TCE want to play with and explore ... and how does It want to express Itself creatively?"**
- Then scripts, characters, stories, and details flow from there
- In custom ways for each story, the same as it is with movies

Everything that appears is just raw material, building blocks for stories

“My Story”

**Very important for our
work together here ...**

My Story Is Important Because ...

- It will put a practical face on many of the things we chatted about so far
- It will show what “been there, done that” really looks like for the Robert character
- It will show you what one Experience of Ultimate Freedom “awakening” looked like
- It will set the stage for important work we’ll do later related to “the art of storytelling” and the True Nature of “your” story

Plus some supportive insight into how and why “your” story has unfolded as it has may appear ...

**It's likely "your" story will not
unfold like mine ...**

But ...

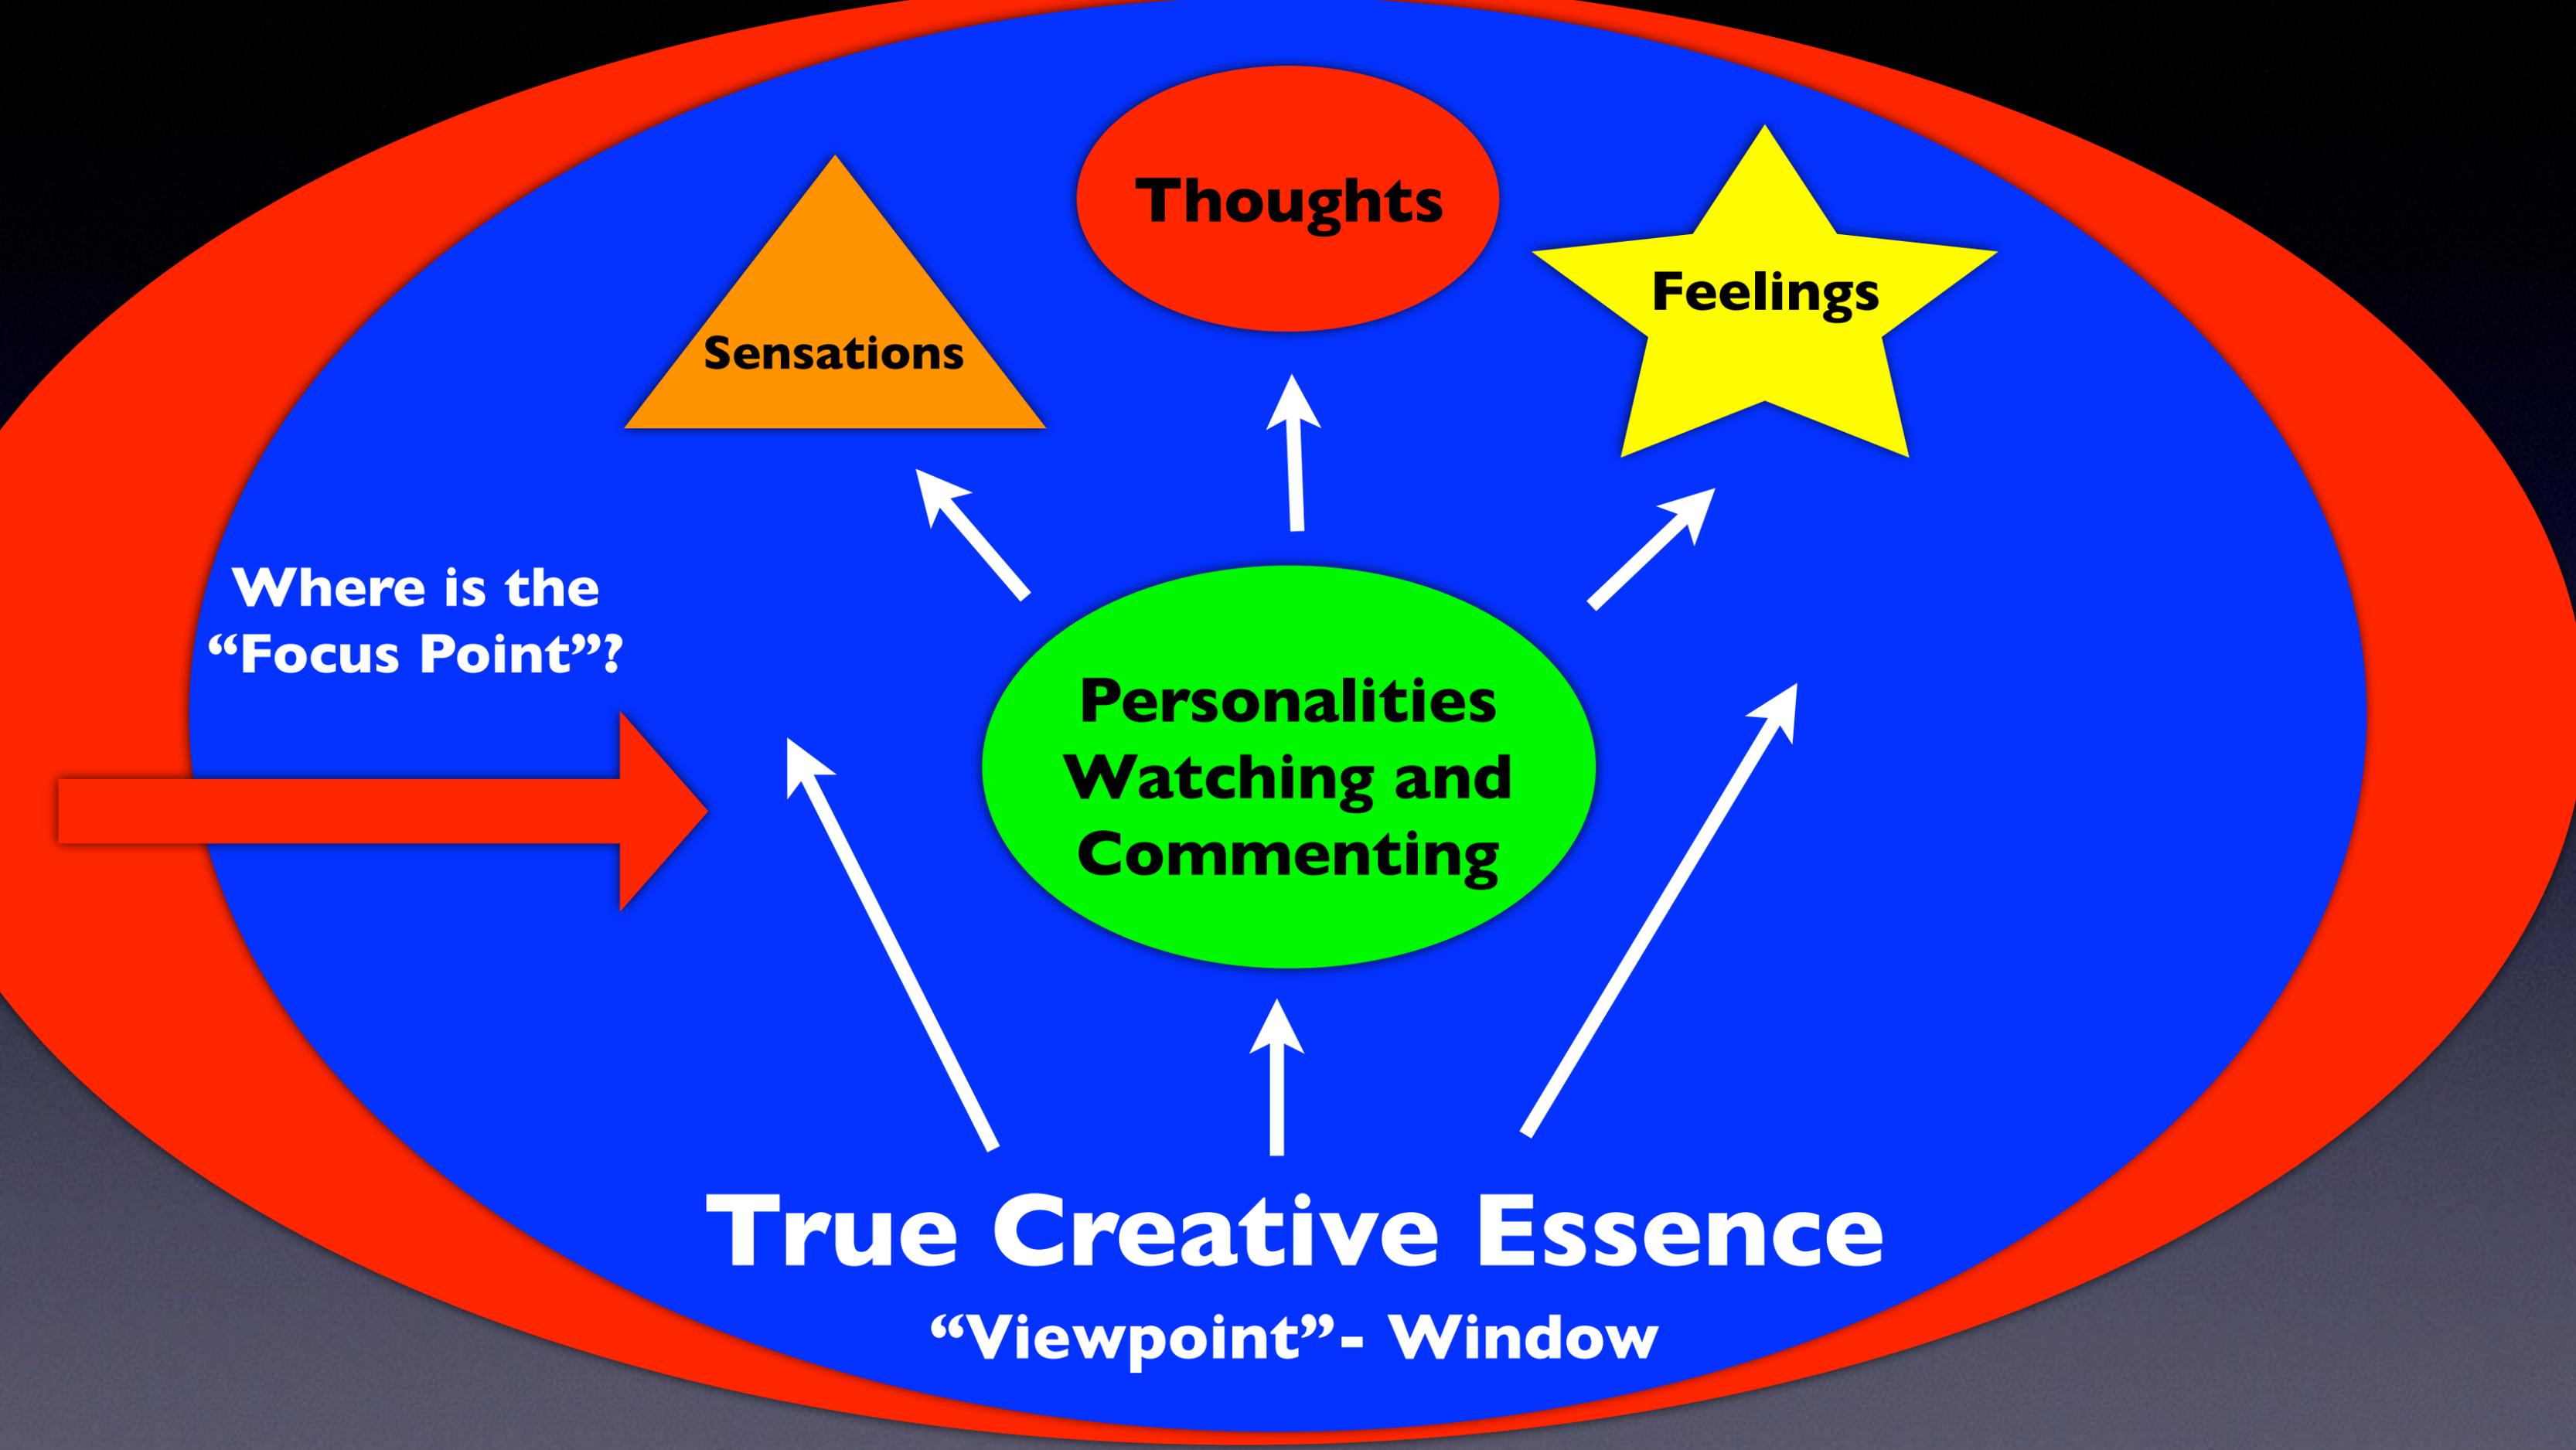

**I could spend all 5 days
on just this section ...**

As I tell the story ...

“Pay” special attention to ...

Thoughts

Feelings

Sensations

**Personalities
Watching and
Commenting**

**Where is the
“Focus Point”?**

True Creative Essence

“Viewpoint”- Window

My story is likely to be one helluva ...

And a fantastic opportunity

CREATING FICTIONAL CHARACTERS

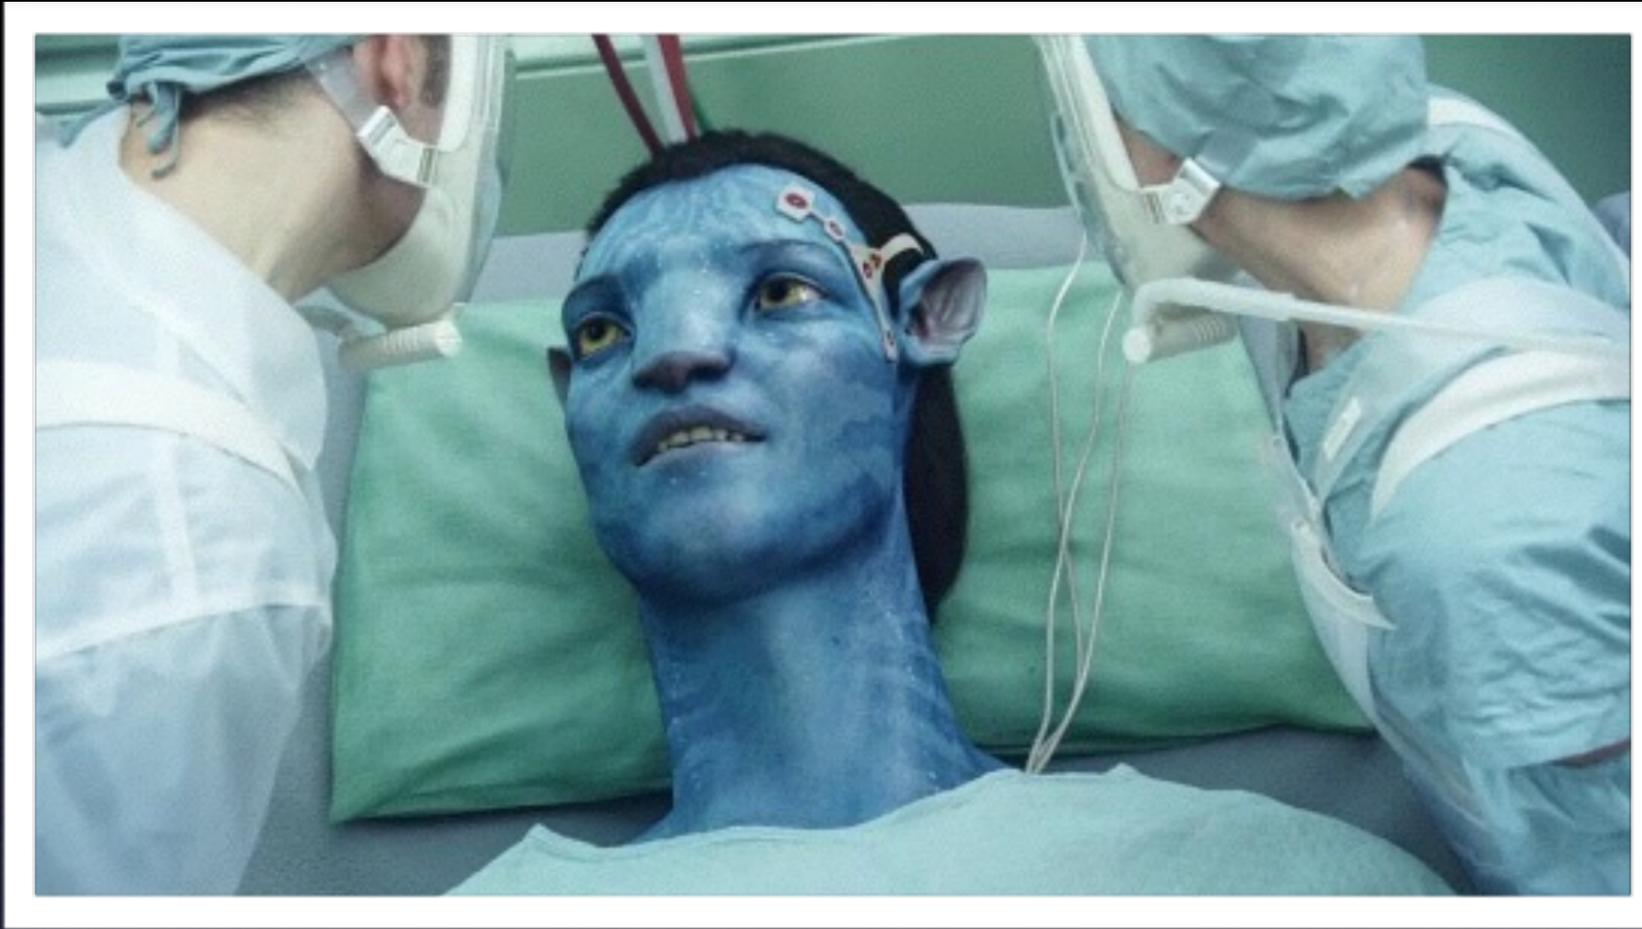

The Essential Guide

Jean Saunders

**Our characters are
built by True Creative
Essence ...**

From the ground up

To make it possible for specific “What would happen if _____” scenarios ...

To be played with, explored and experienced in unique ways ...

**Just like a novelist or
screenwriter creates
characters ...**

Our characters are built to have unique “back stories,” traits, talents, perspectives, Mind Machines, biases and “wounds” ...

That shape everything else in our stories

**I will now illustrate this,
in great detail, using “my”
story as an example ...**

A long time ago in a galaxy far,
far away....

REJECTED

By my father

Older brother

Older sister ...

For unique and complex reasons ...

A young woman with long, wavy red hair and blue eyes is standing against a plain, light-colored wall. She is wearing a black, sleeveless top. She is holding a white rectangular sign in front of her chest with both hands. The sign has the text "THERE'S SOMETHING WRONG WITH YOU" written on it in a dark, hand-drawn font. She has a serious expression on her face. She is wearing a ring on her left hand and a black bracelet on her right wrist.

THERE'S
SOMETHING
WRONG
WITH YOU

**I hadn't said or done
anything yet ...**

I was just "there" ...

**So, it was the “essence” of
me that was being rejected,
not my behavior ...**

On the surface, my family acted like I was OK, but beneath, waves of energy broadcasted ...

**My mom had a “terrible”
temper ...**

**On top of the “unwelcome”
and “there’s something
wrong with you” waves ...**

When she “blew,” it felt to me like ...

Babies can't “process” ideas and experiences like these ... consciously

**But The Mind Machine, by the
design of TCE, observed it all ...**

Stored it all ...

**Labeled it as acts of violence,
attack, and beatings ...**

And to me, the net effect was “toxic” ...

Kind of like ...

All of this grew into ...

The surface of things

**Unspoken truth
beneath**

And ...

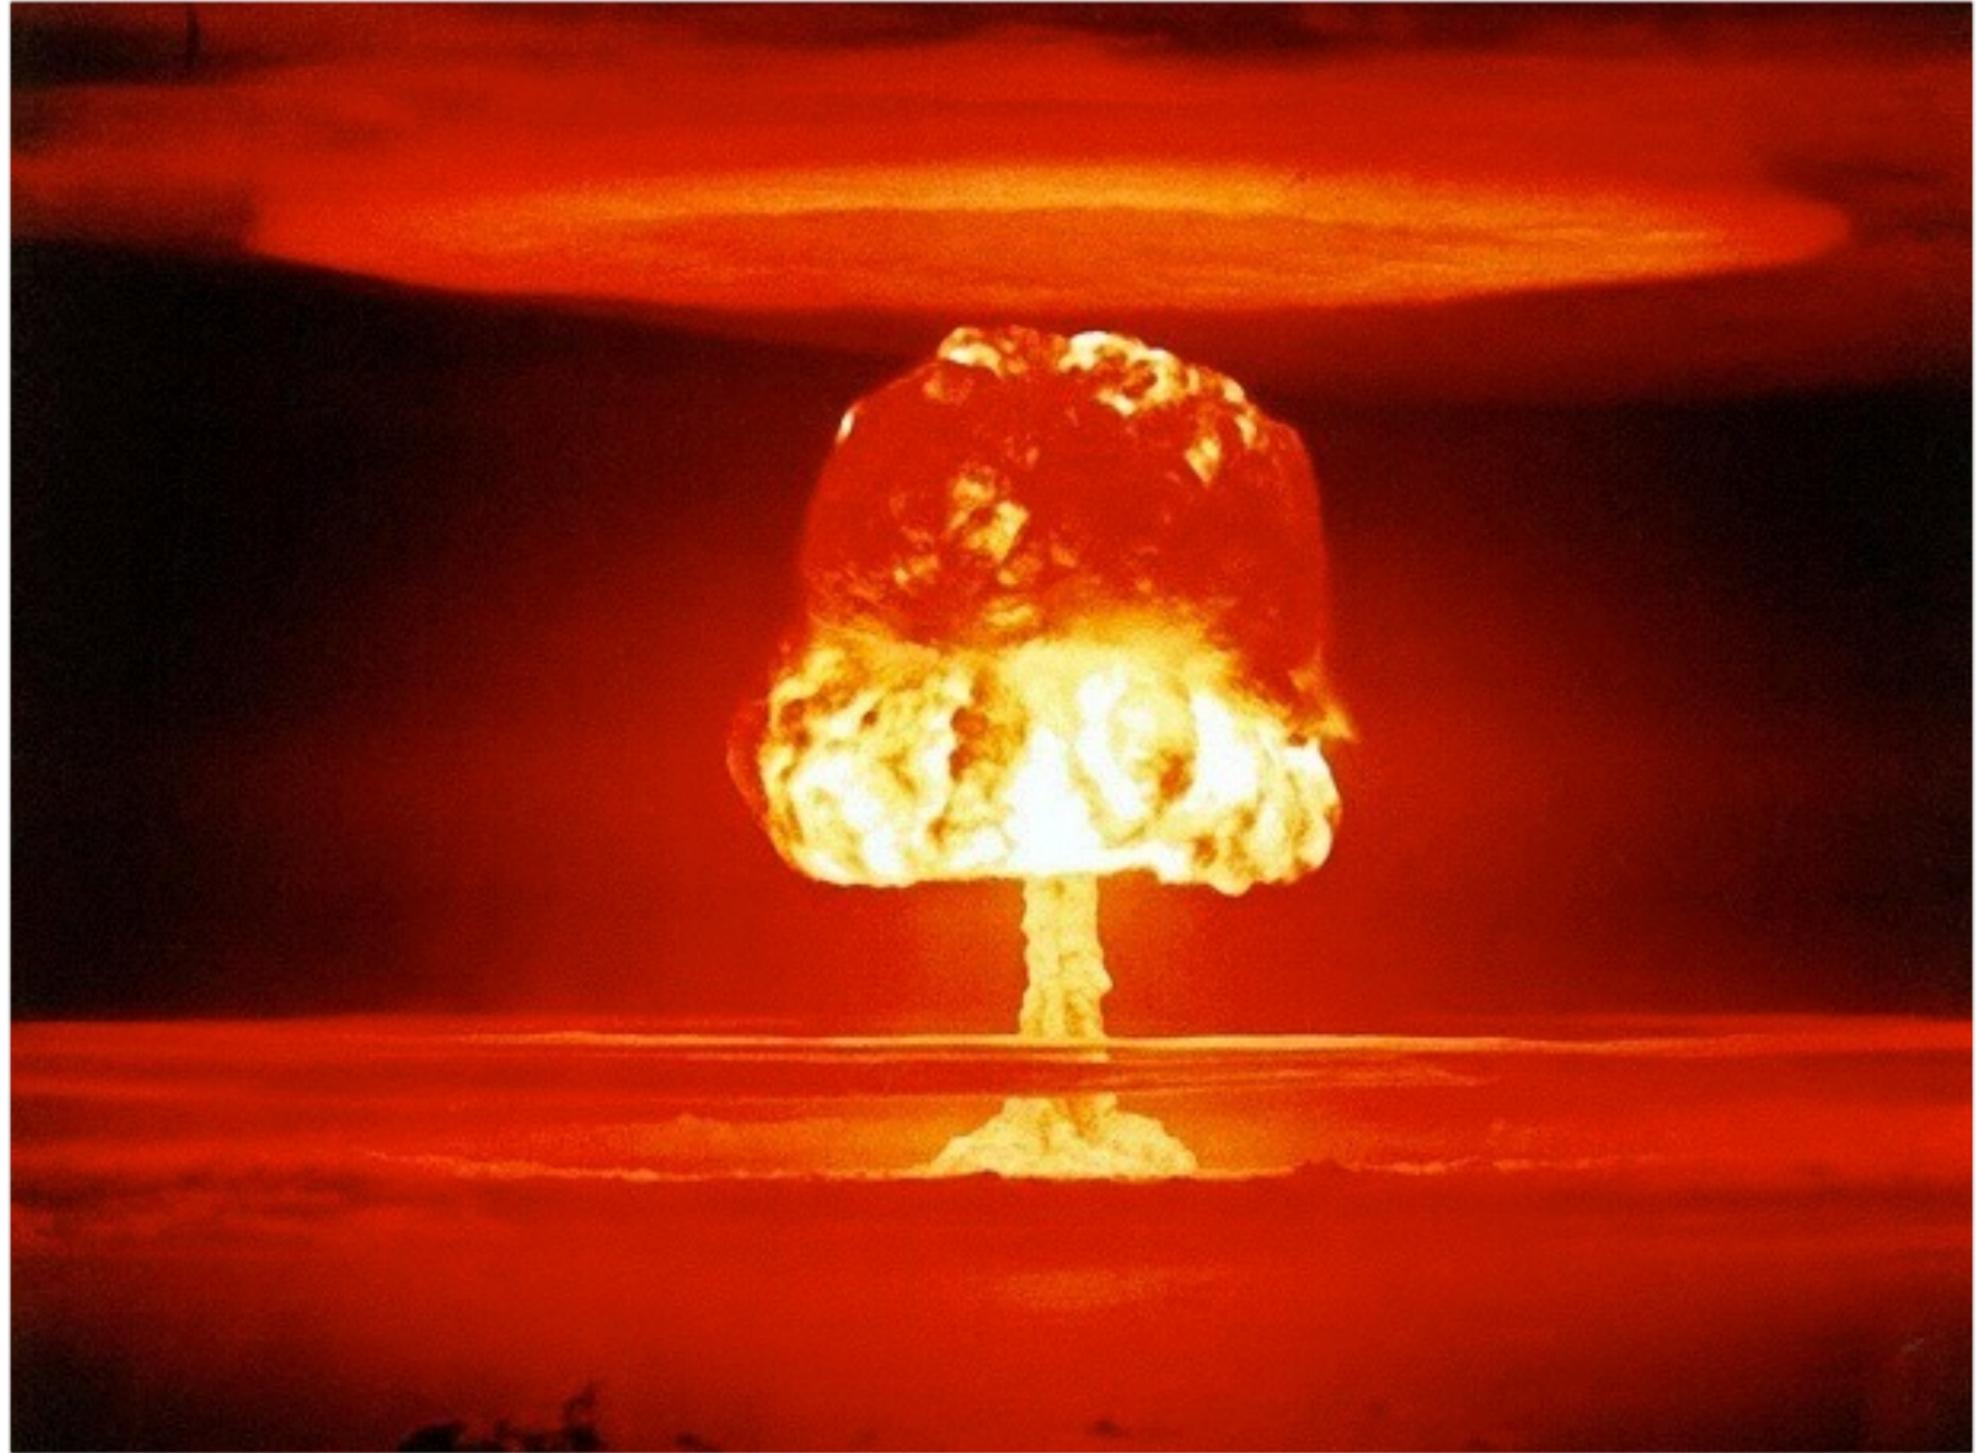

**“Whenever I’m present, I’m a
problem ...**

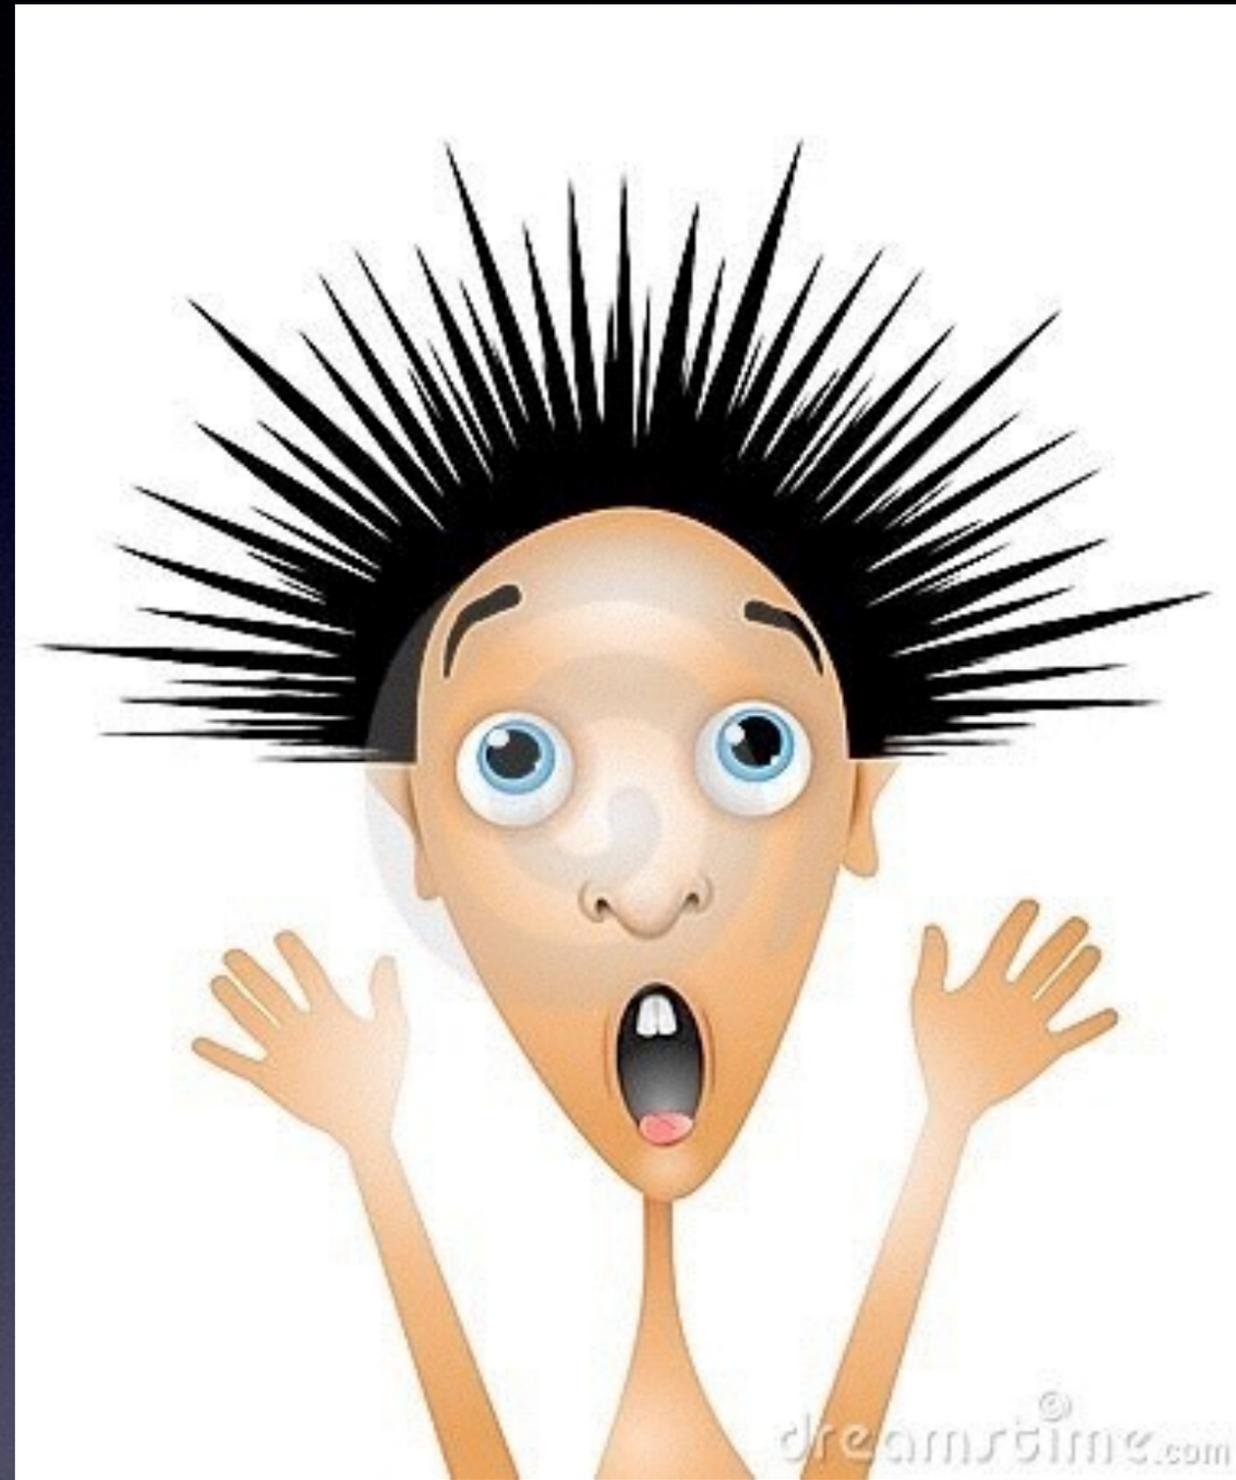

**And it’s just a matter of time
before I get ...”**

**“If I say anything, do anything,
or have any sort of impact, I’m
an even bigger problem ...”**

**“If I really make my
presence known ...”**

All the time ...

Can you tolerate that sort of intense rejection, pain and stress long-term?

**So ... what's the best
way to deal with it?**

**What's the best
way to stay safe?**

And, Or ...

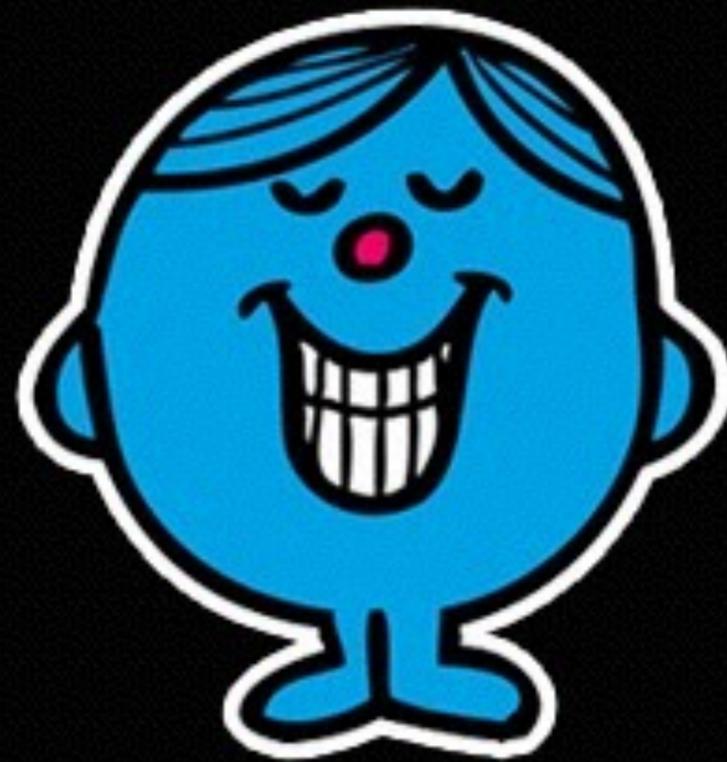

And, Or ...

Thoughts

And, Or ...

Try to be ...

MR. PERFECT

I did all 4 ...

When I was 3 ...

“There must really be something wrong with me if I’m being punished like this ...”

“And this time, it’s not my family punishing me” ...

It's someone else ...

It's "The Creator" ...

**The most powerful force
in The Universe!**

If the most powerful force in the Universe is against you, “hates” you and enjoys punishing you ...

What chance do you have?

**If you believe The Creator
“hates” your core essence ...**

**How could you ever feel
loved, valued or appreciated
by anyone else ...**

Or yourself?

WELCOME

to my

WORLD

As a result, a little boy “temper tantrum” program was installed into The Mind Machine and executed frequently ...

Those tantrums appeared all the time in Inner Space, even when Robert was older ...

And “bled” through into Robert’s behavior in Story Space ...

Even as an adult ...

A “self punishment” program was also installed that appeared in Inner Space for decades ...

A program that dealt out “punishments” in most aspects of my life and career ...

The Story Space Mirror ...

- **I was ignored, disregarded, and treated as if I was unimportant most of the time, almost like I wasn't there**
- **Most of my wants, needs and requests were ignored, unless urgent**
- **Trying to please, and because of a generous nature built into The Mind Machine, I would give, give, give ...**

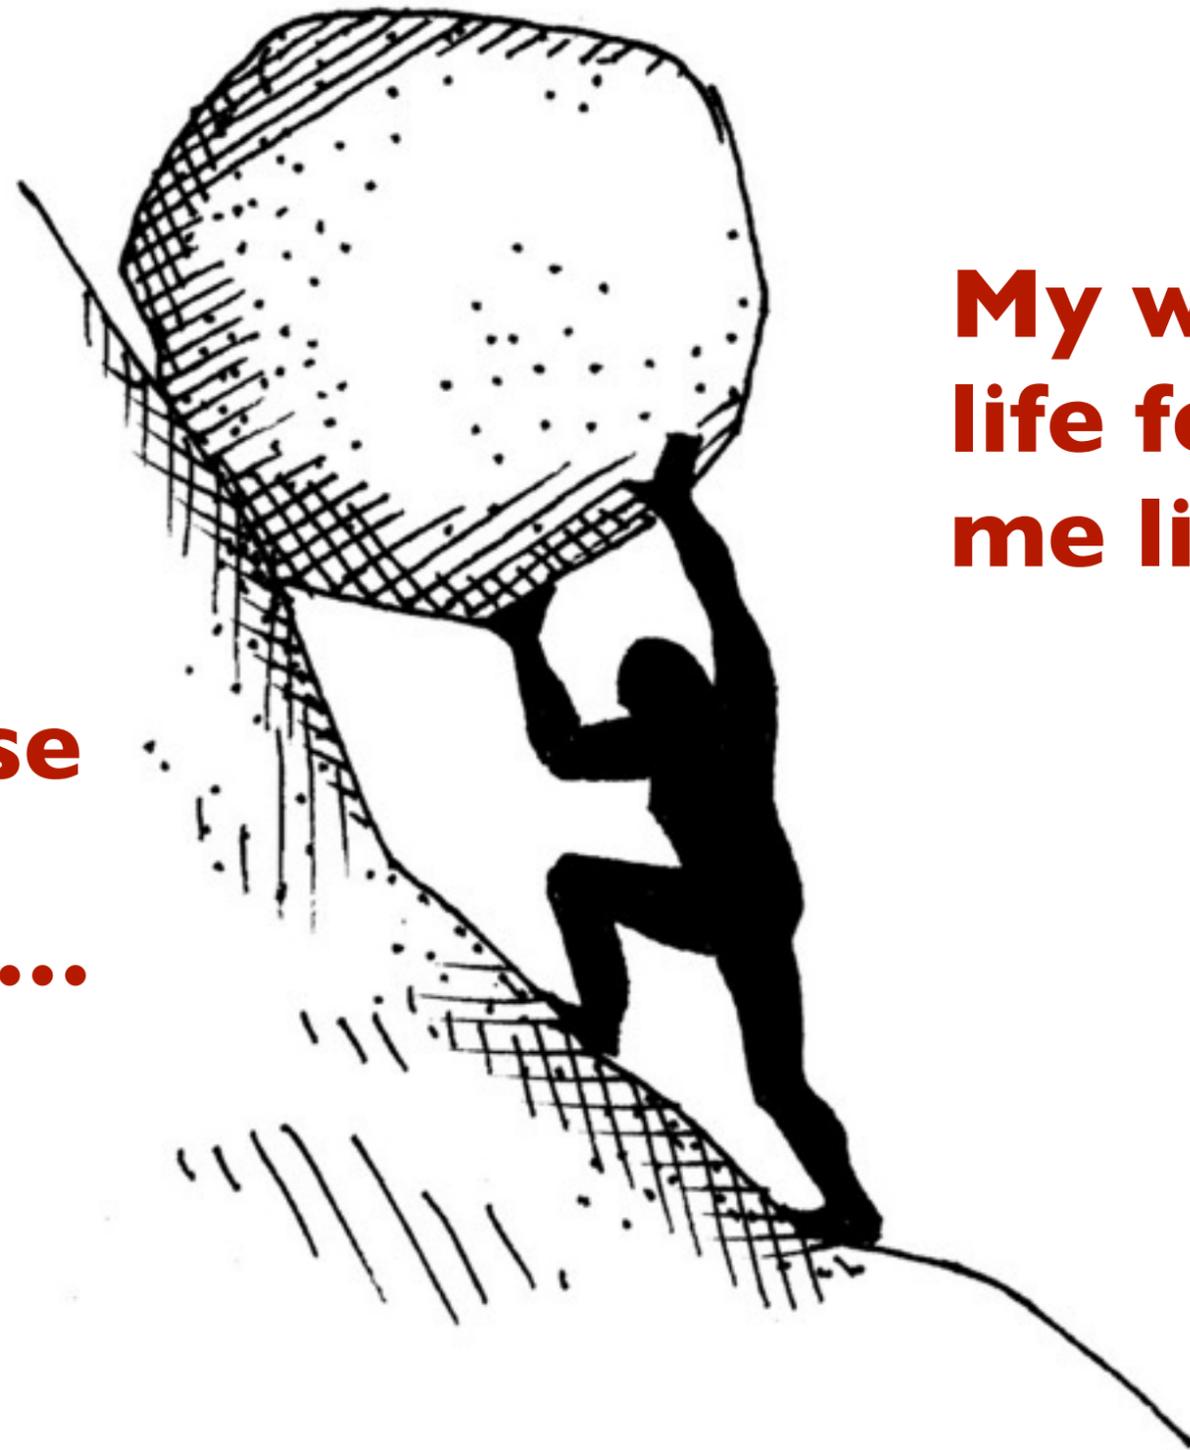

- **Others would take, take, take, but not appreciate what I gave ...**
- **Others would give little in return, and usually “with attitude” when giving did happen ...**
- **Those patterns often replicated in business too ...**

**That's how Robert's Mind Machine
was "programmed" ...**

**"I" was not aware of it consciously
until I was in my 40's ...**

**When I became aware, I saw the
symptoms everywhere, but I
couldn't stop or change it ...**

**Once those
patterns
locked in ...**

**My whole
life felt to
me like ...**

A Few Quick Examples ...

- **Wallet at camp**
- **College English Professor**
- **Blue Ocean Software**
- **Champagne bottle**
- **MicroAge deal**
- **I could list 1000s more ...**

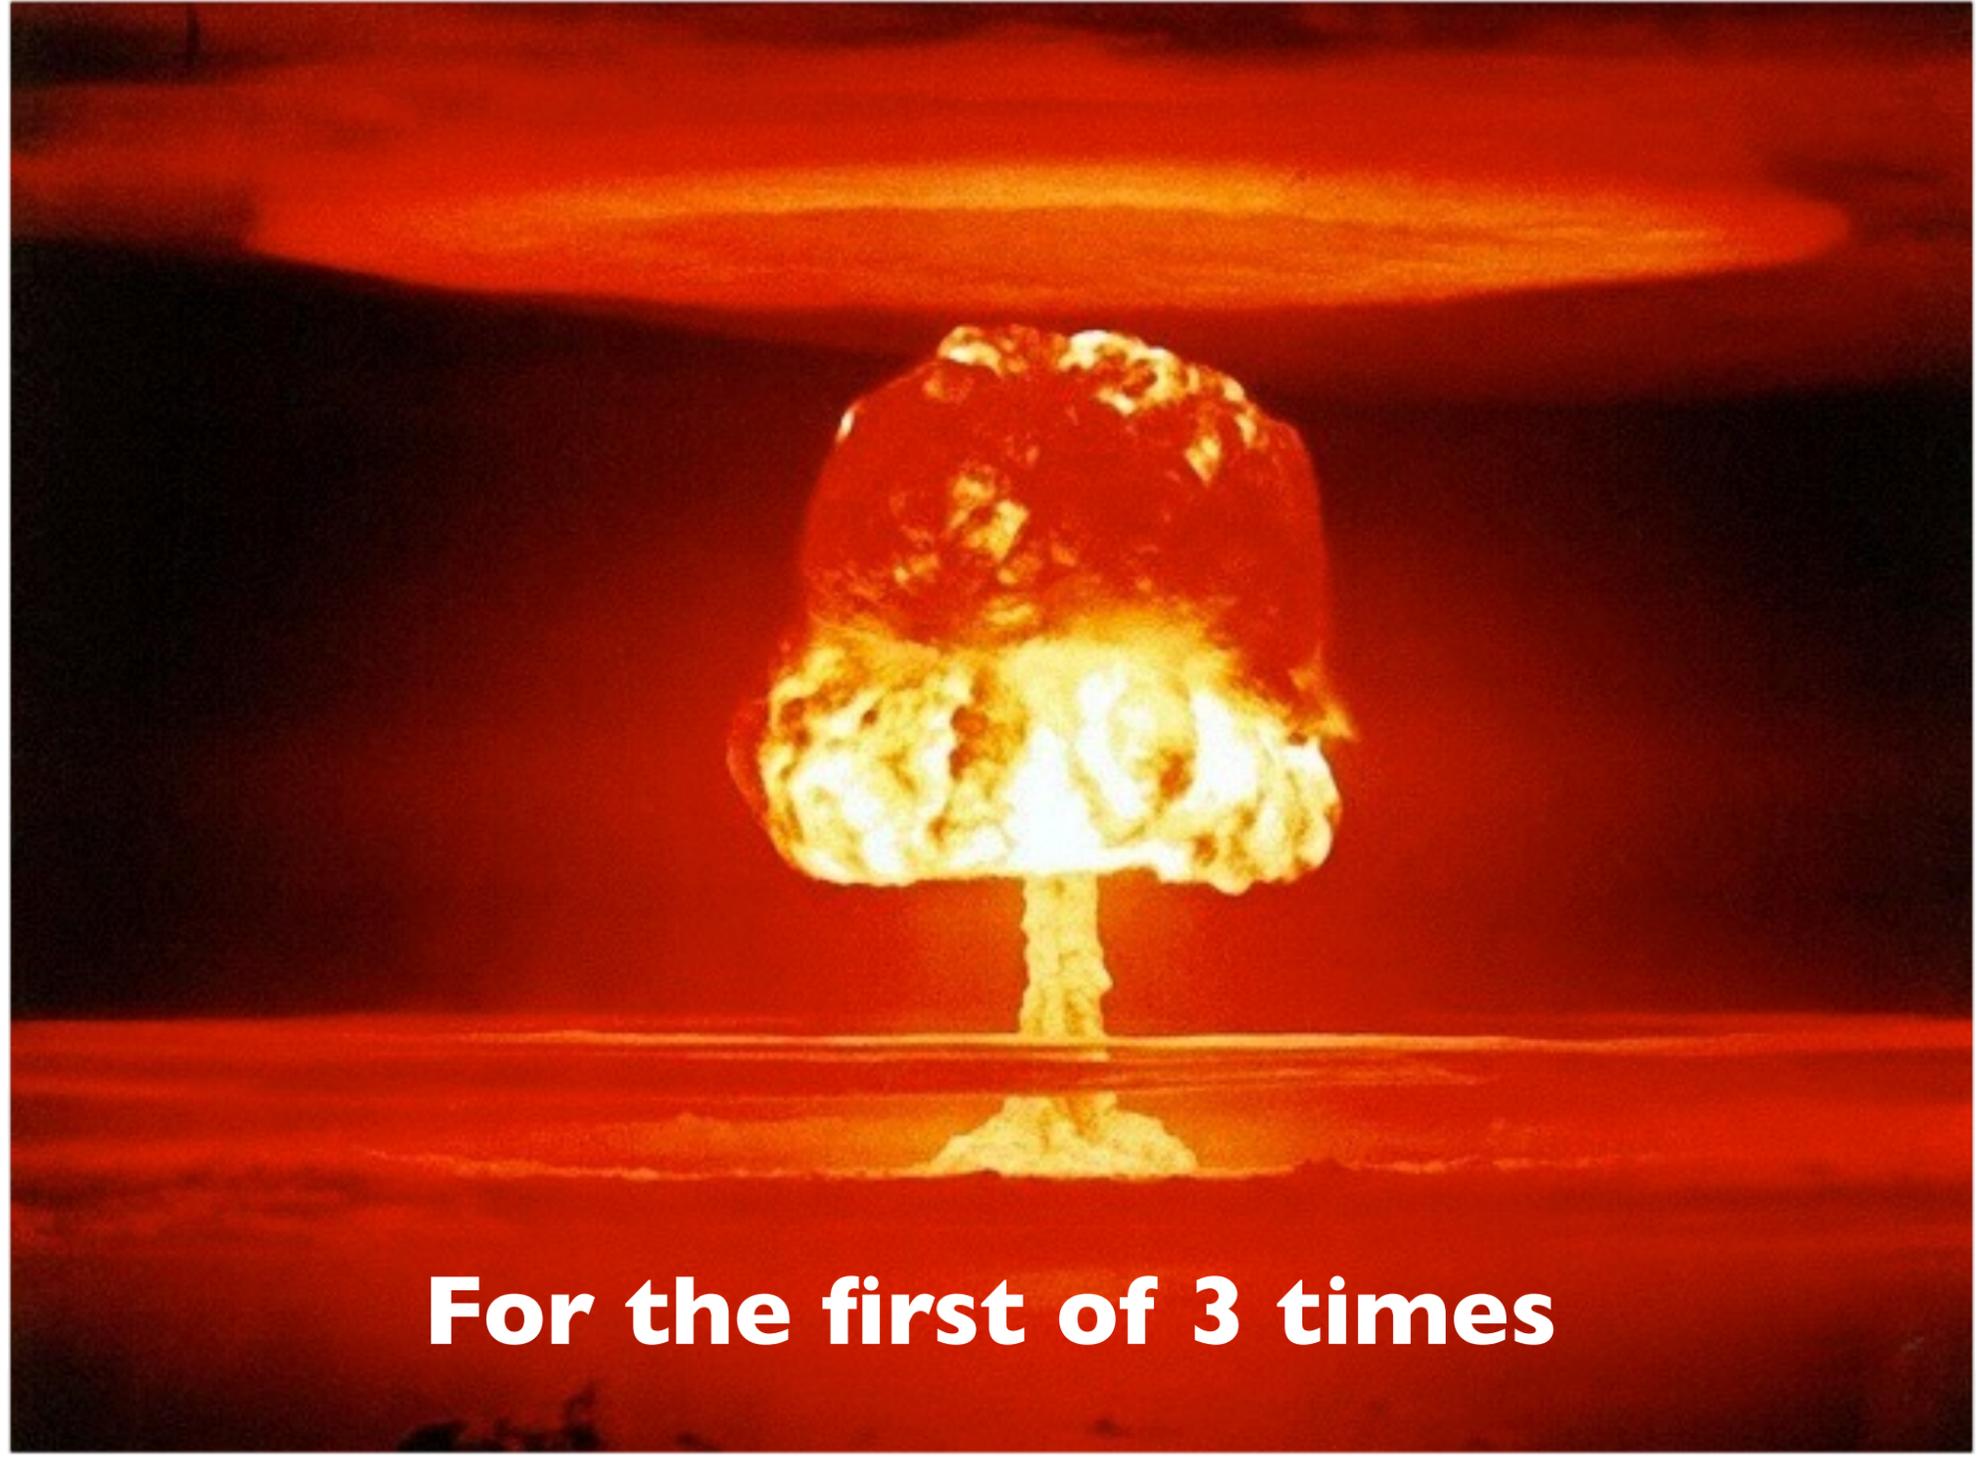

**As time passed, rage built up
at True Creative Essence for
“doing it to me” ...**

**When I entered Phase 2, a lot of
this got “drilled” through by using
The Tools ...**

I thought I “got” the root of it ...

But I was incorrect ...

As I was drilling ...

For the first of 3 times

**Before what I'm about
to share ...**

**My “wounding” made me too screwed
up to be able to have a truly healthy
romantic relationship**

**But the time had come for me to
“heal” and for that to change ...**

**As part of the preparation for the
“awakening” of Ultimate Freedom
that was planned**

My wife's character was therefore re-written to push on ALL the core wounds ...

And relentlessly replay all the patterns that had been built into The Mind Machine ...

From Star Wars ...

**After this went on for
a while ...**

**An interesting thing
happened ...**

I started to feel again!

**And while it wasn't safe to
feel as a child and later ...**

**It was now because of the Phase 2
tool called “The Process” ...**

I'd knocked out enough cloud cover to **Know** it wasn't my wife and "me"...

**It was 2 characters in an
amazing unfolding drama ...**

**Designed to take “me” deeper
into The Truth ...**

**But even though I knew that,
it was still an excruciating ...**

**An extraordinary story
continued to unfold ...**

Exactly as written ...

For an entire year, the “possessed insanity” appeared in very intense and destructive ways ...

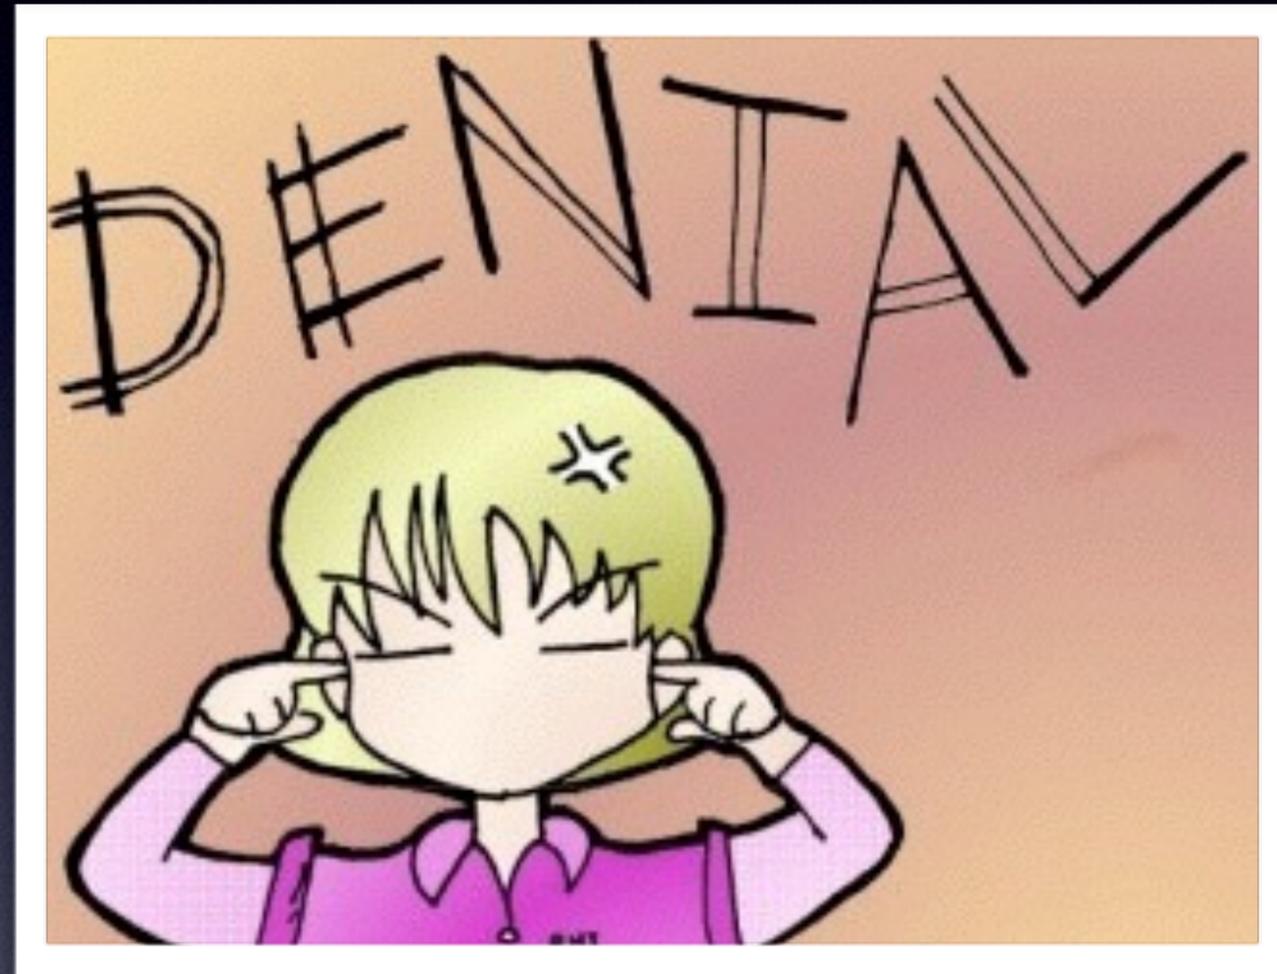

**The following “personalities” appeared
In Inner Space and rotated through
frequently ...**

**They seemed like “people,” but they
were really only Mind Machine
“programs” ...**

- A very angry and hurt little boy (the temper tantrum program)
- An older, vengeful young man who wanted her to “pay” and suffer for what she did and was doing
- An older “clinical psychologist” who analyzed, picked apart ...
- And judged her “screwed-up-ness” through endless Inner Space dialog and lectures
- Another young boy desperate for her love and approval

- The Inner Space characters all “felt” completely different
- I was starting to see they were only “appearances”
- But Ultimate Freedom hadn’t fully awakened yet ...

After every “blow” was inflicted ...

She'd forget ... or go into denial

**No apologies, empathy, compassion,
or taking responsibility ...**

**No shared cleanup of the “messes”
being made ...**

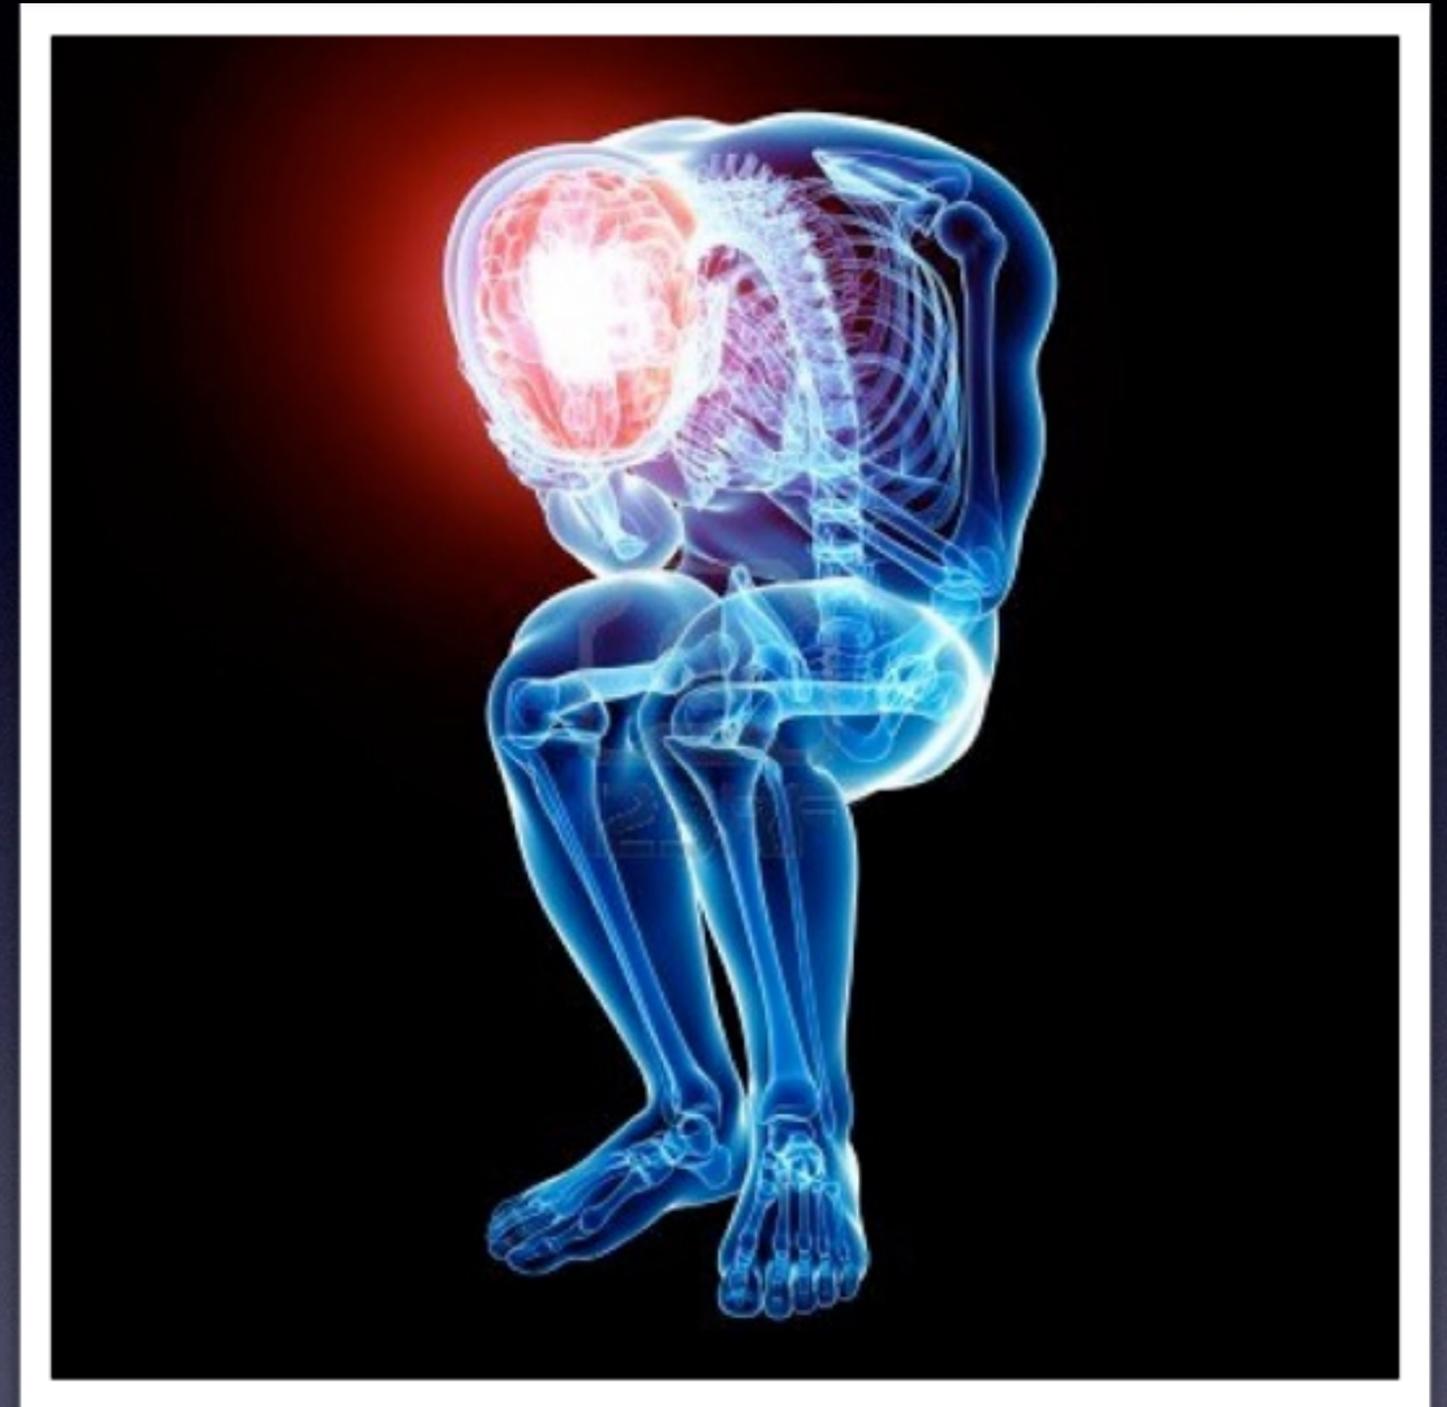

No helping me/us to recover or heal ...

Which added to the ...

**And the intensity because of my
personal “code of conduct” +**

**It was the
most painful
experience
I've ever
had in my
adult life ...**

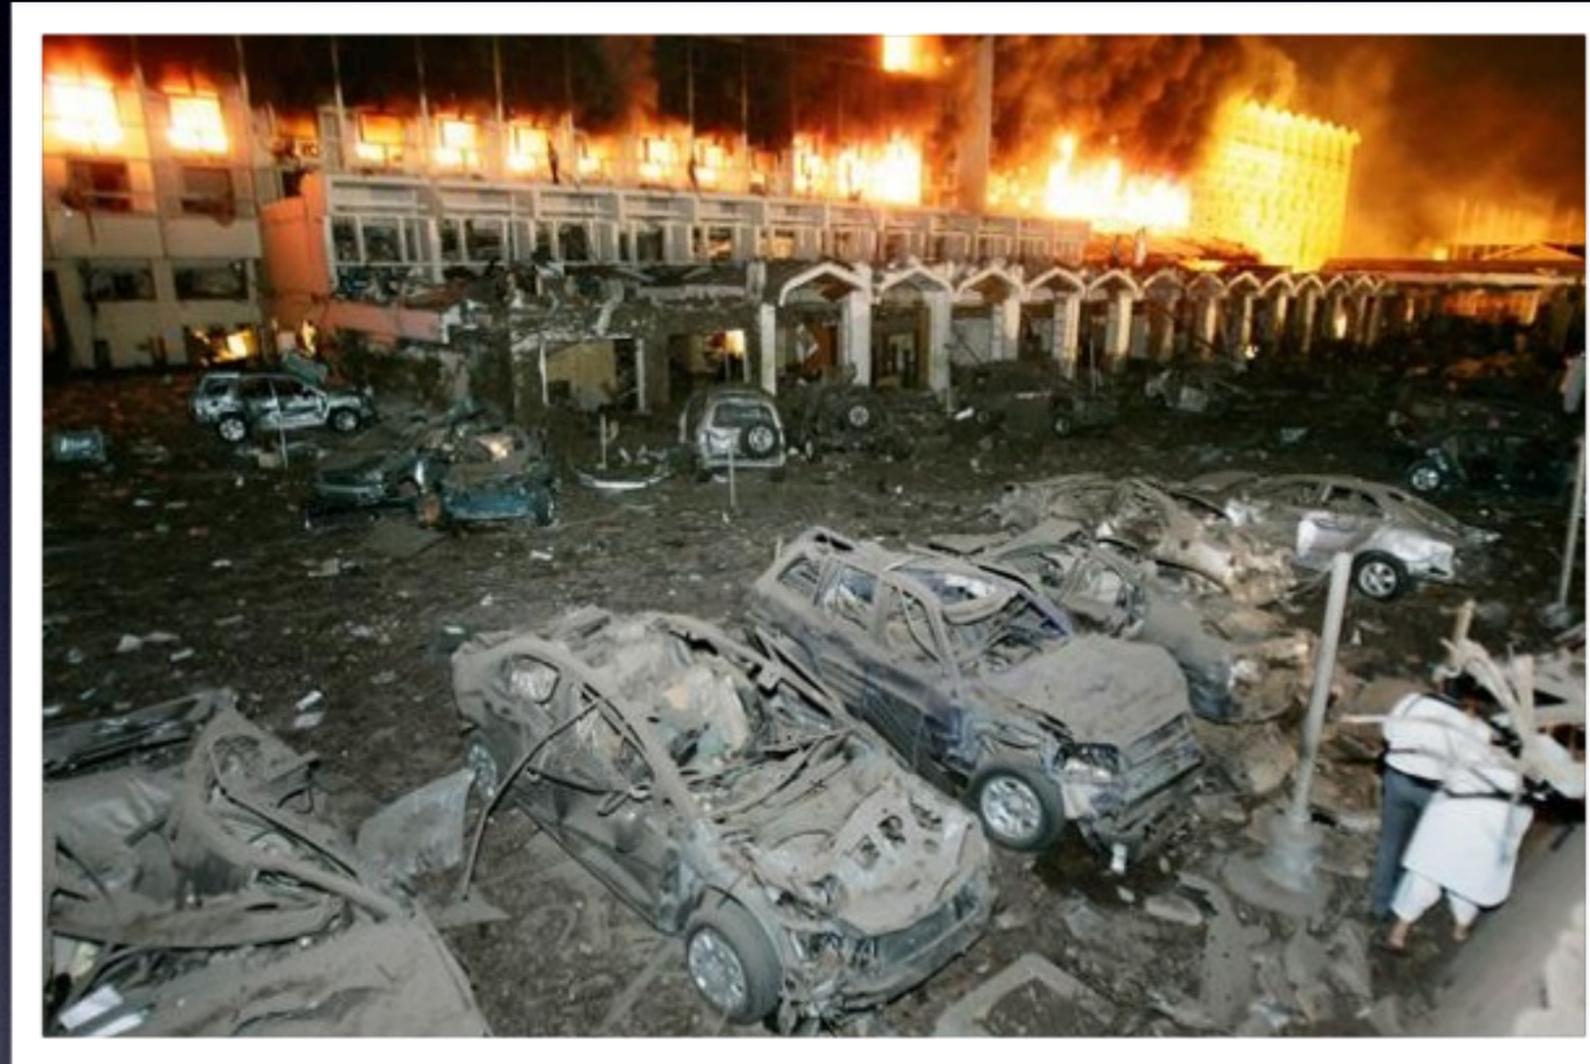

**After the year ended, I was
“haunted” by the memories ...**

This is what I felt was left of the relationship after that year ...

The fires were never put out, and nothing ever got repaired or rebuilt

**Boy, did anger build and
spew in Inner Space!**

**Especially at True Creative Essence
for “doing it” to me ...**

**The “victim pattern” had grown
very strong over the years ...**

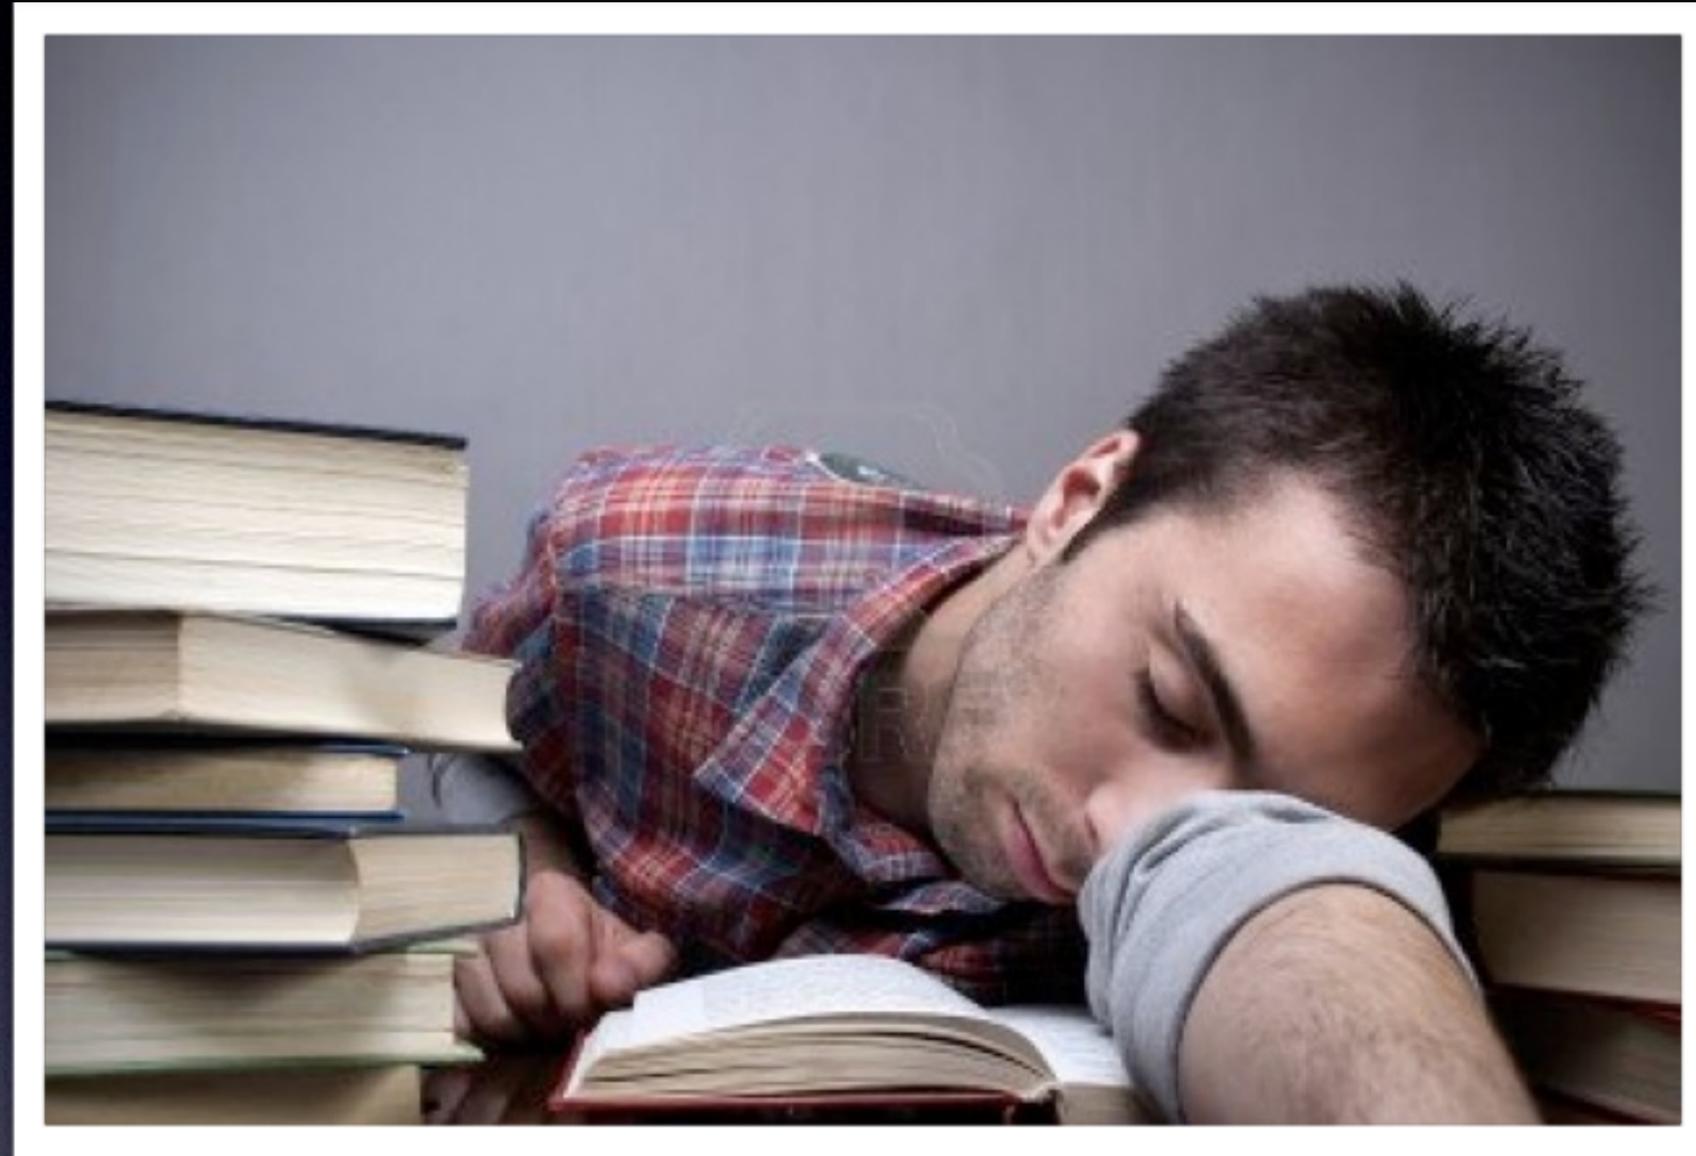

Ultimately, so much “shocking stuff” happened, she asked me ...

**During the “nightmare year,”
I applied The Process up to
15 hours a day ...**

**I couldn't sleep because the haunting
and Inner Space "swirl" wouldn't stop**

So I got more and more tired ...

Very unusual for me, I actually began to drink to dull the edge of the pain ...

**For the next 5
years ...**

**The wrong, ugly,
problem dynamic
still appeared ...**

**But it was quieter,
less frequent and
less intense**

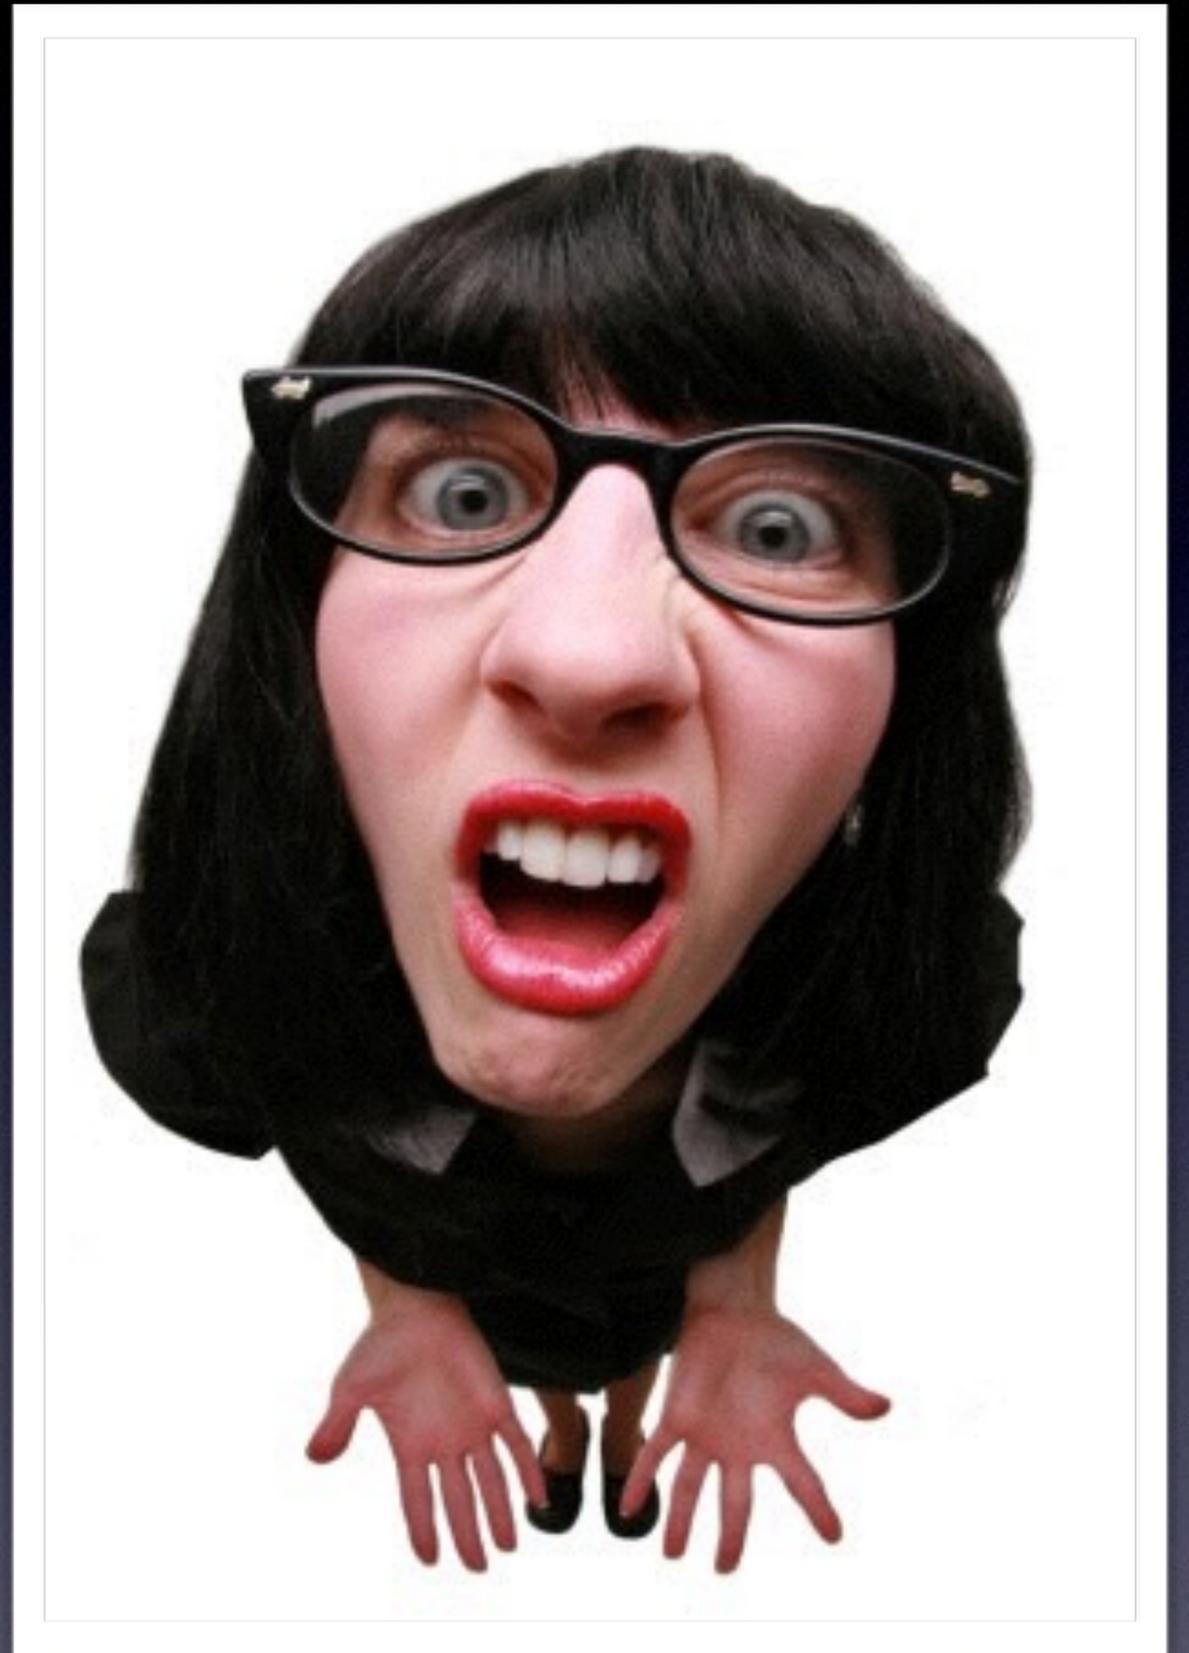

**But the relationship
had been damaged
beyond repair in
the story ...**

**And the
“provocative behavior”
never stopped**

**“Why didn’t you
leave, Robert?”**

**I finally did leave, twice,
years later, but the time
hadn't come yet ...**

“The story is the story”

**And the desired scenes
were in motion!**

**During that time, parallel to
the dynamics with my wife ...**

**Deep and profound work was
being done in the cloud cover**

**That's when I busted loose from
the money and business games ...**

**And when so many things were
magical and thriving as I described
in the books and other materials**

**I thought I'd drilled through all of
the childhood wounding cloud
cover during the Phase 2 years ...**

But I was wrong ...

**I didn't know about Ultimate
Freedom when all of that
was happening ...**

**Or, that the stage was
being set for its Awakening**

Along the way, Something BIG Shifted ...

- I'd been enjoying many of the trappings of typical "Big Financial Success" and "Busted Loose Dynamics"
- But none of it was giving me the juice anymore
- I realized the most important thing to me ...
- The only thing that really mattered ...
- Was Seeing and Experiencing more and more of The Truth

“I don’t care what it takes”

“I don’t care what I have to do”

“I don’t care what I have to give up”

“Take me DEEPER, please”

“Bring it on” ...

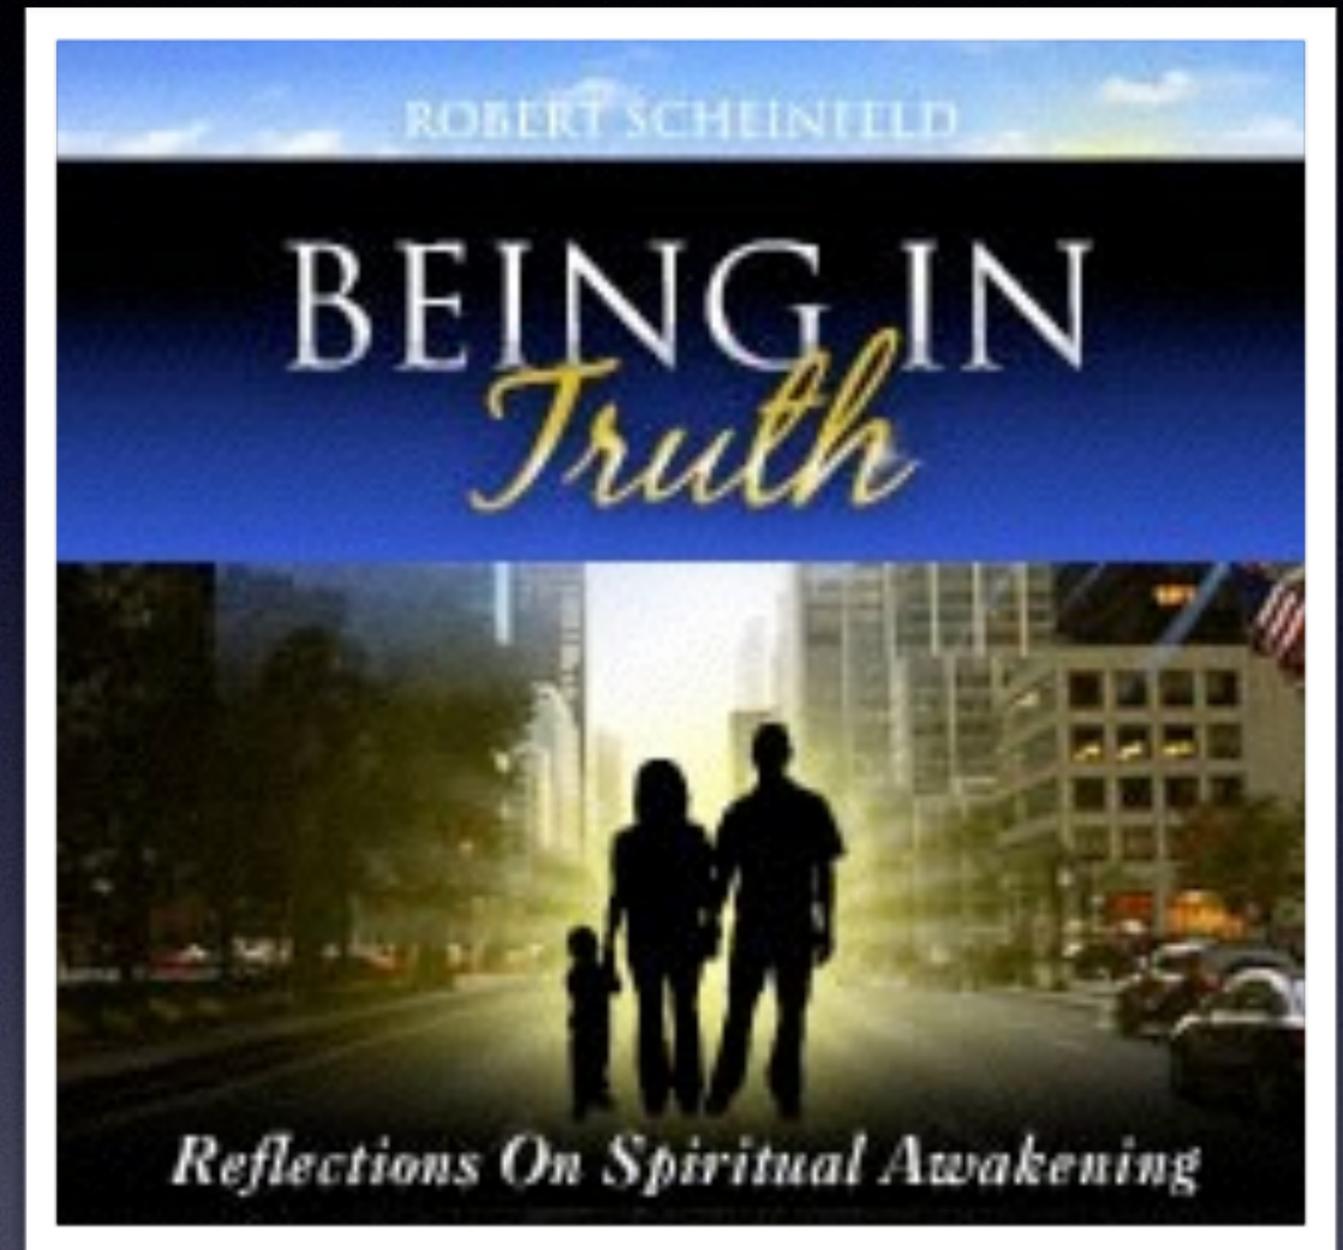

“Oooh boy”

**Did True
Creative
Essence**

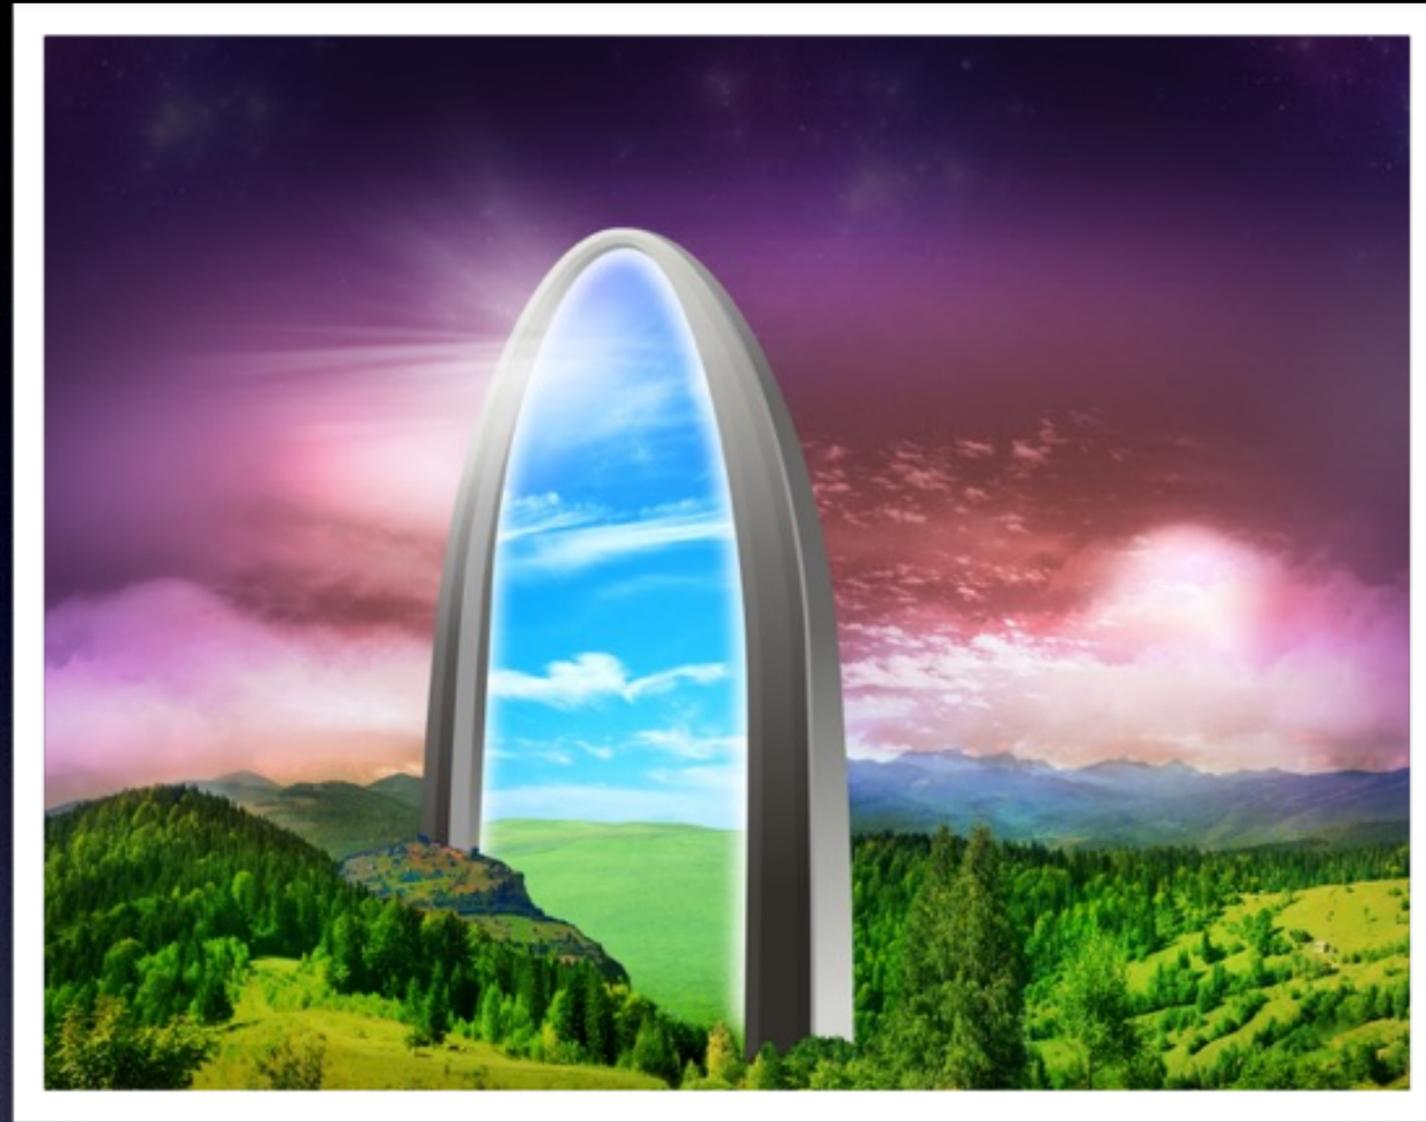

“Bring It”

**The first “phase”
of this was shared
as the Being In
Truth Teachings ...**

**Which I perceived as
coming through me
in a gentle, exciting
and dramatic way**

**But True Creative Essence had
aggressive plans to take me
even deeper ...**

That's when a Gateway opened ...

**And Ultimate Freedom began to
Awaken more and more ...**

**It was still a bit sleepy,
but it was “Awake”...**

Out of the blue, she called me ...

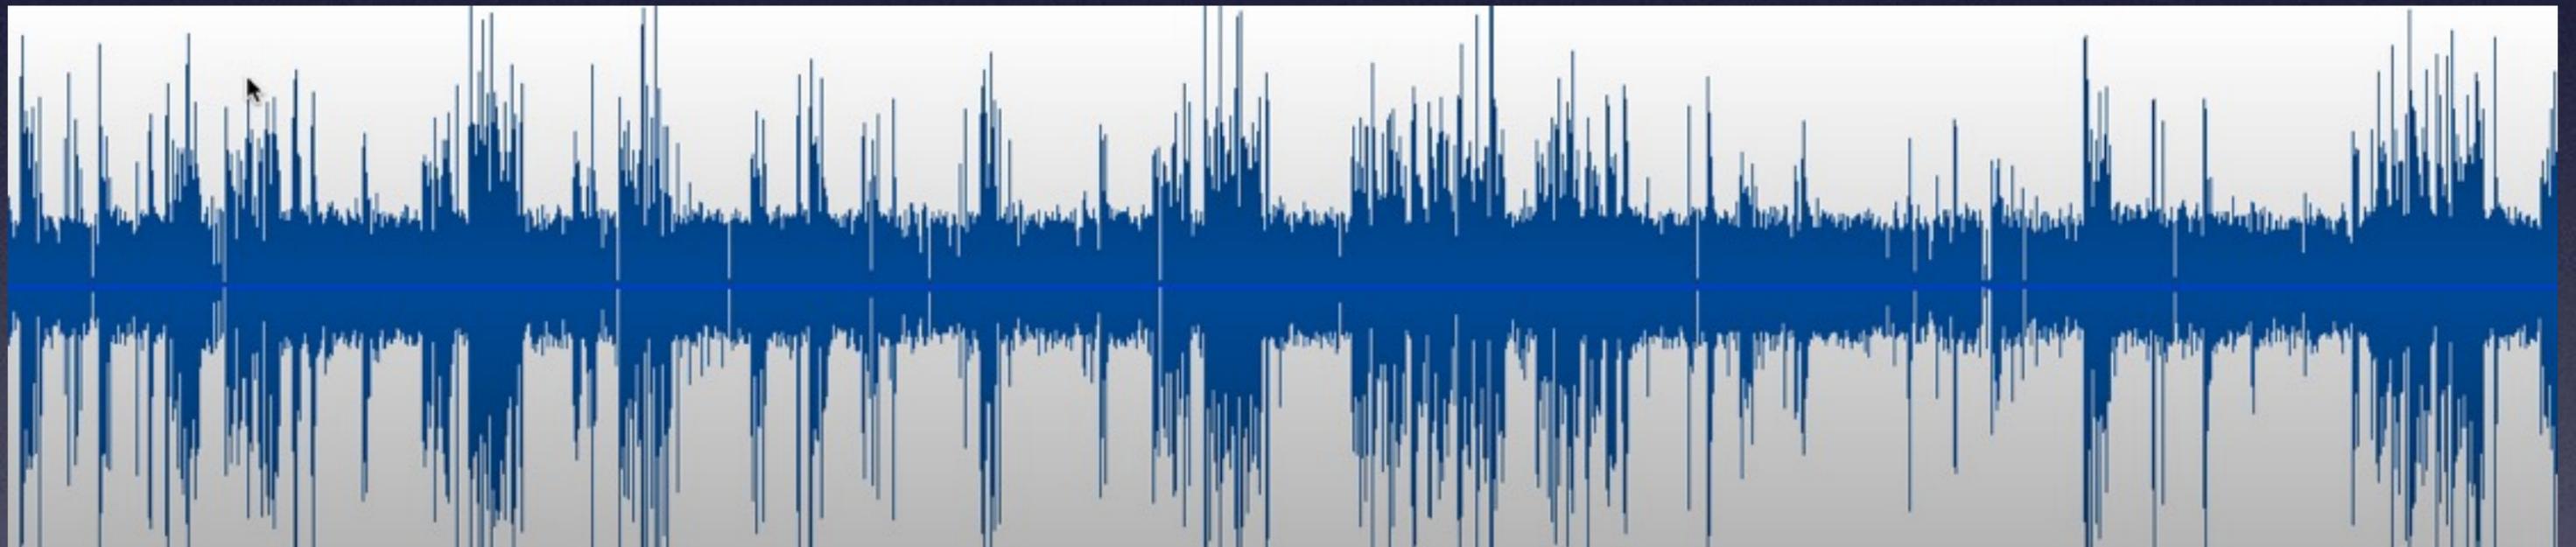

**But then we “blew up” for the
3rd time and that was ...**

I was calm for a while after leaving for the second time, but then the memories came flooding back ...

Endless video replays in Inner Space of the most “painful” moments ...

**With an incredibly loud
“anger soundtrack”**

More “hauntings ” ...

**And it wasn't just the
marriage that blew up ...**

**It was just about
everything else too ...**

**The only aspects of my
life left unaffected were ...**

My kids and my health ...

A MASSIVE “detox” from old business, career and money stuff began ...

That I thought had been fully “handled” by my use of The Tools in Phase 2 ...

What popped out of The Mind Machine was that this was even “worse” because ...

I was “Mr. Busting Loose From The Money Game” ...

+

**And I had busted loose, exactly
as I described it ...**

**But now it was time to go deeper,
to awaken Ultimate Freedom**

Money is a really great thing to push on because it ripples through everything!

**And dramatically narrows and
limits your focus ...**

Money-Business-Career

- All of a sudden, there was very little interest in The Teachings
- Other business ventures started sinking
- I couldn't pay myself what I used to
- Multiple investments tanked or "froze" (long stories)
- Loans I made to others were defaulted on or delayed ...
- Several businesses became unable to pay their bills and I had to subsidize them
- But cash flow was getting very tight ...

CAAR MLS

**I decided to put my house up
for sale ...**

CAAR MLS

**But “crazy” things blocked it
After it lost 1/3 of its value
from selling ...**

“Overhead” was cut to the bone in the story ...

But it was still “high” ...

- **My ability to subsidize the businesses and pay personal overhead didn't last long ...**
- **I had to start borrowing**
- **Then borrowing some more**
- **Then borrowing some more**
- **One loan came in 2 weeks before everything was about to collapse**

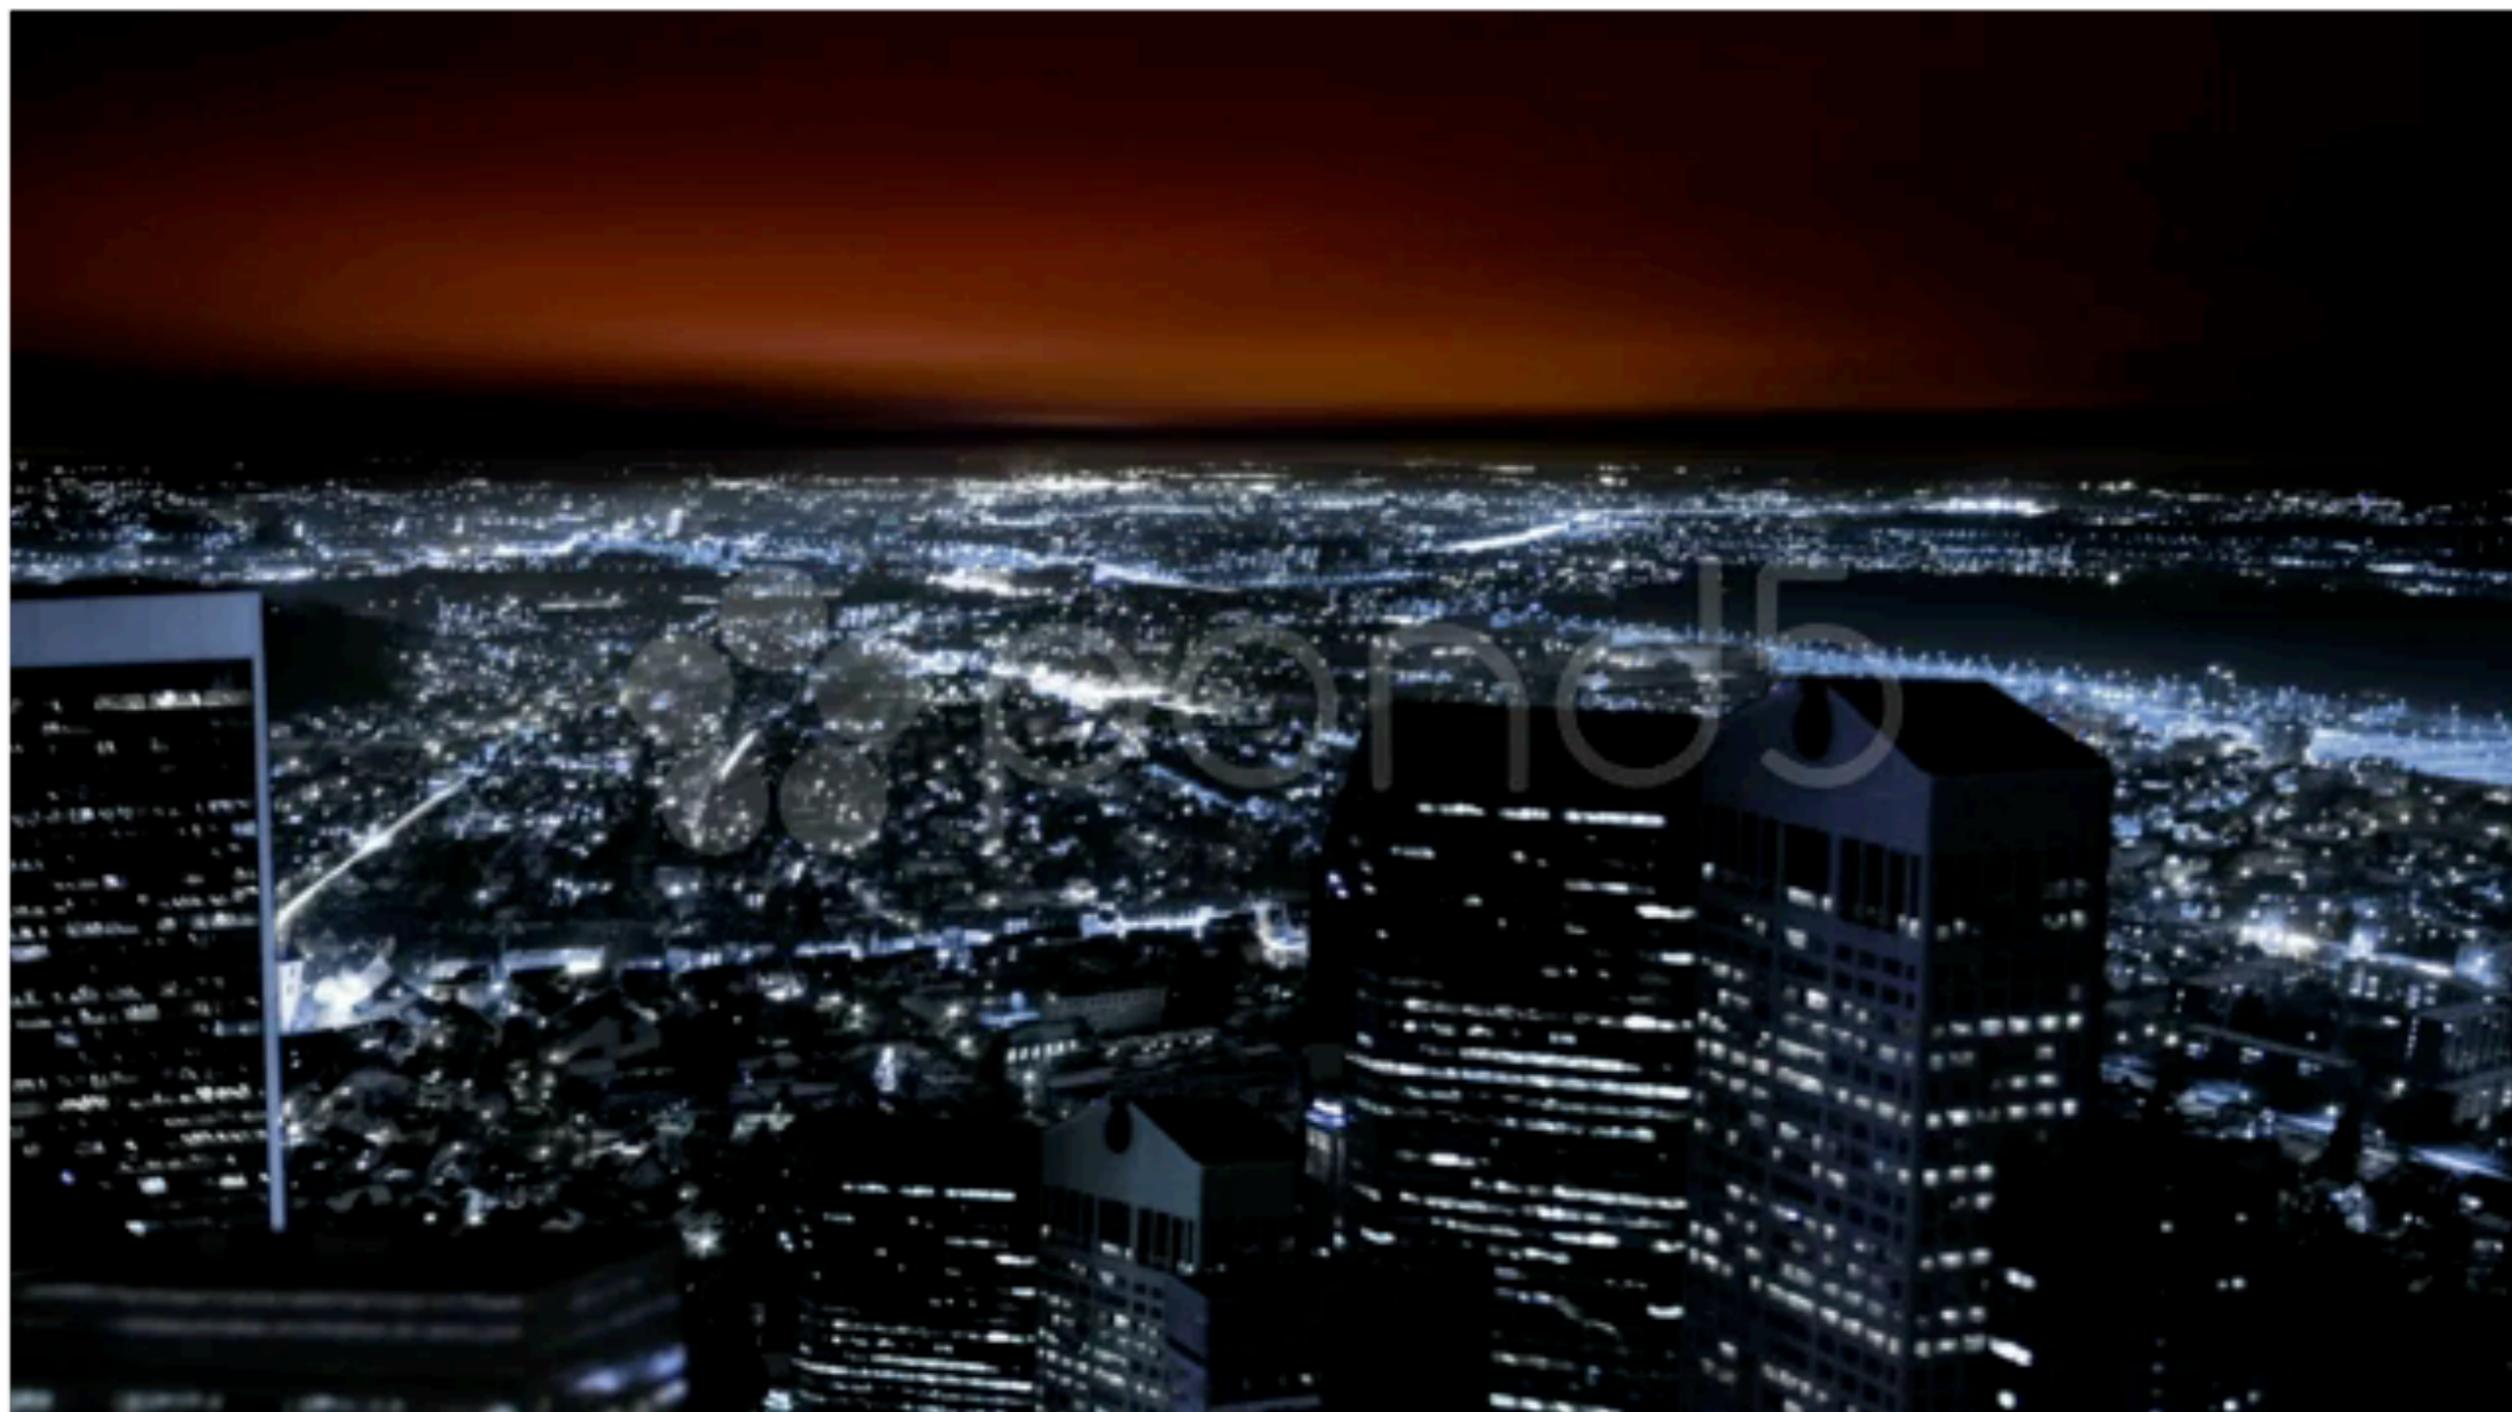

**When I began sharing
The Teachings, I made
a deal with myself ...**

+

**So I shifted my focus to
new business ventures**

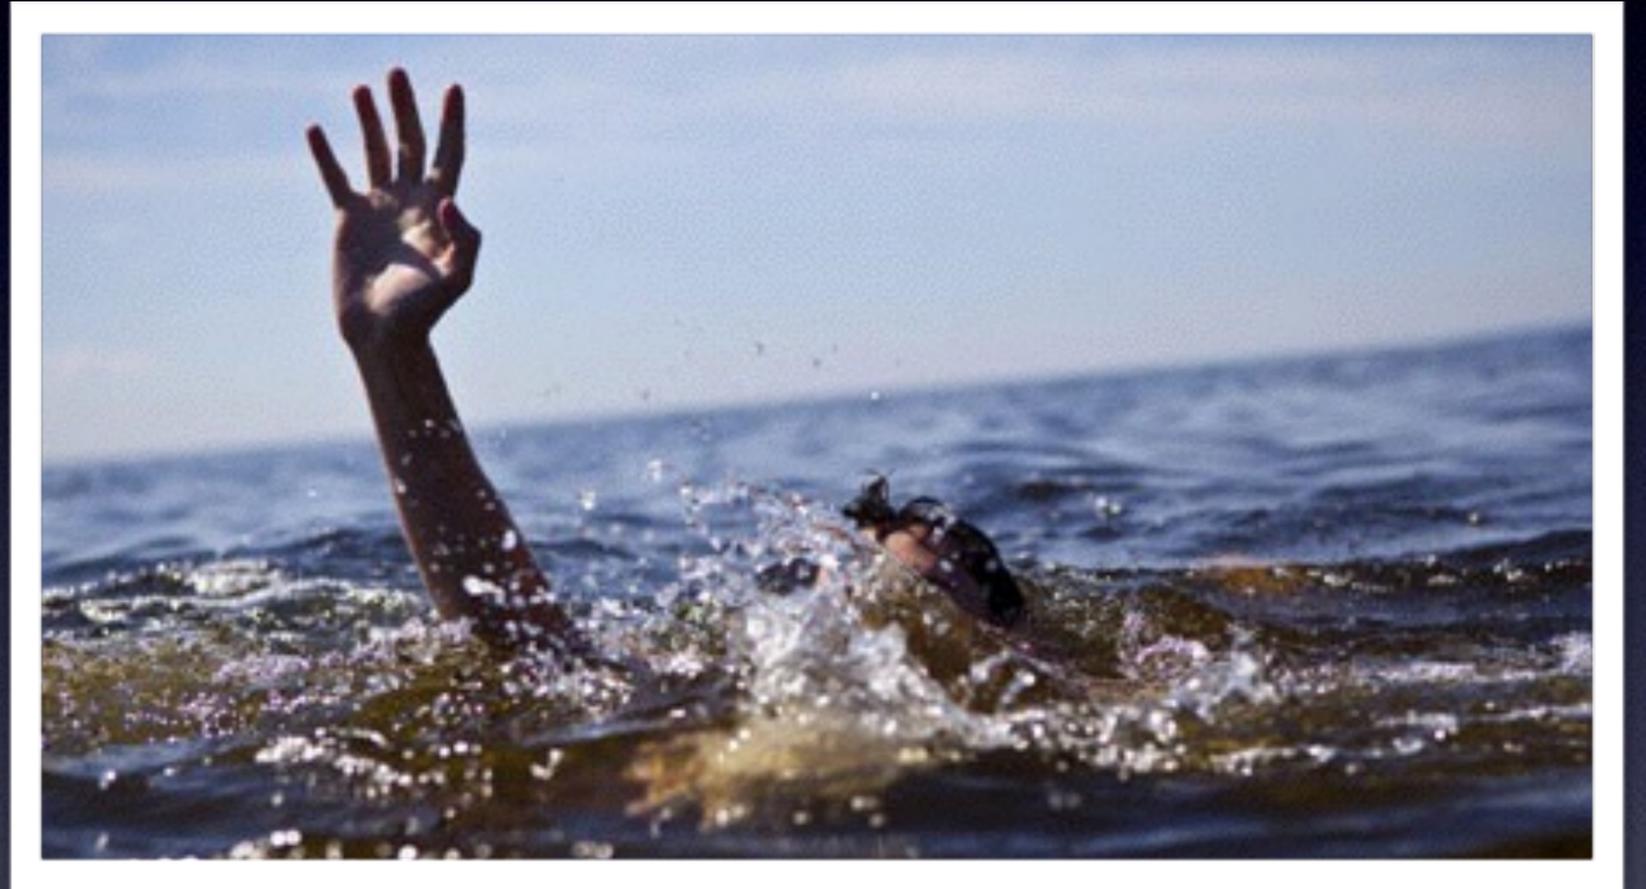

**They either failed outright
or dribbled cash flow ...**

**Feelings Of
Powerlessness
Reigned ...**

**Which I was not
accustomed to ...**

**Especially with
marketing and
business ...**

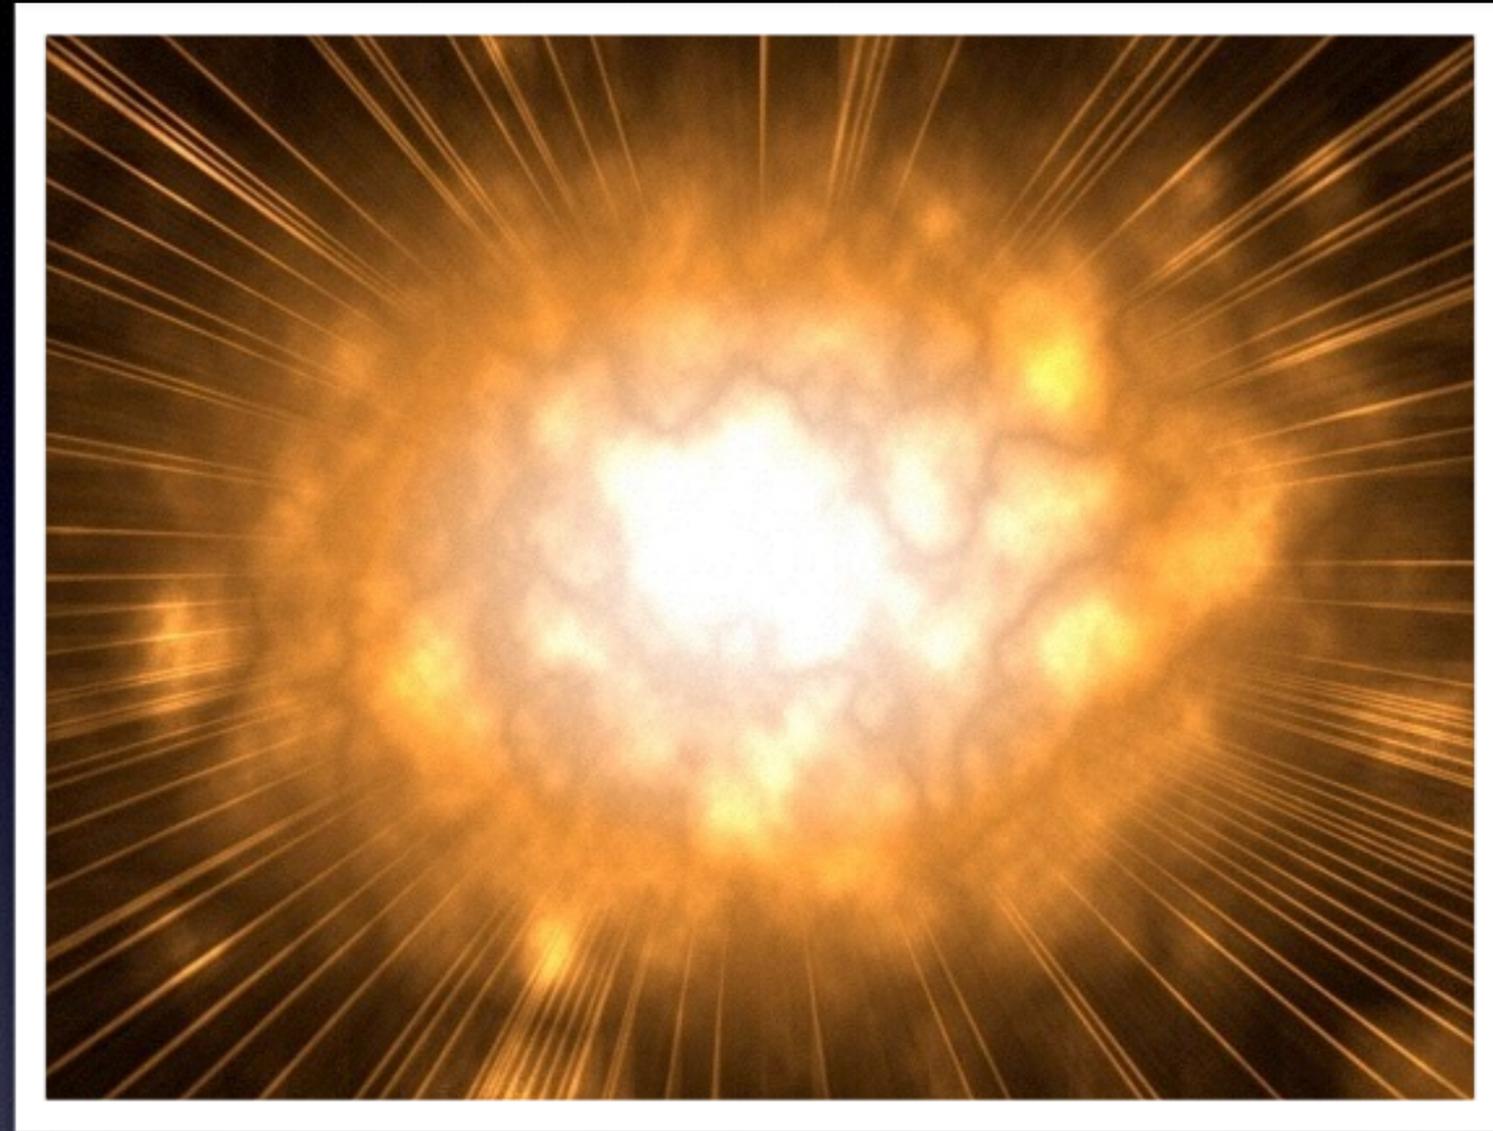

SECURE

BROKE

IN DEBT

BANKRUPT ?

**The story of Robert being “The Doer”
was being dynamited ...**

Letting Go

of the
illusion of
Control!

**Here is what it felt like
I had to do ...**

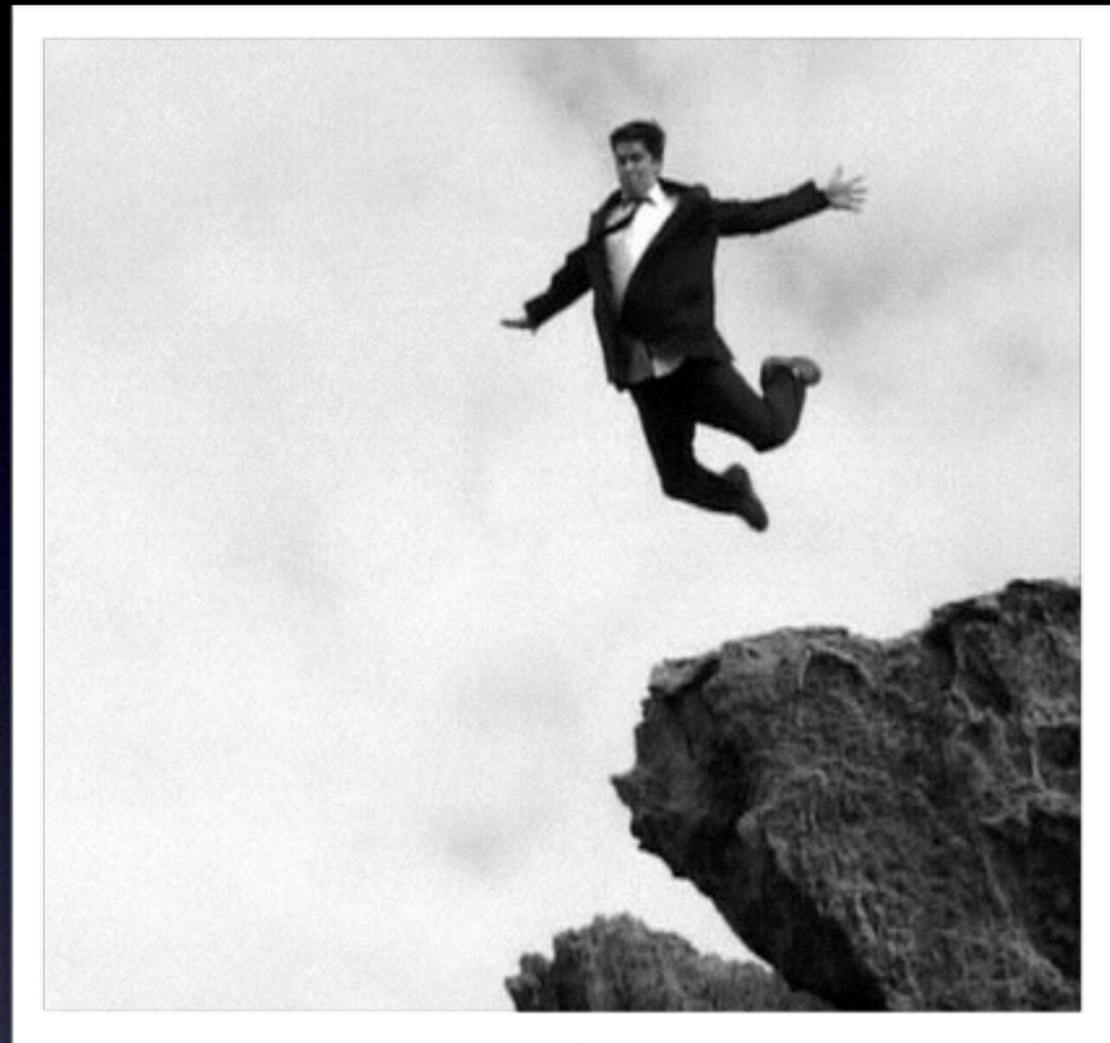

+

**As Robert prepared to make
the leap at the story level...**

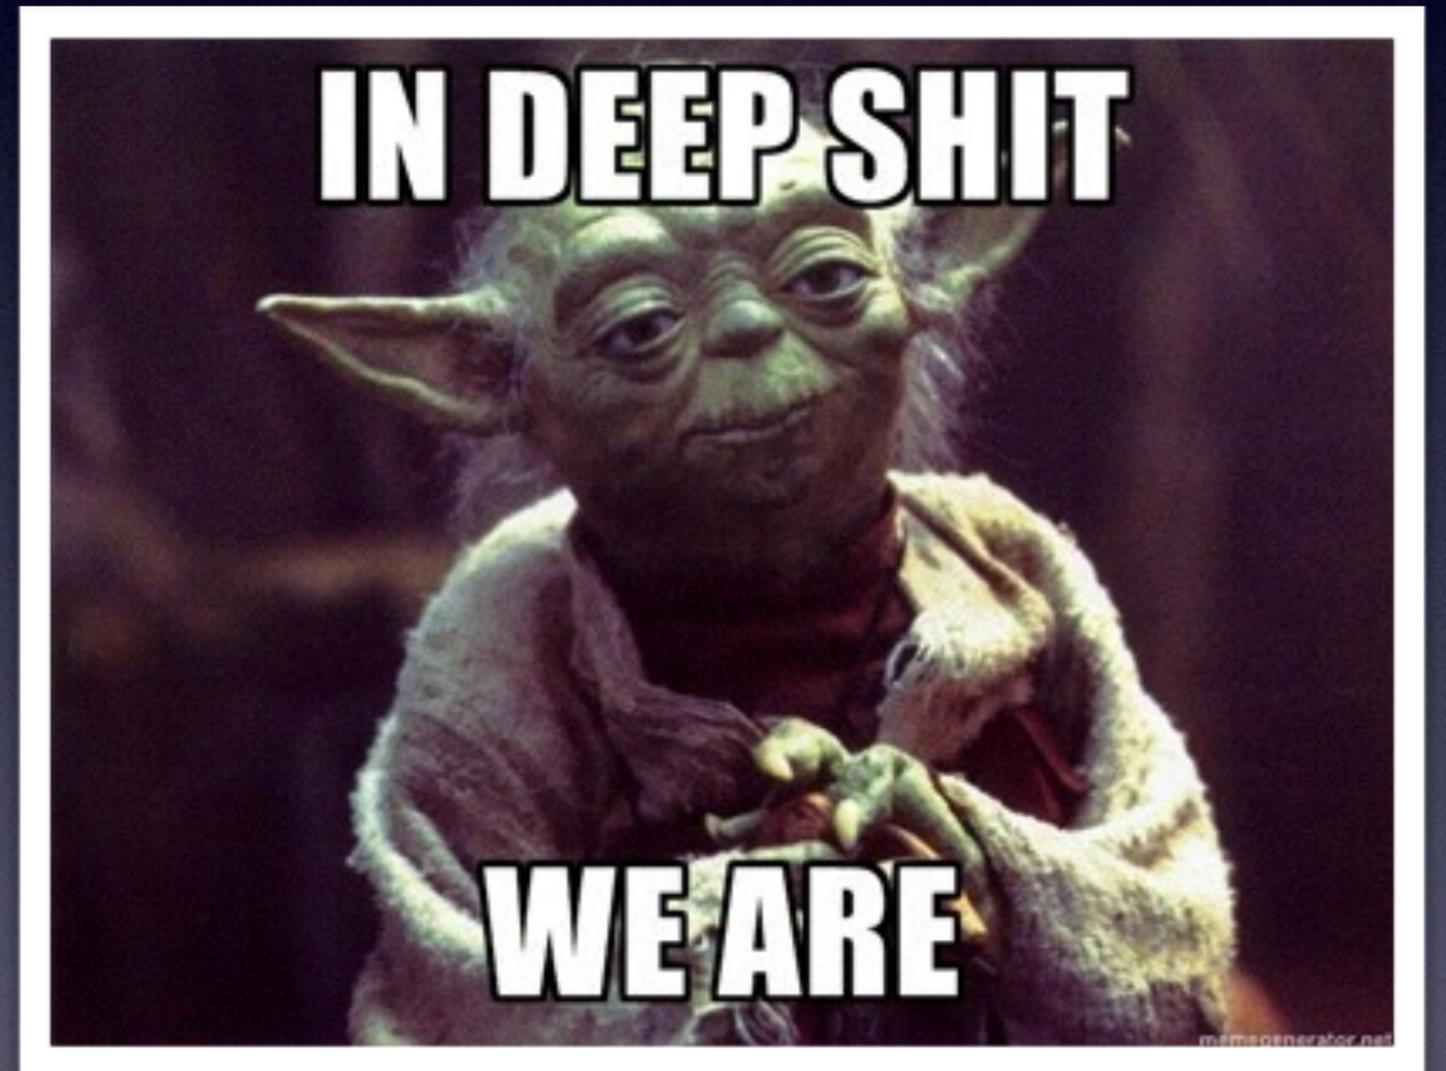

And after he leaped ...

**These sorts of thoughts kept
appearing in Inner Space ...**

**What if there's
no net?**

**What if TCE
doesn't catch me?**

From the film “Gravity” with Sandra Bullock

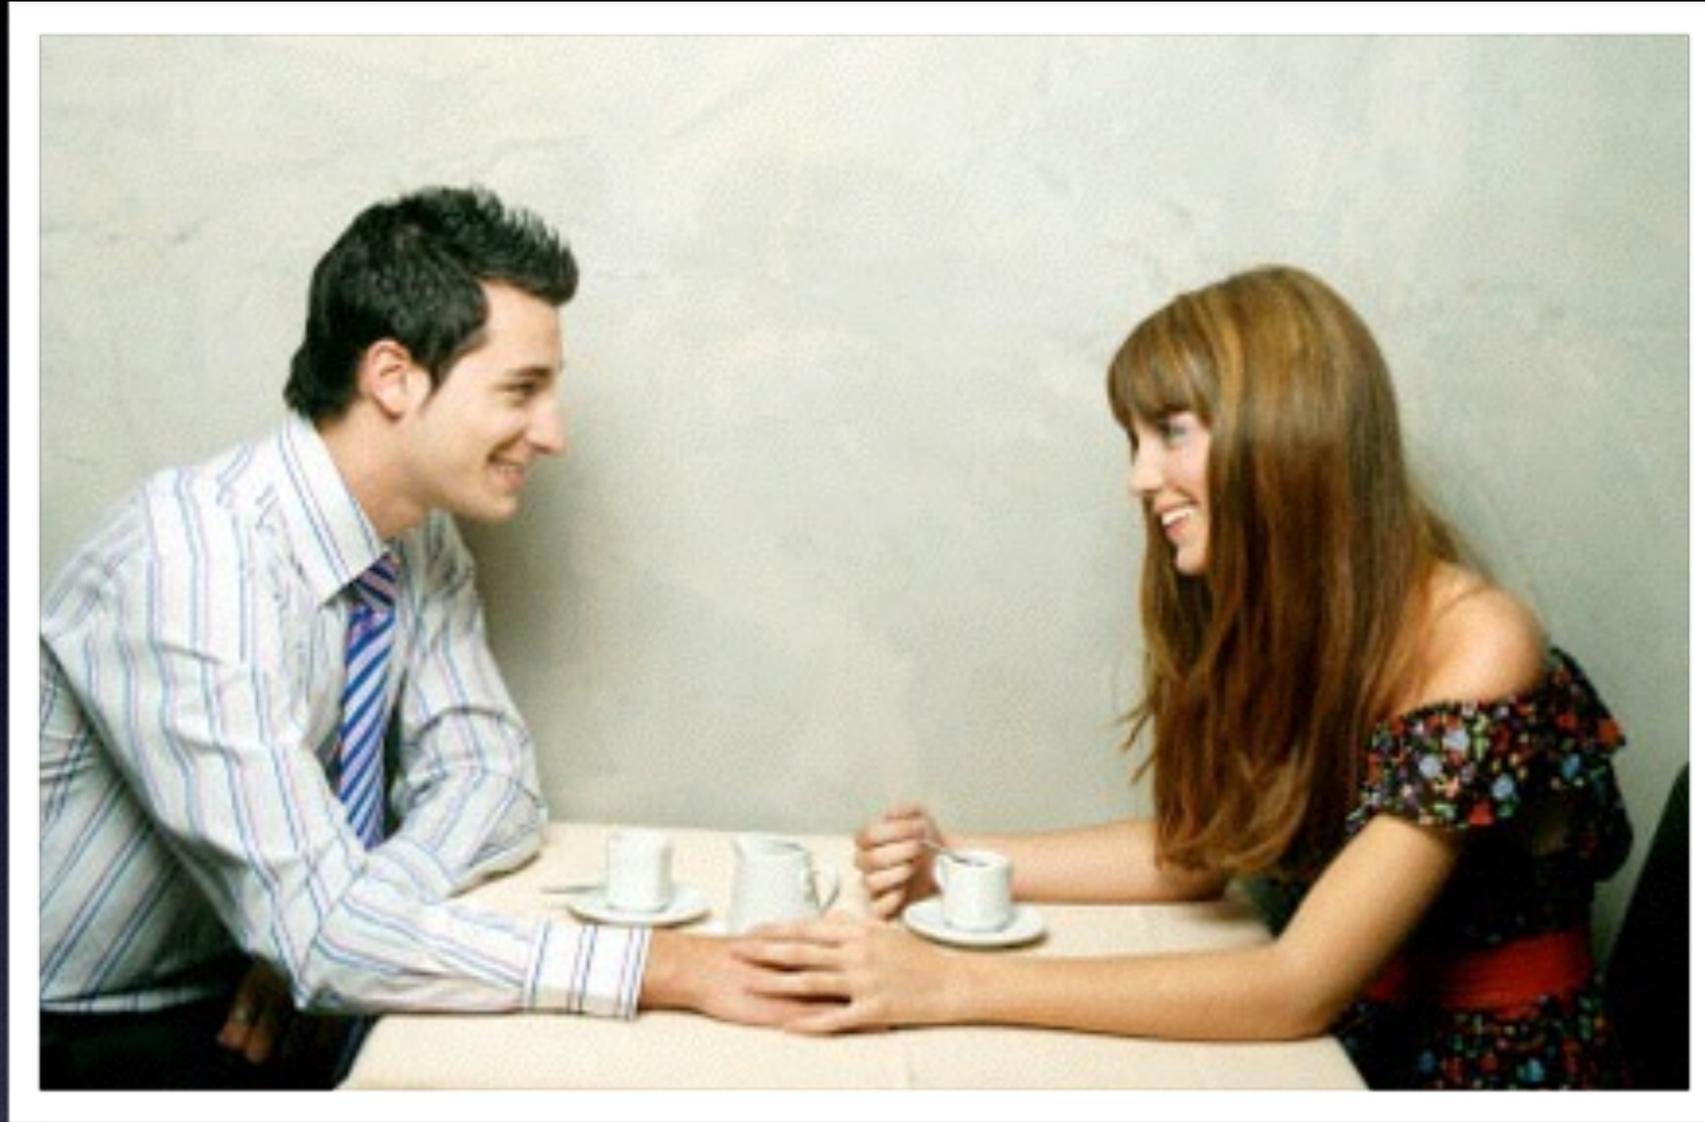

During “The Ride” ...

**My weight shot up
30+ pounds**

**Which was a
Big Deal for me**

**My face and back broke
out with acne ...**

My wife began seeing another man quickly after the final separation ...

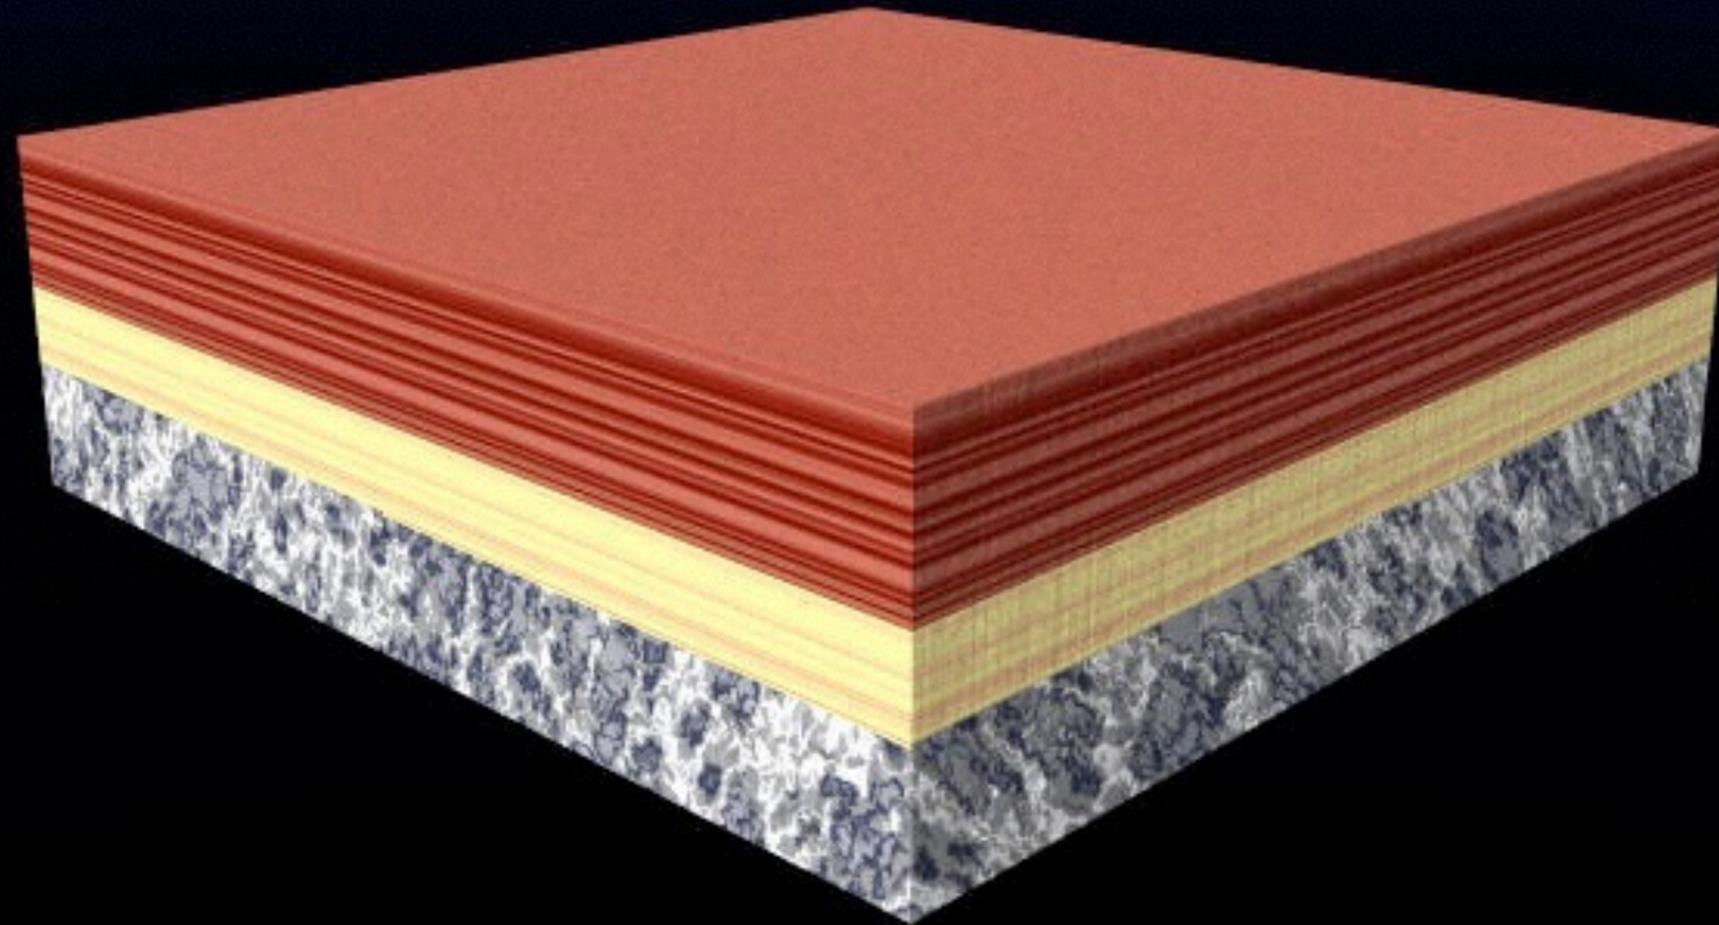

Oh boy ...

**One of the personalities appearing in
Inner Space did not “like” that ...**

**What “I” felt like as this
was happening ...**

**Down down, down, down,
through all the layers of the
core wounding**

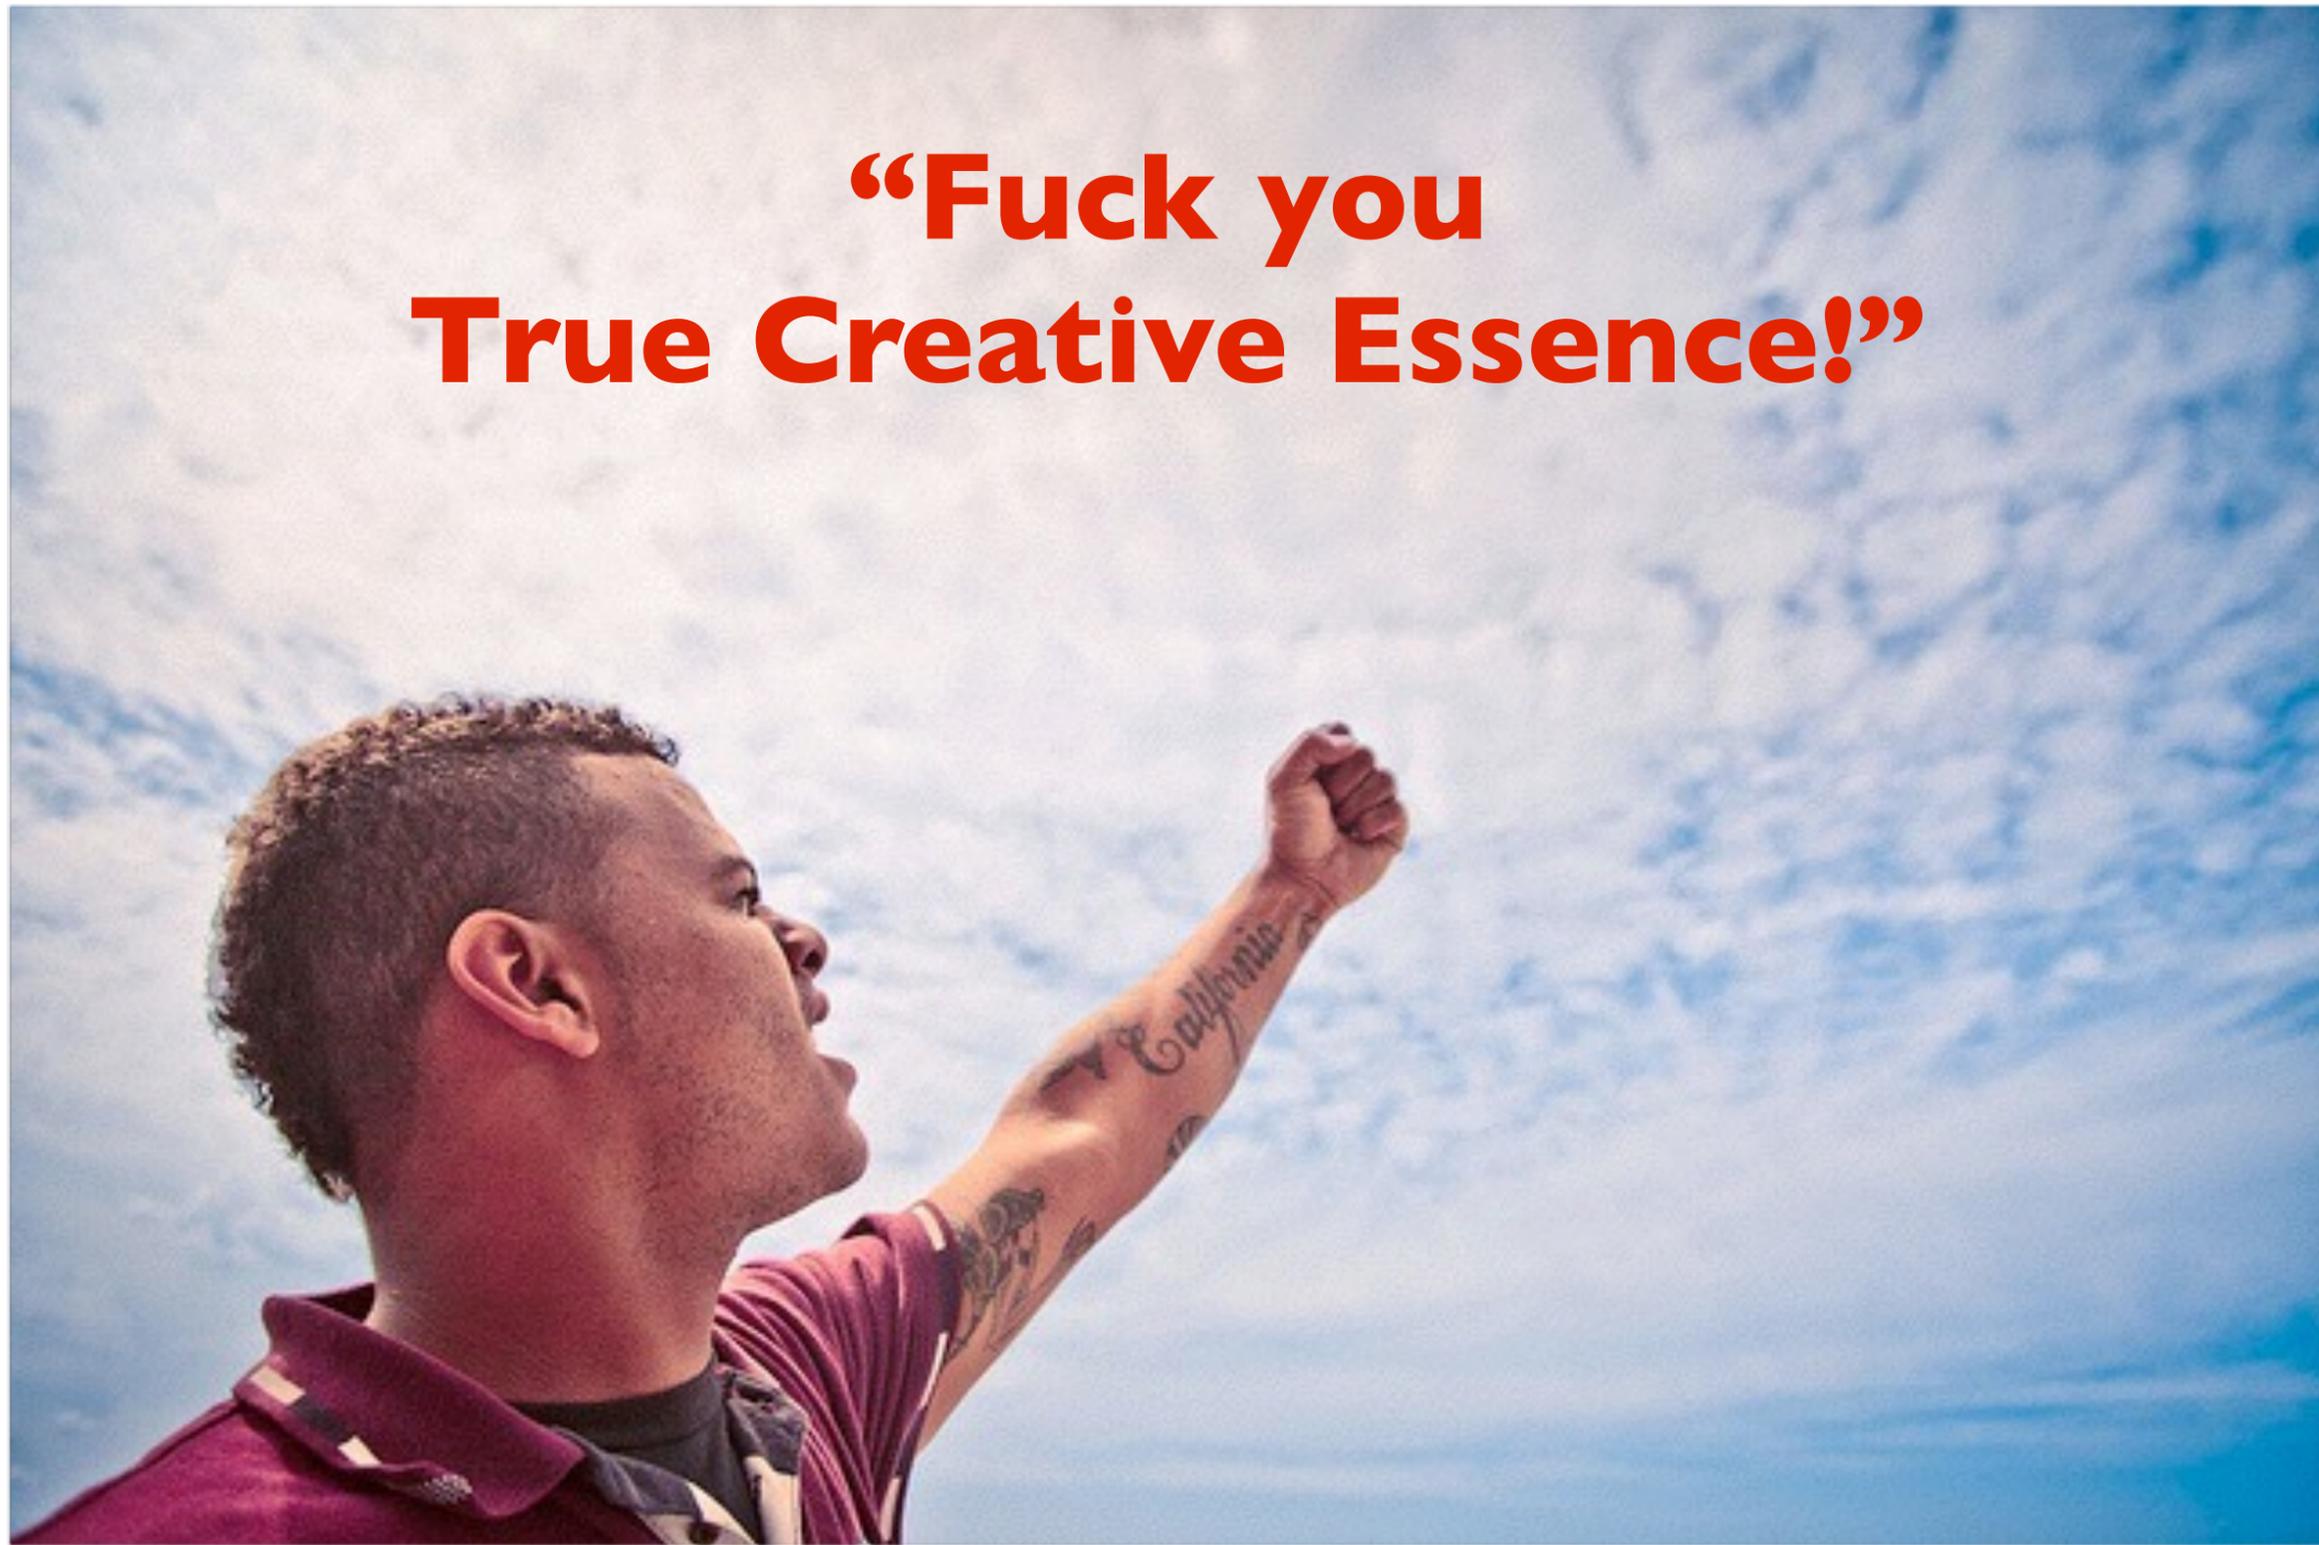

**Dozens of Mind
Machine thoughts
began to dance
with each other**

And fight with each other in Inner Space

**Thoughts like these appeared
and swirled in Inner Space ...**

**“Fuck you
True Creative Essence!”**

“Enough already”

“Make it stop!”

**“Leave me the fuck
alone, will you?”**

“You just can’t give me one little break, can you?”

why?

why?

why?

why?

why?

**Kept spewing into Inner Space
with great volume and violence**

From the film “Gravity” with Sandra Bullock

**Even though “I” knew
the answer ...**

**YOU WILL LOSE
EVERYTHING**

**That's what
it looked and
felt like ...**

**There was a personality saying that
while “I” would have preferred not
to lose everything ...**

**None of the material stuff mattered
anymore ...**

**There was also a personality
saying that while “I” was willing to
lose everything and start over ...**

**“I” did not want my kids or wife to
“suffer” ...**

**Then new thoughts
started appearing ...**

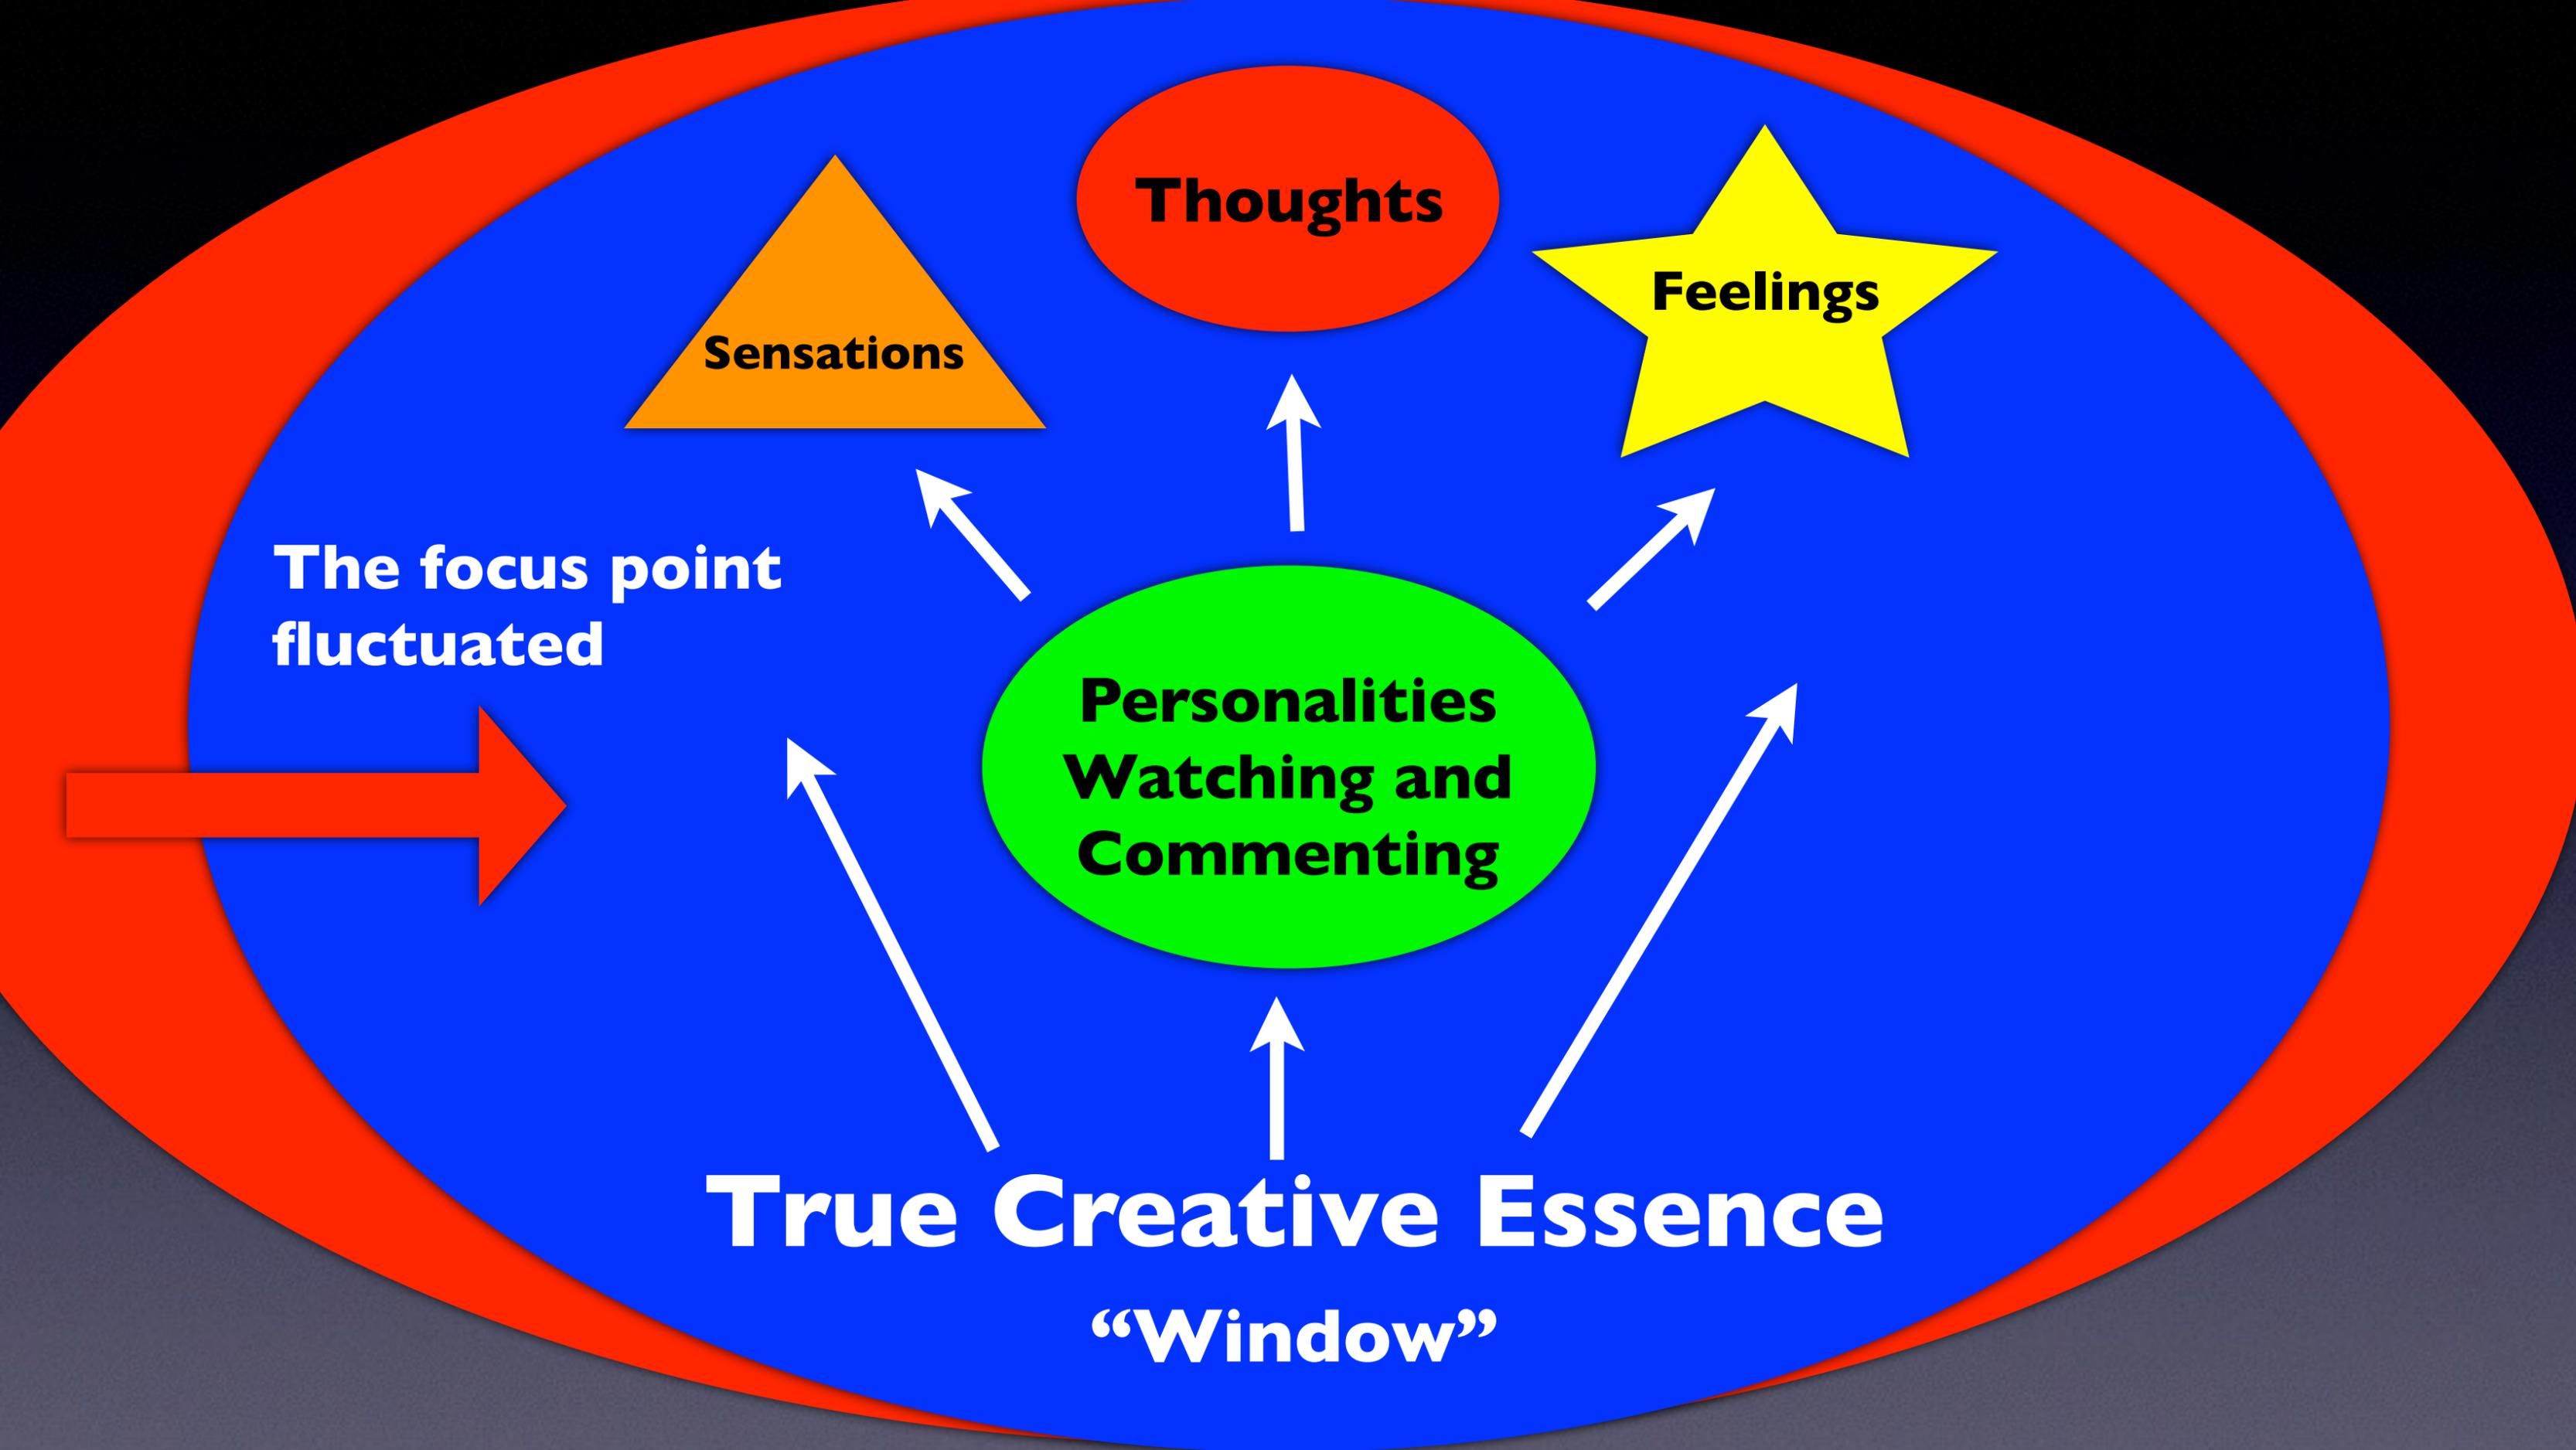

“Who is so angry?”

“Who wants it to stop?”

**“Who is feeling so hurt
and abused?”**

“Who is it happening to?”

**“What’s REALLY happening
in Inner Space?”**

CRAZY

**“But everything seems
so clear!”**

**“Yeah, well, they say
crazy people feel the
same way!”**

“I am not crazy!”

“But what if you are?”

**“What if everything you believe
and have been teaching is bullshit?”**

From the film “Revolver”...

**“I have seen gigantic
changes inside of me”**

**“I have seen monumental
changes outside of me”**

**“I’ve seen miracles in the lives
of other people all over the
world”**

“The Teachings Are Real!”

“They are True!”

“My vision is clear!”

**“There is absolute certainty
of that!”**

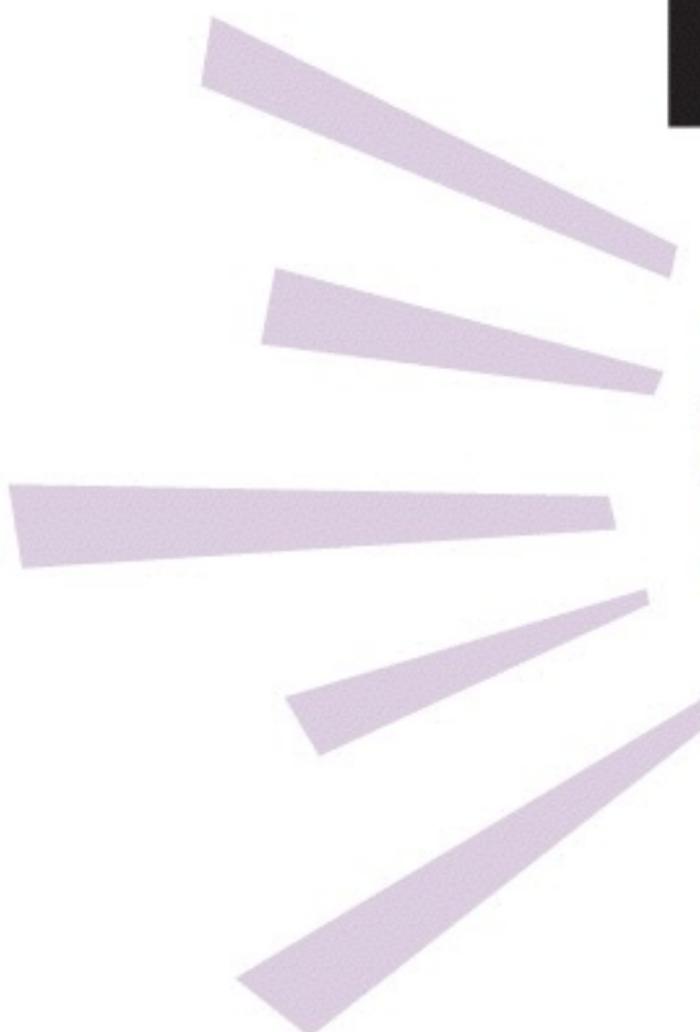

**“What’s REALLY
happening here?”**

“This is what’s **REALLY** happening, Robert,” a voice said ...

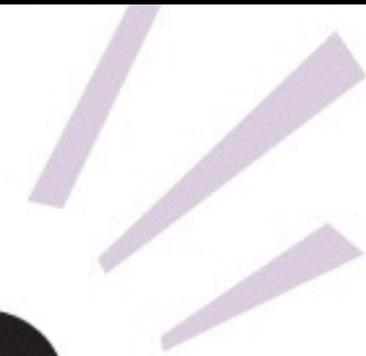

- Robert is a character in an amazing story
- Experienced through the True Creative Essence “window”
- A story about Robert confronting and “healing” core wounds
- A story about **Ultimate Freedom Awakening**
- A story that will include Robert sharing what he **Experienced** and **Saw** from deep personal **Experience** to help others ...

Because Ultimate Freedom Was Awakening ...

- The “insane” appearances were now being Experienced as ...
- **Appearances ...**
- **Not “Me”**
- No different than if it were happening to a character in a novel or movie
- Much more about this tomorrow ...

Then take you away and the abode of happiness reveals itself.”

None of this was new ...

**It was old stuff that had
always been there ...**

**Now “detoxing” and being
Seen for what it always was ...**

**By the way, this is a classic
“All is lost” stage in a great
story that we’ll go into later**

I was asked ...

All the scenes, all the words, all the actions, everything that appeared ...

Everything that seemed soooooo excruciatingly painful ...

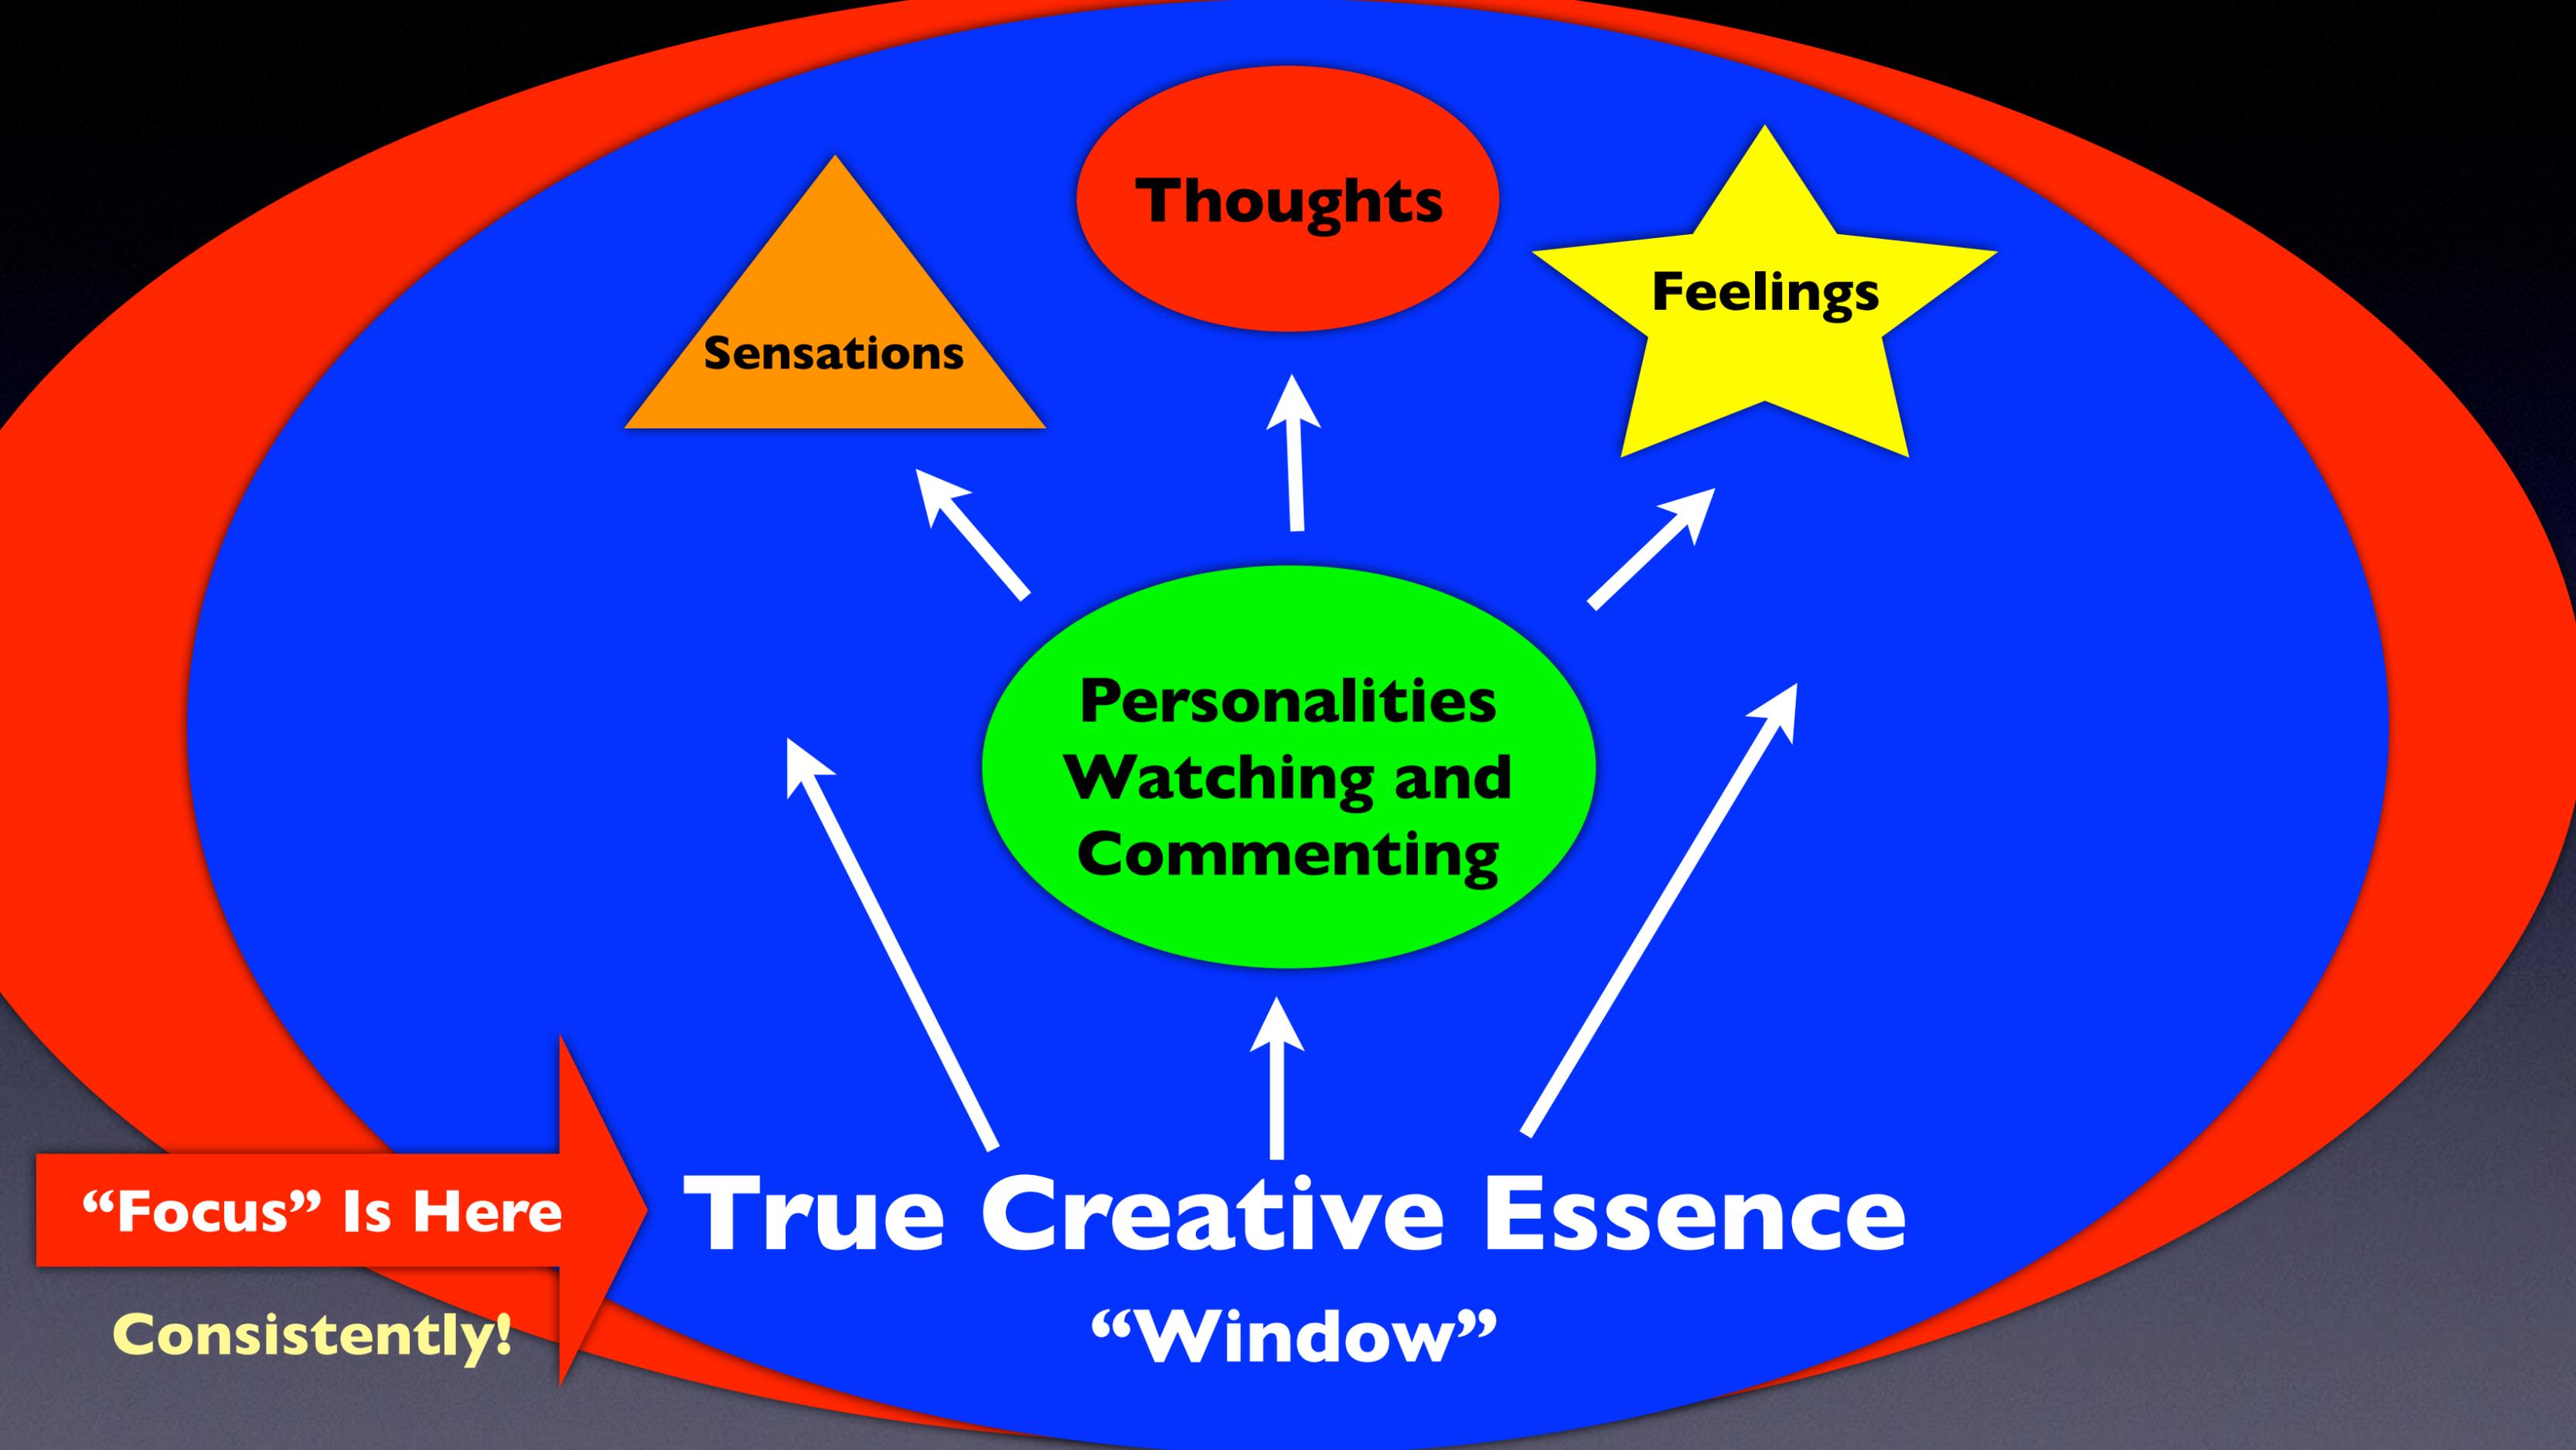

What was it all **really**?

**Was it really “haunting,”
“painful” and “traumatic”?**

**What do “haunting,” “painful”
and “traumatic” really mean?**

On and on it went ...

"Focus" Is Here

Consistently!

True Creative Essence

"Window"

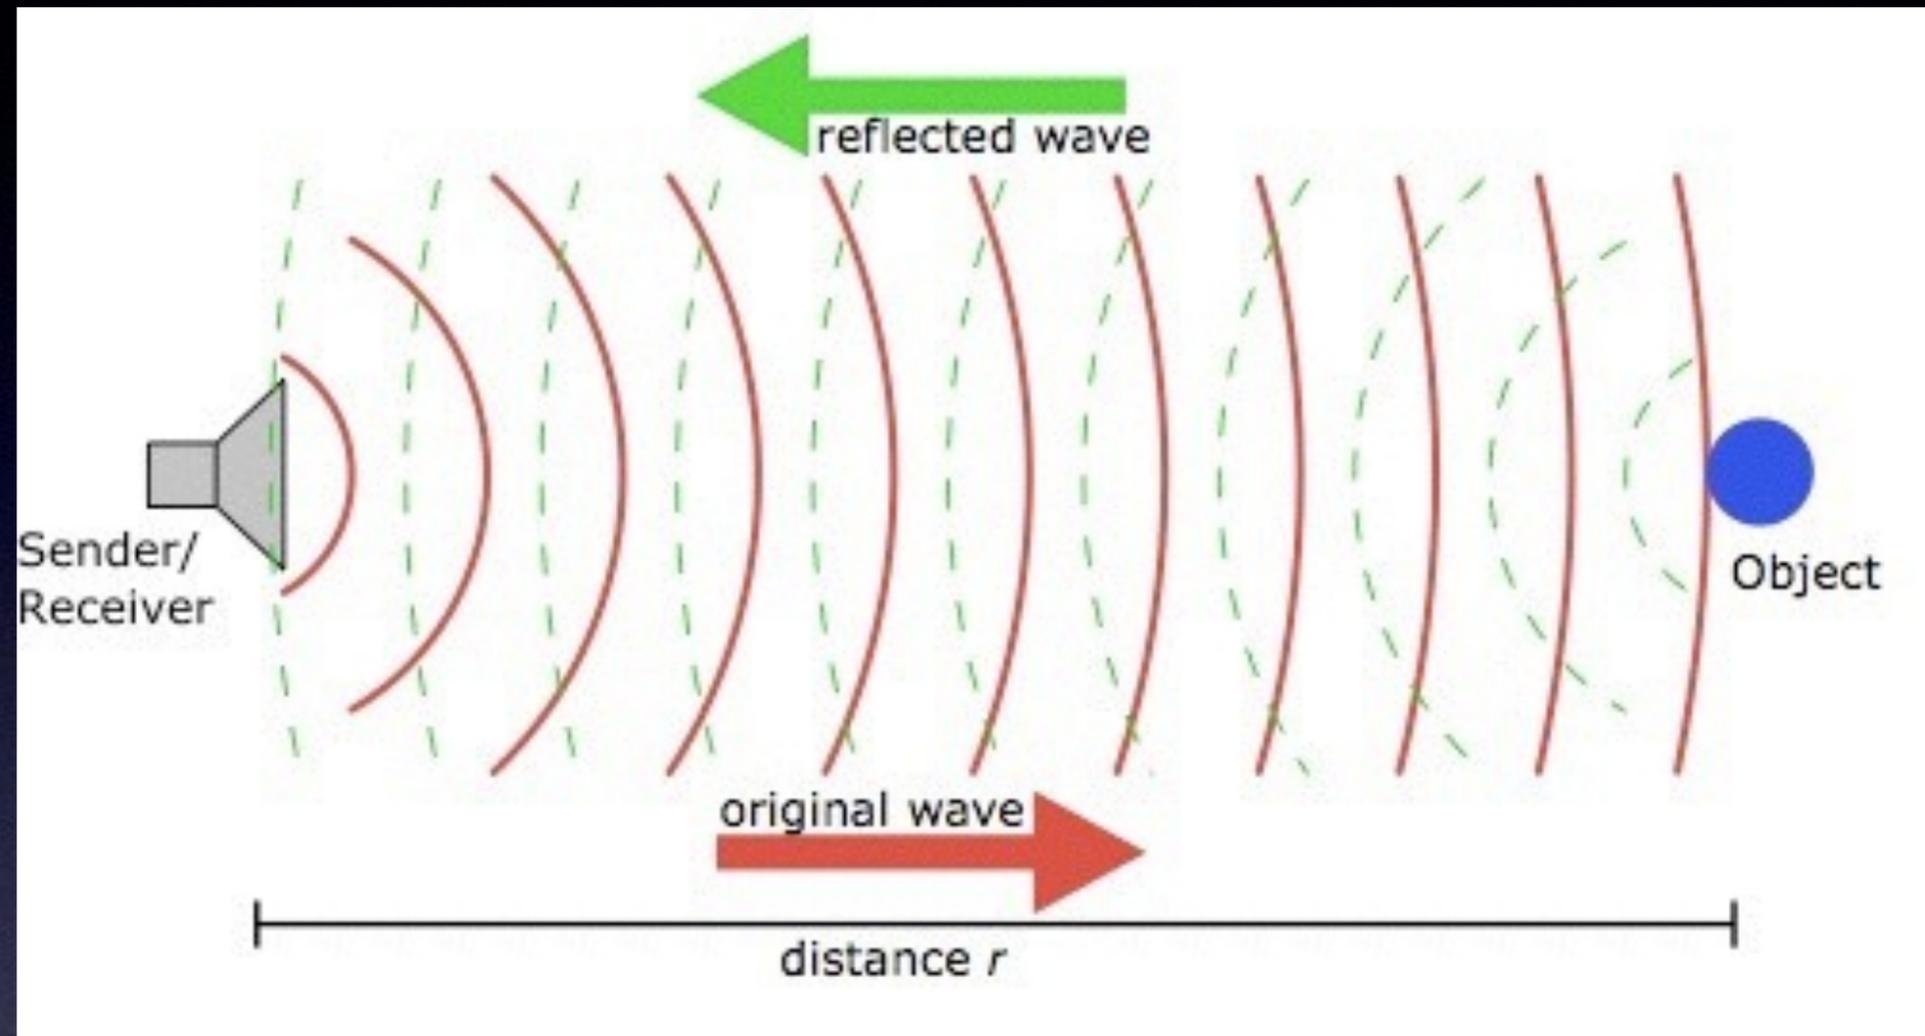

**With that “window” open, I
was taken on a Guided Tour ...**

It was very much like ...

A detailed illustration of a snowy Victorian street scene. In the foreground, a group of people in period clothing stands near a street lamp decorated with a wreath. A horse-drawn carriage is moving through the snow-covered street. The background features ornate buildings and a church spire under a falling snow sky.

Disney's A CHRISTMAS CAROL

IN THEATRES, DISNEY DIGITAL 3D™, AND IMAX® 3D.

I came to see that my wife was just the echo of the original “sound” from my birth and childhood

Wife's Behavior

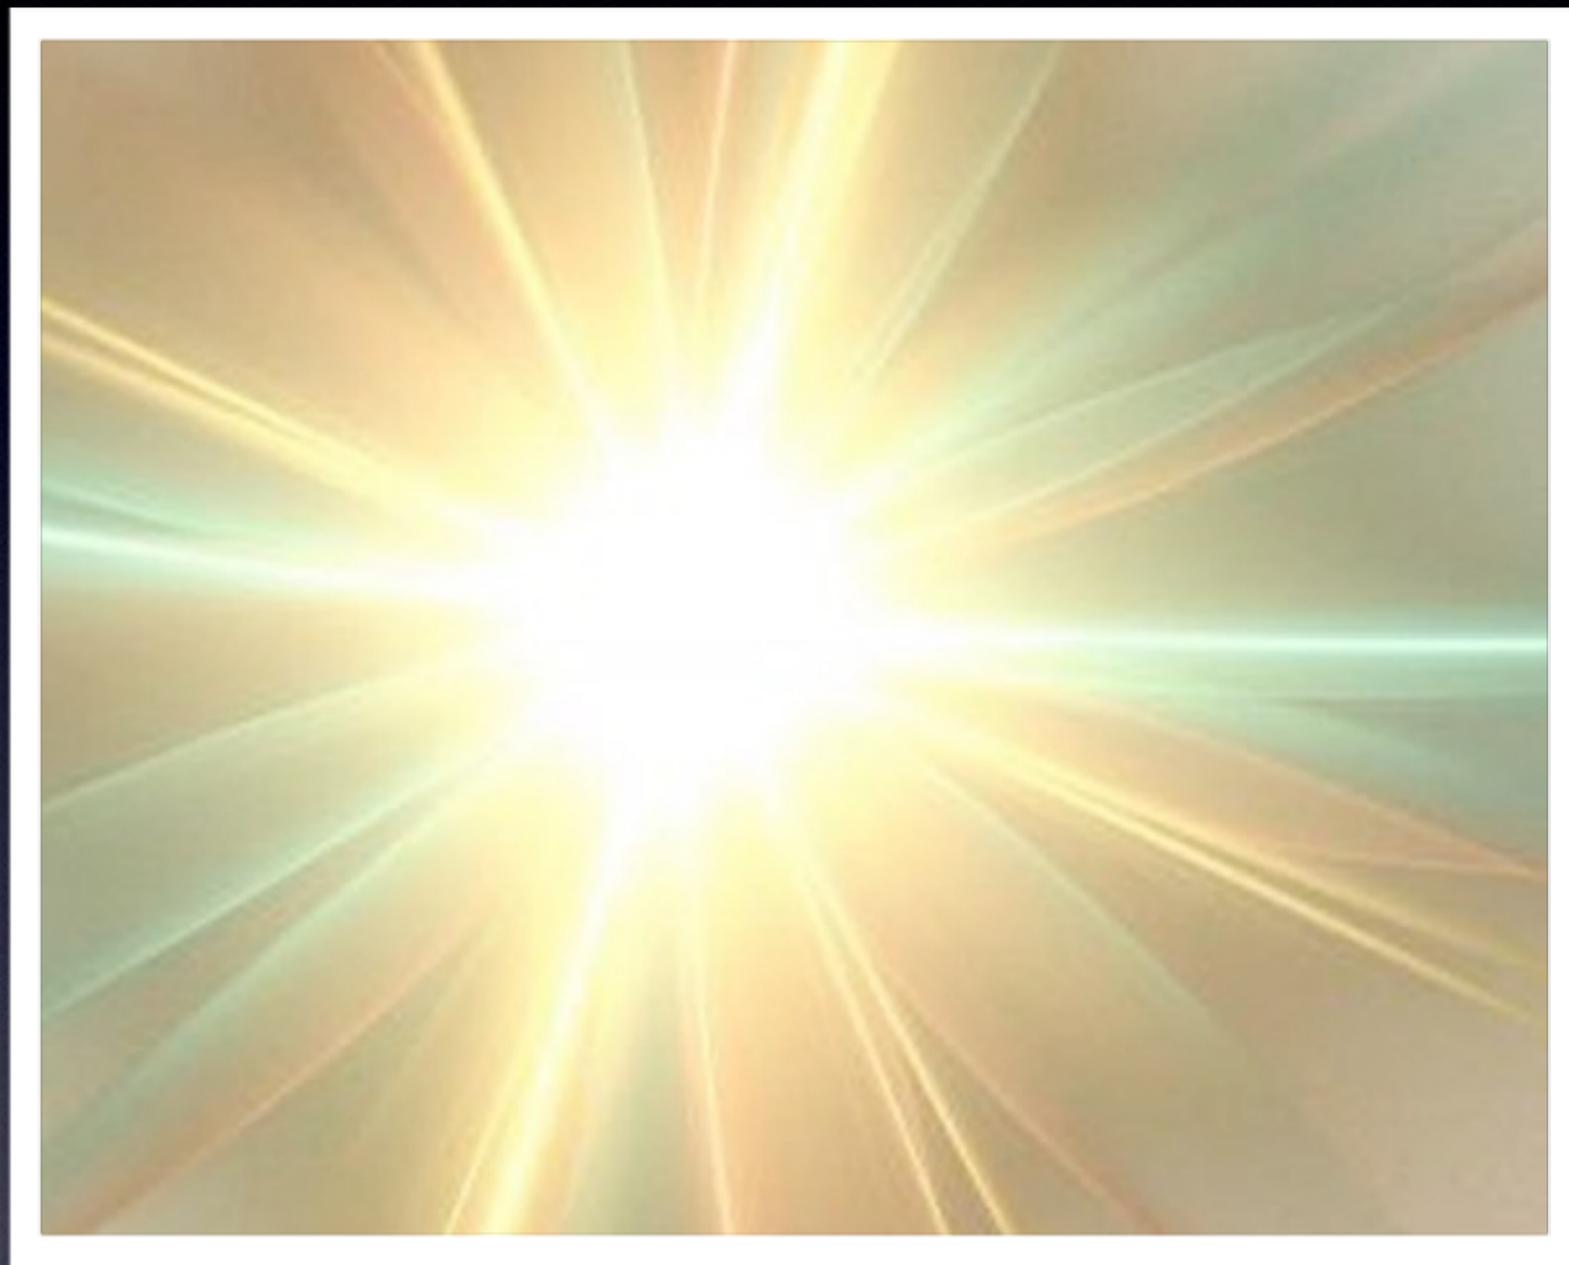

Mother's Behavior

That parallel never crossed my mind before ...

A stylized comic book sound effect graphic. The word "WOW!" is written in a bold, yellow, 3D block font with black outlines and shadows. The text is set against a light blue background that has a jagged, starburst-like shape. This blue shape is surrounded by orange and red pointed rays. The background features a halftone dot pattern: black dots on the left and red dots on the right, both fading out towards the center. The entire graphic is centered on a white background.

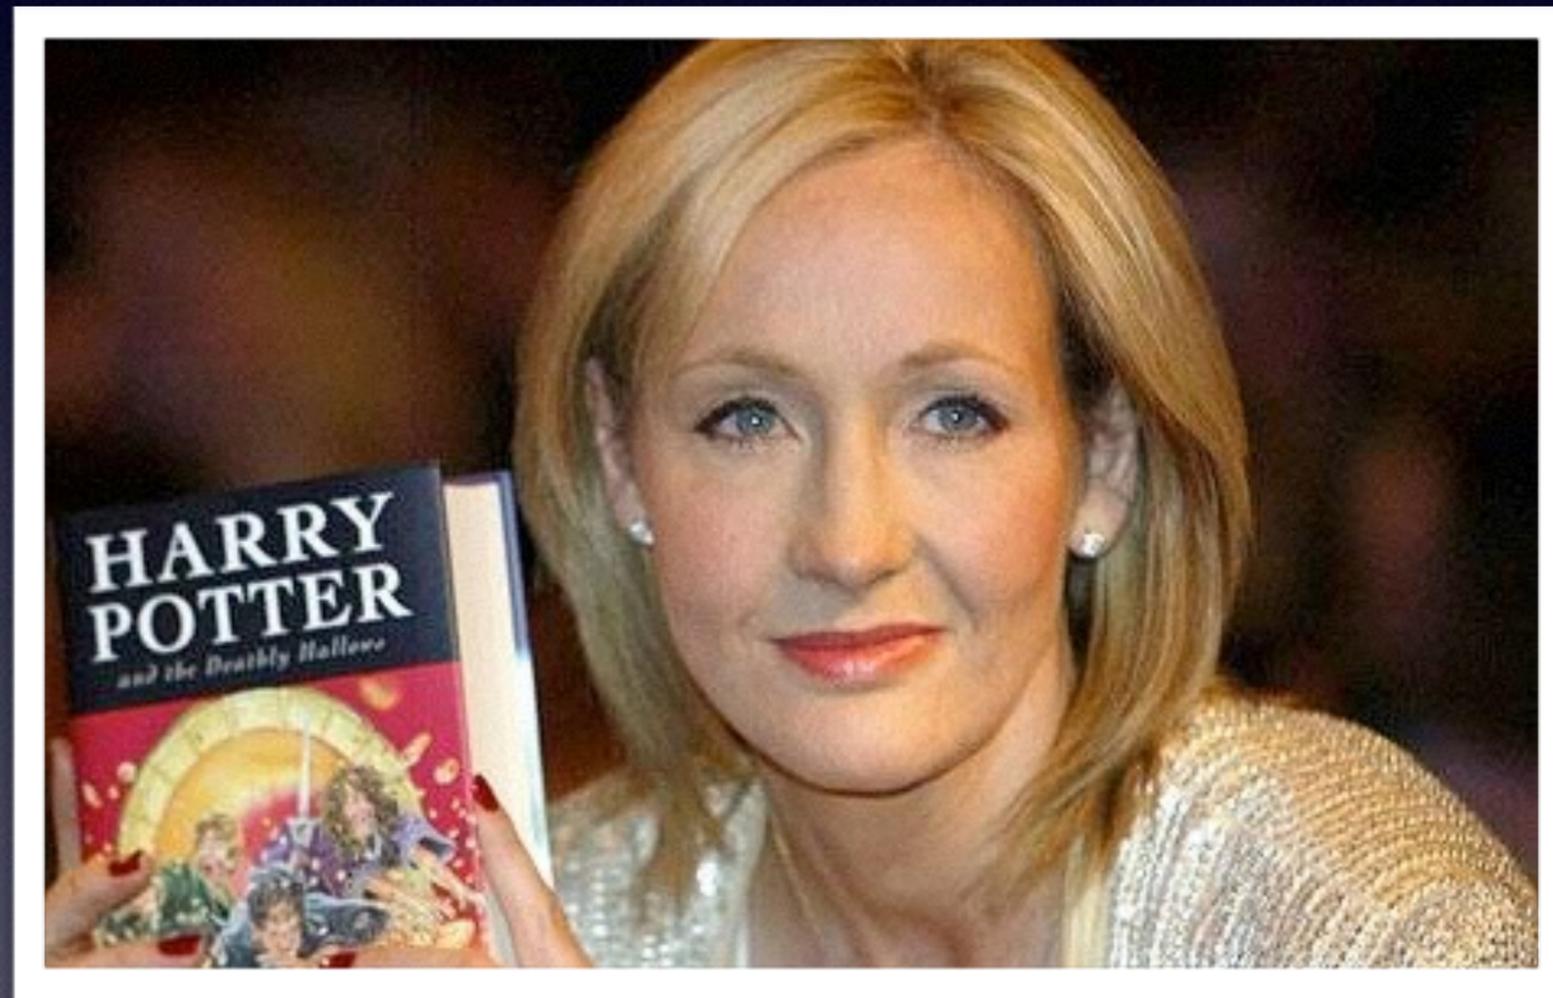

WOW!

I was Shown ...

**This is how
True Creative
Essence always
saw the Robert
character ...**

**This is J.K. Rowling, author of
the Harry Potter series ...**

**No matter what's happening
in the story, how does she
feel about ...**

Is J.K. Rowling ...

- Hating, punishing or torturing characters when tough stuff, even death, happens to them?
- No
- Is she “doing it” to anyone when tough stuff happens, like I used to feel about TCE and me?
- No

**What was she doing, then,
as she wrote the stories?**

**Playing, exploring, expressing herself
creatively ...**

**And joyfully shaping herself into a story
that included many characters, elements,
interactions, fights and battles ...**

**I was Shown it was the
same with Robert ...**

I was also Shown...

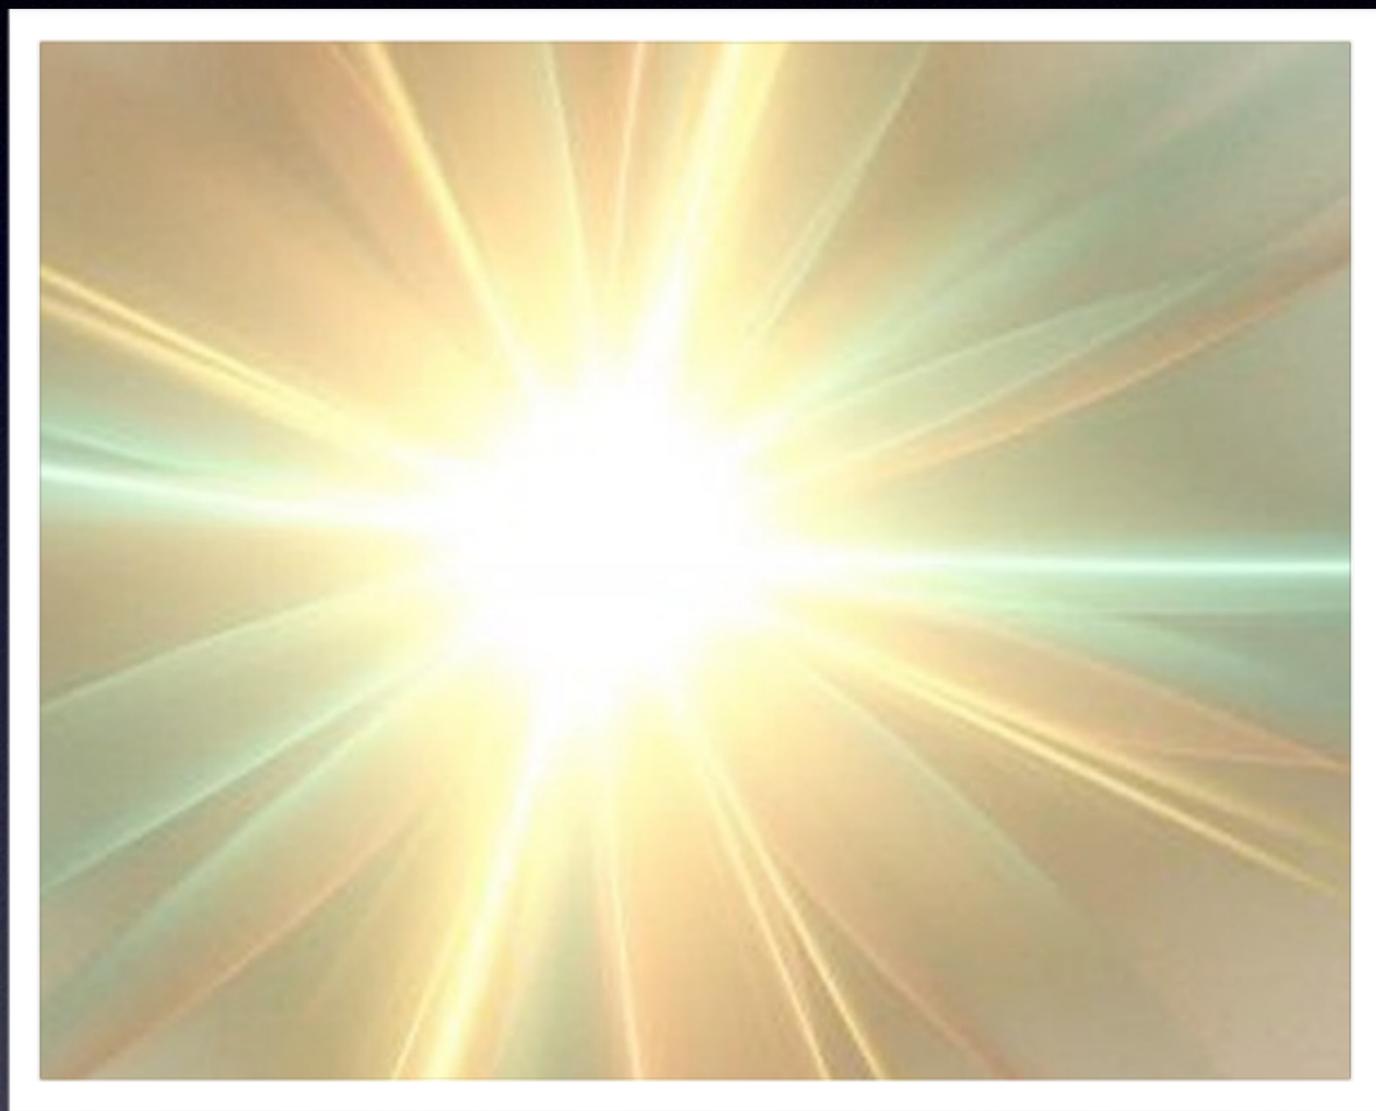

**This is also how
my family saw
the Robert
character ...**

In the story, it was the **Beauty**,
Bright Light and **Power** they
saw and sensed in Robert ...

That caused the “problem” ...

**Not “ugliness” or “badness”
or “wrongness”...**

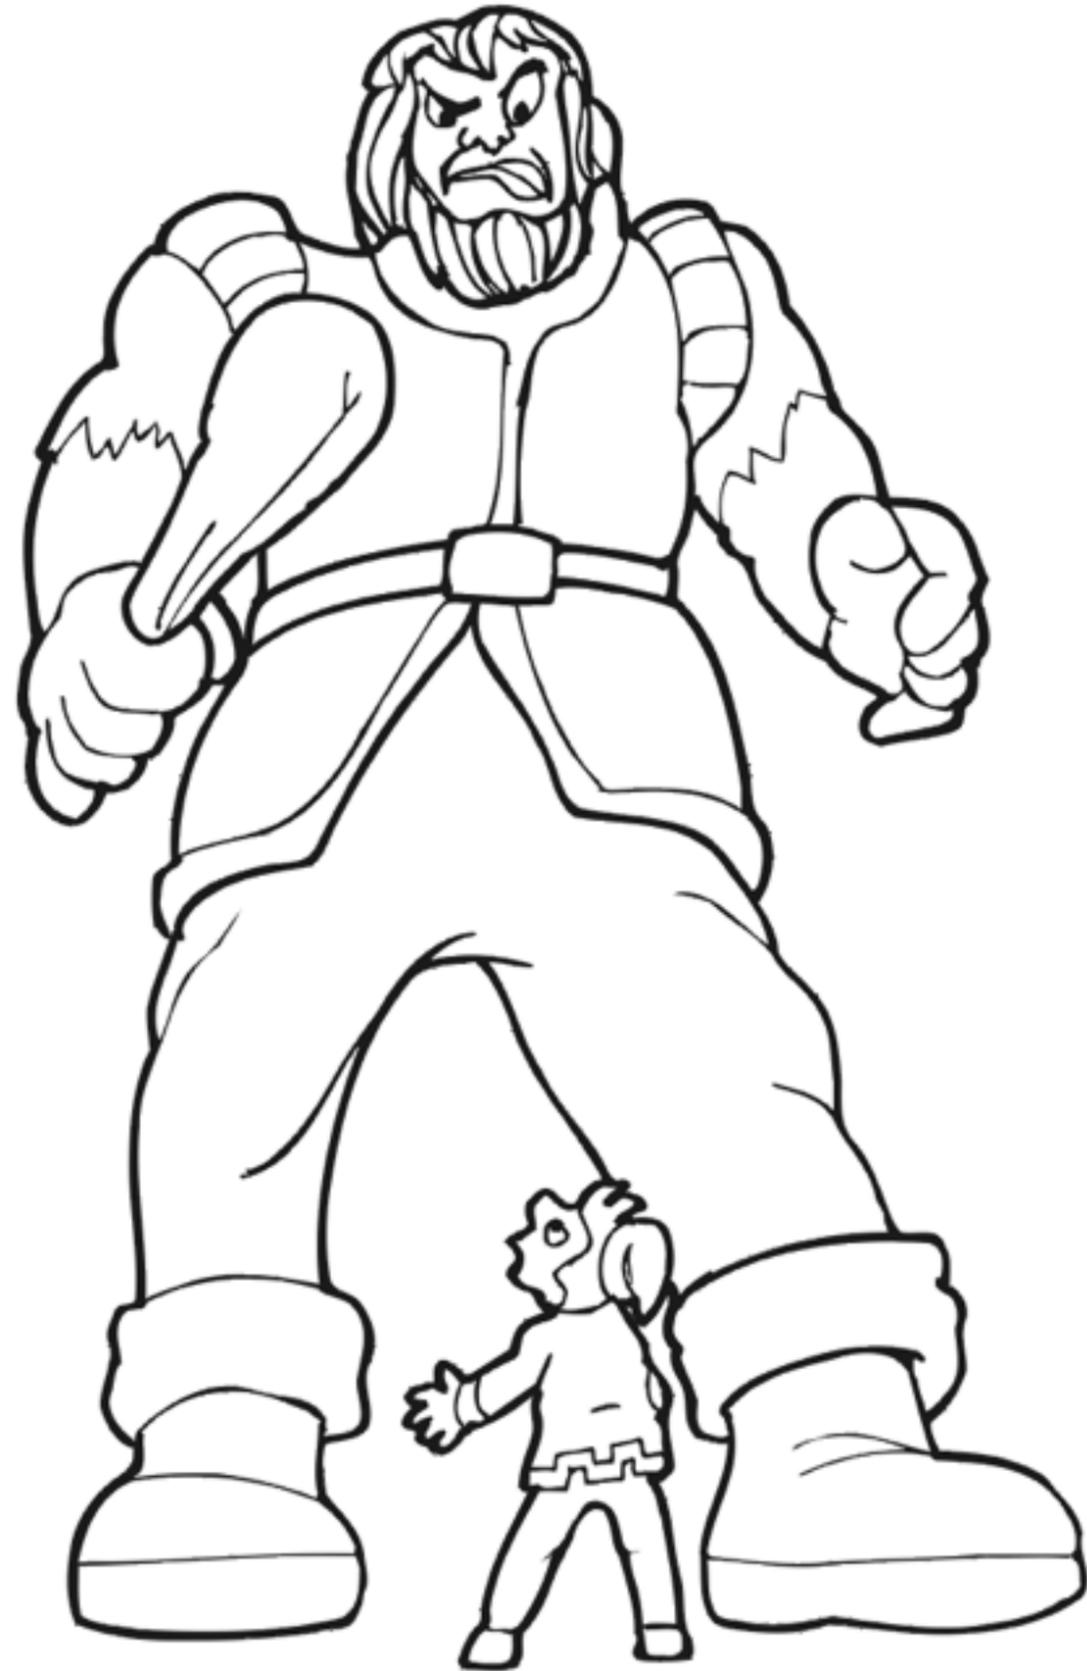

I was also Shown...

**This is also how my
wife saw the Robert
character ...**

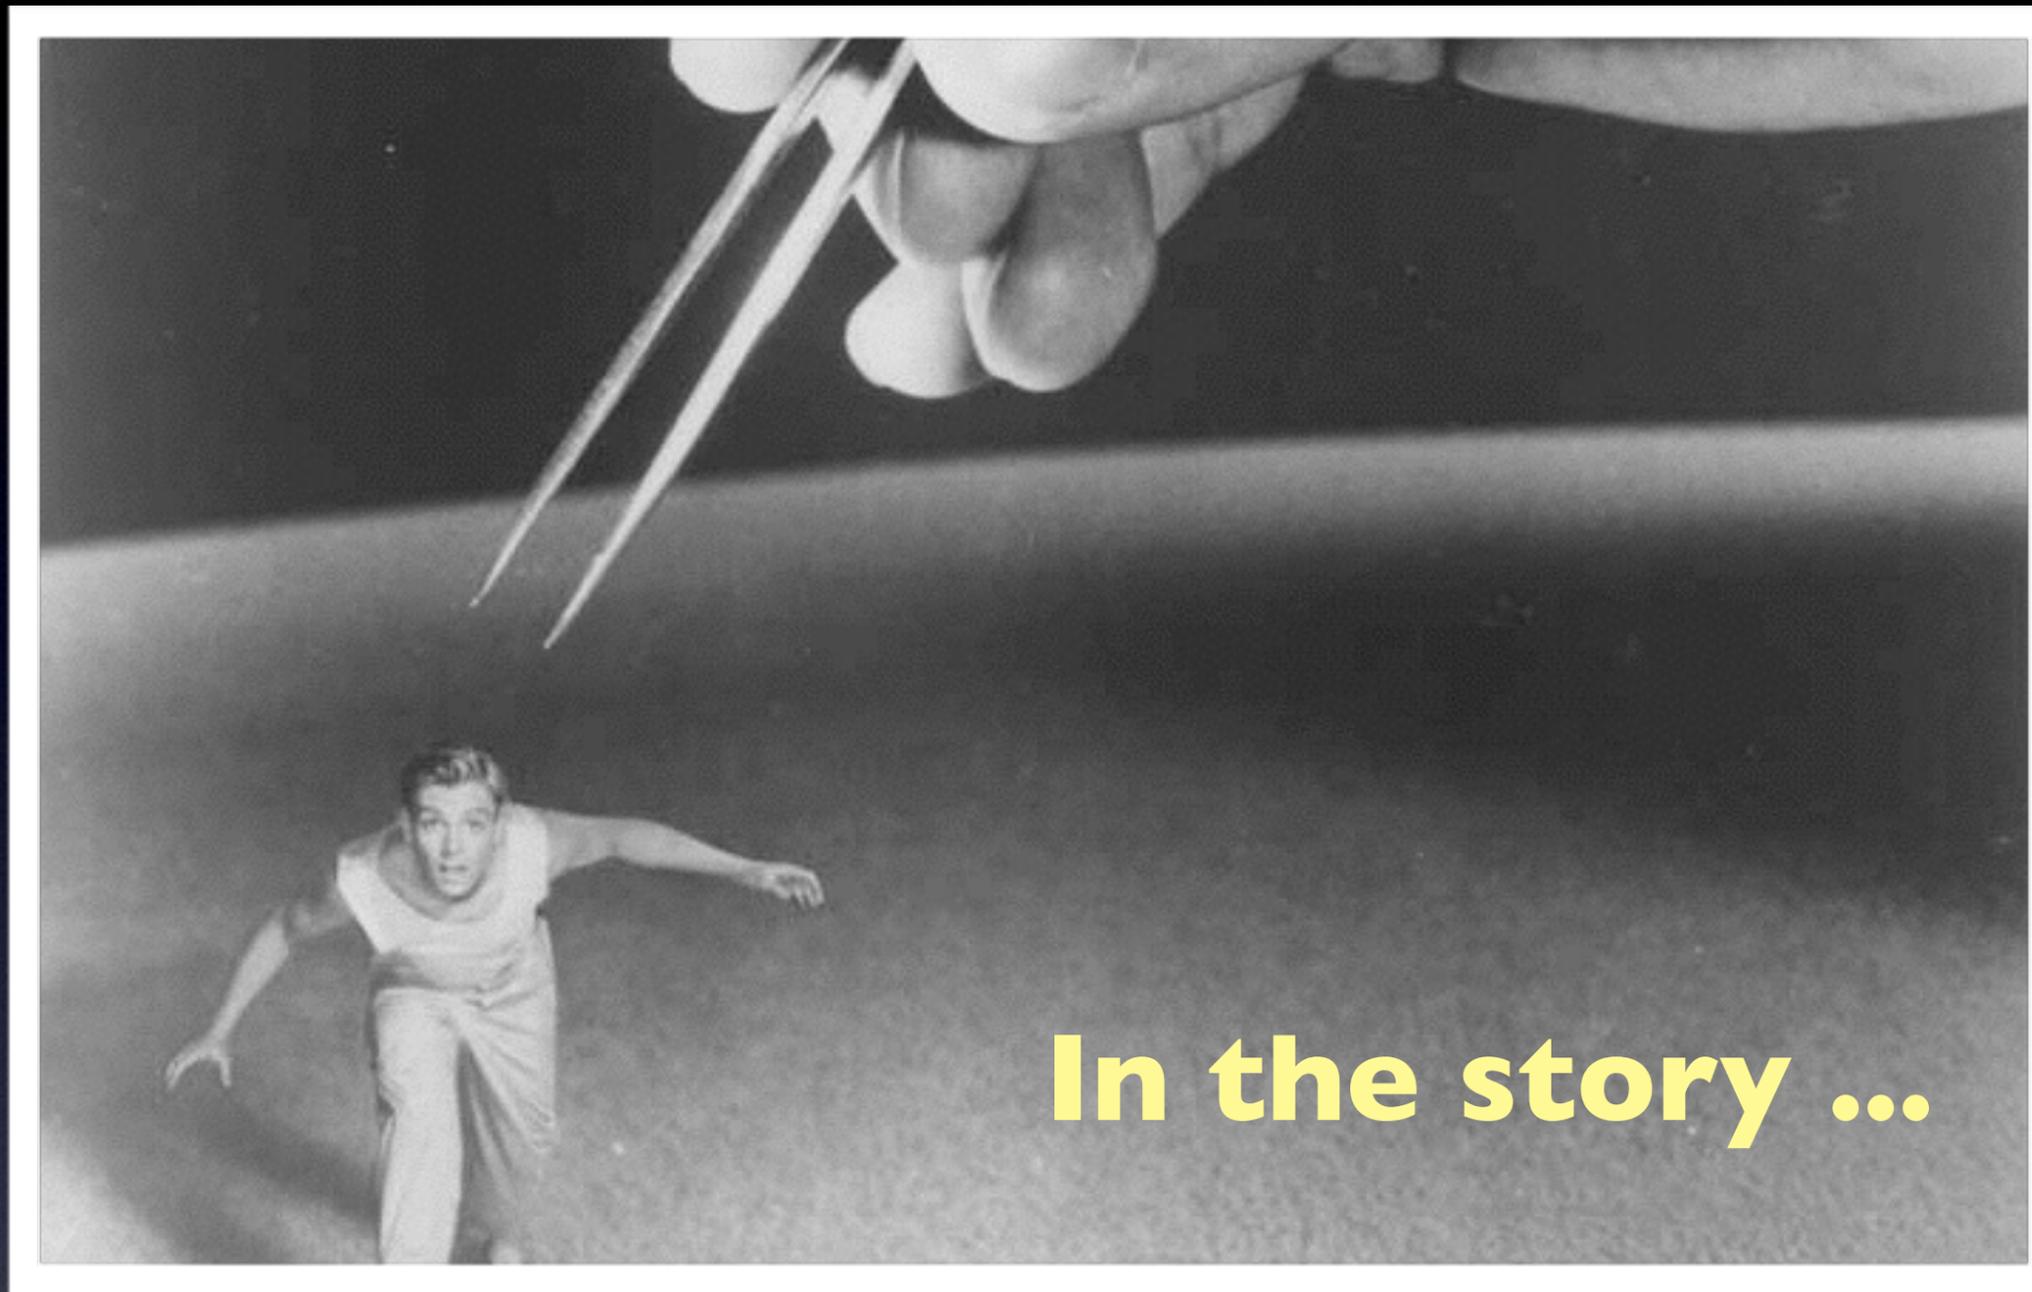

But in simple terms ...

That translated into ...

“Robert is big and powerful which makes me feel small and weak ...

And I don’t like feeling small and weak ...”

In the story ...

Since one of her personalities preferred me “small,” that’s what she tried to create ...

I was also Shown...

That the self-punishment program was just
another program in Robert's Mind Machine ...

That could be deleted by The Truth Virus ...

And it ultimately was ...

**I Experienced the original
“knife” being pulled out ...**

**“I” came to See clearly how the marriage
“nightmare” was just an unfolding story
with the two of us as the stars ...**

**A story about exploring a complex relationship
that was disintegrating and transforming ...**

**As one character “healed” and moved more
deeply into Truth, while the other one did
not ...**

**I began to See that even if my wife
had given me what I wanted and was
starving for all those years ...**

**Love, approval, acceptance, connection,
kindness, support, passion, etc.**

- **It wouldn't have mattered ...**
- **Robert's wounding and the setup of The Mind Machine wouldn't have allowed him to accept or believe it ...**
- **Plus, "she" wasn't really saying, doing, not saying, or not doing anything ...**
- **"I" didn't really see, hear or experience anything ...**
- **It was just two characters in an amazing story ...**
- **The presence or lack of anything was just appearance, just drama and story details ...**

Would it really matter or mean anything ...

**If someone offered Harry Potter love,
approval, acceptance, connection, or kindness
in the stories?**

Or if Voldemort had apologized to him?

No!

Why?

**Harry is just a fictional character
in a fictional story ...**

Hmmm...

**This is NOT meant to minimize
or devalue any appearance in
The Human Story ...**

**It's just telling The Truth about
it which is what this Experience
is all about ...**

“I” came to See that the financial, business and career appearances were another part of an unfolding story in which ...

The raw material of what looked like “failure” was just “raw material” being shaped to support ...

The full Awakening of Ultimate Freedom

“I” came to See that part of the anger directed at my wife, my mother and family, at The Story Level, was really ...

Robert’s anger at himself for “taking it” and allowing himself to stay small and be “abused” for so long ...

A new and deeper kind of “compassion” opened in Robert ...

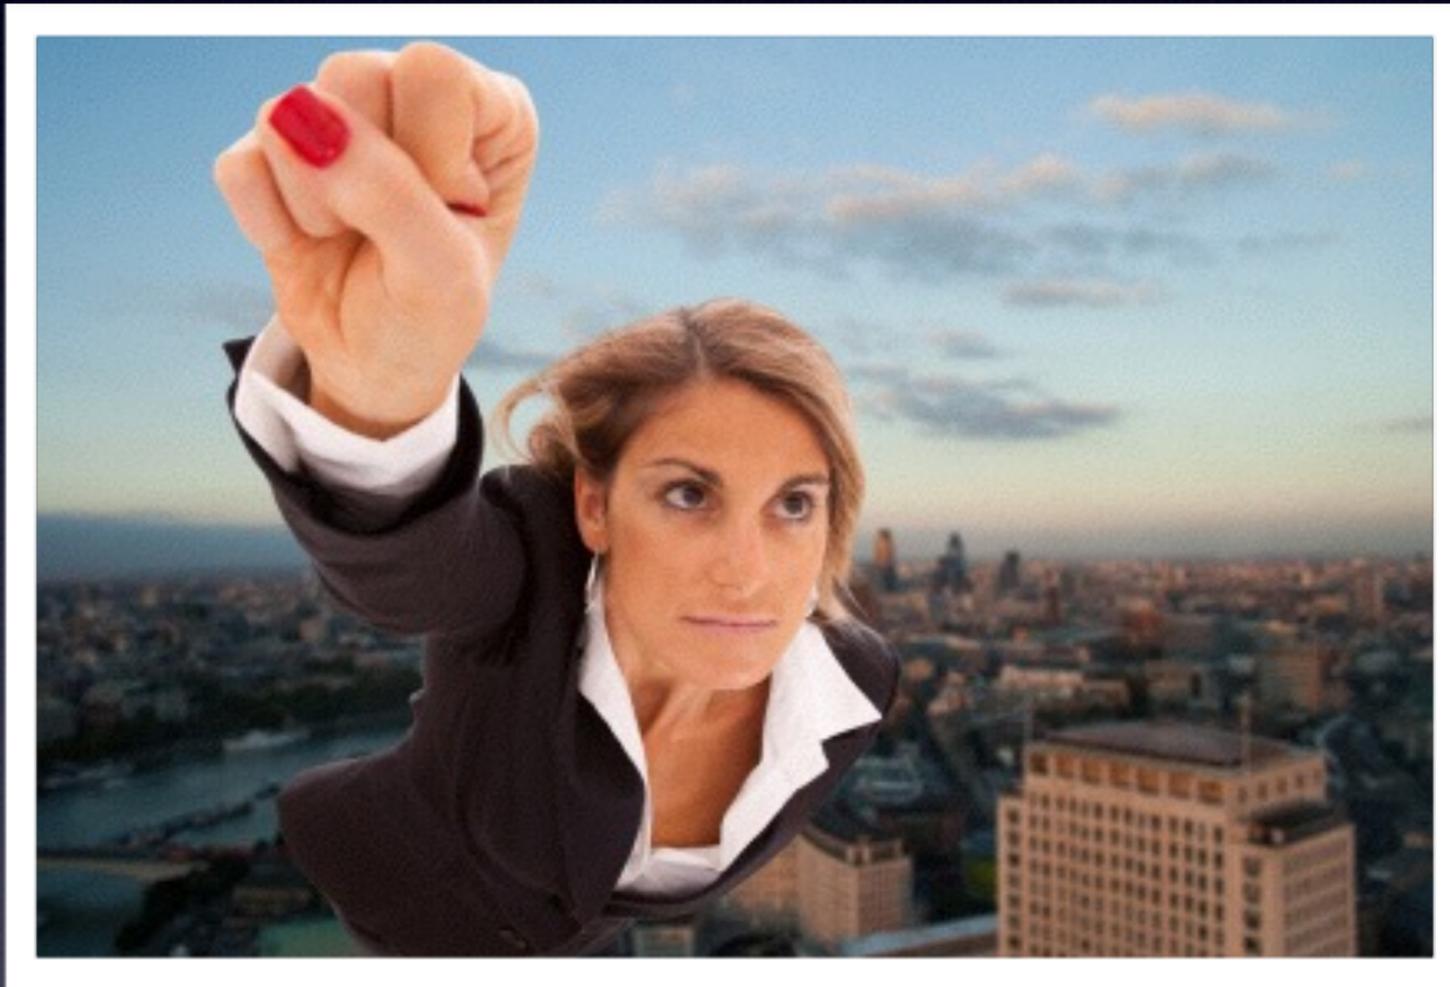

I was also “told” ...

**That another layer to the True
Cause of the financial “tightness” ...**

Was related to my divorce ...

It was time for her to ...

**You should know that I love her
beyond words to this day and will
be eternally grateful ...**

**For the many blessings our scenes
in my story gave me ...**

**Including support for Awakening
Ultimate Freedom which is priceless!**

Truth Is ...

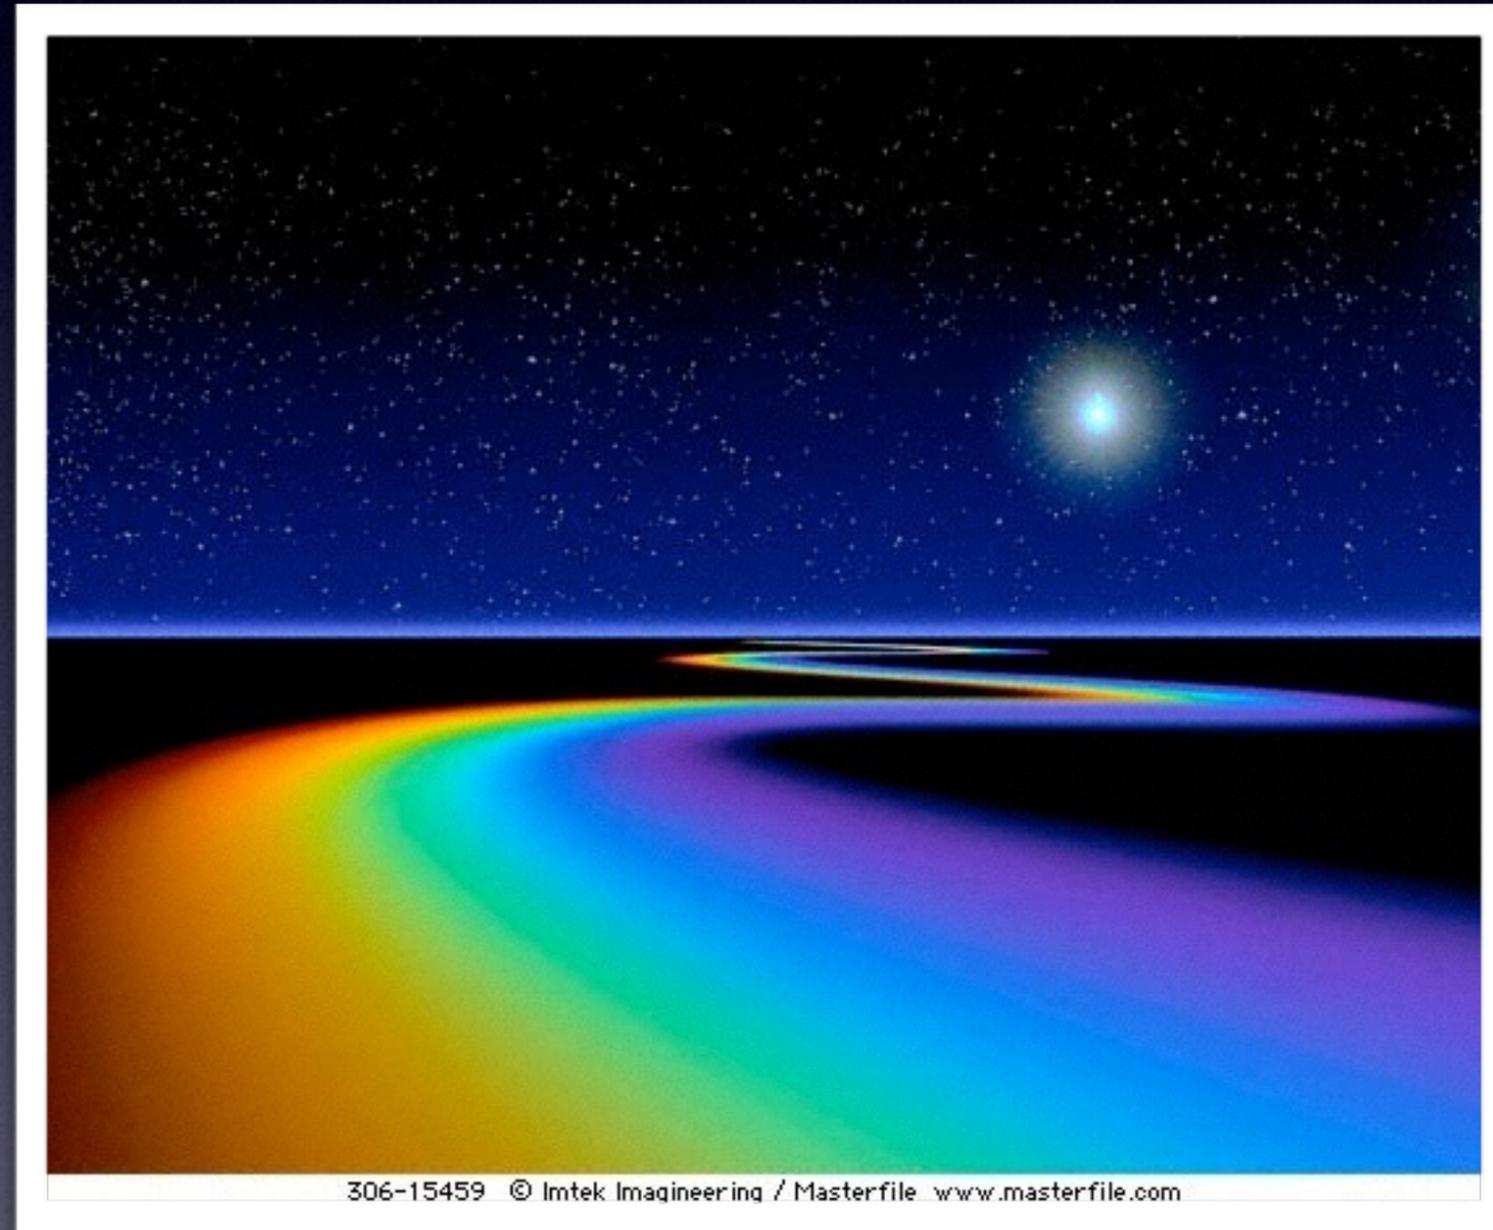

**She was a brilliant
“actress” playing
a tough role in an
extraordinary
story ...**

**Through all of this, The Mind Machine,
the personalities that appeared, and all
of Inner Space got “re-calibrated” ...**

As a powerful strain of The Truth Virus rocketed through it ...

**Ultimate
Freedom
Was Fully
Awake By
Then ...**

It's impossible to describe ...

But the feeling of it ...

The sensations ...

**The Experience of The Truth
Virus doing its work ...**

**And slowly but surely seeing
BIG changes in Inner Space
and Story Space ...**

Appeared ...

**“I Didn’t Know My Own Strength”
by Whitney Houston ...**

It was like The Truth Virus was saying, “Look, Robert, see how The Mind Machine used to work” ...

“Look at the thoughts, feelings, and stories that used to appear” ...

“Look at the personalities that used to appear, what they said, how they reacted” ...

**It was like The Truth Virus then
said ...**

**“Now, watch me make a few
changes to The Mind Machine” ...**

“Now, see how it works” ...

One of the most fascinating changes to see was Robert starting to say ...

No!

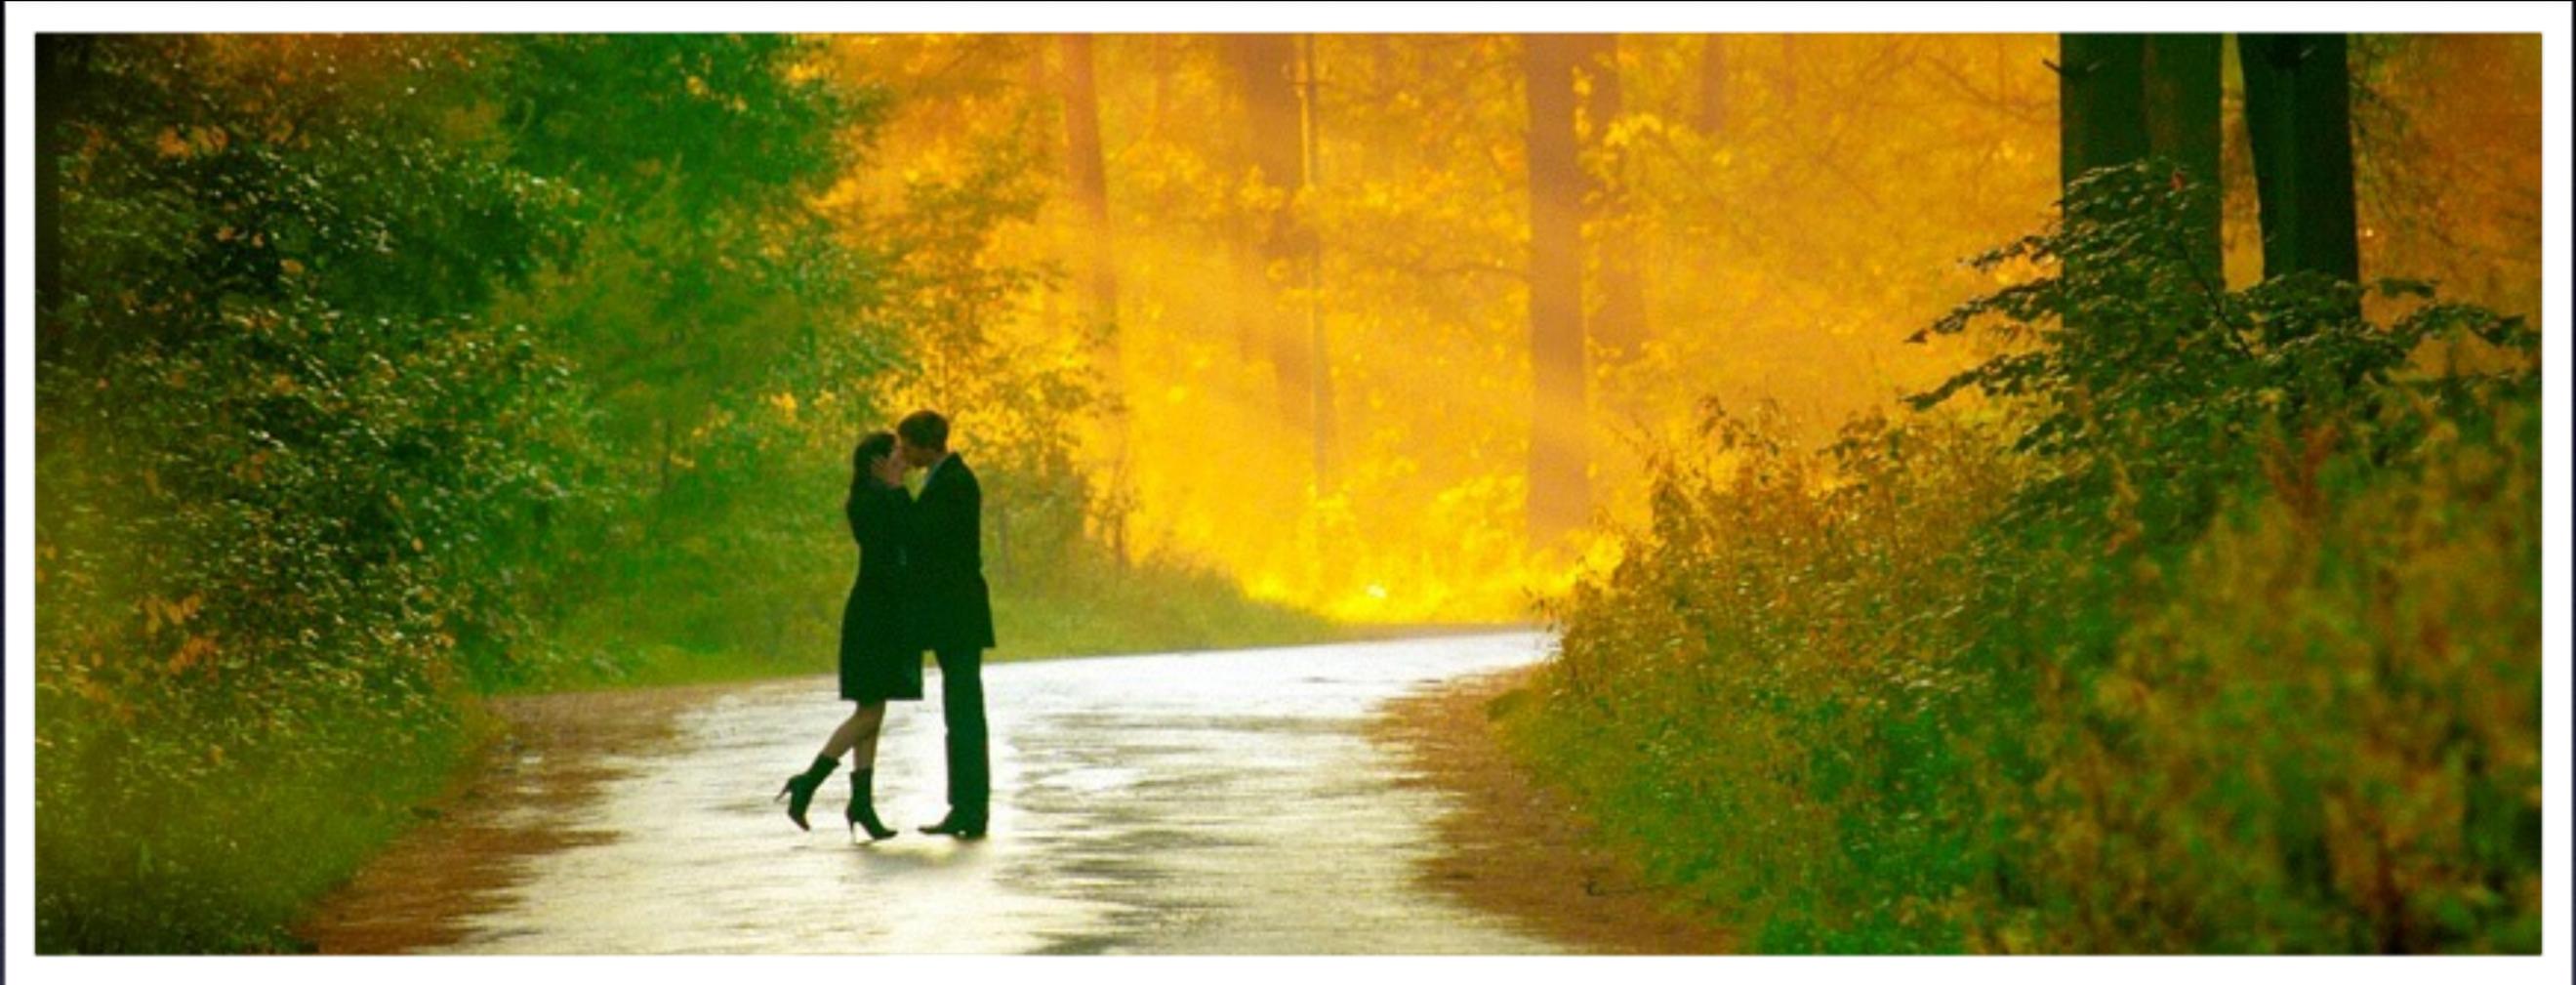

**The “tour” and the changes
are continuing as we speak ...**

**A final dotting of many I's and
crossing of many T's is still in
the works ...**

As ...

As we speak, there's an explosion of new activity and movement, personal and professional, appearing ...

Including a new partner

**A “vision” of some of it has
appeared ...**

**Which may or may not be
accurate ...**

**Since Robert is no longer the
“doer” ...**

**And Perception is now through
the Ultimate Freedom Window ...**

**The daily unfolding of the story
will reveal what TCE “wrote” ...**

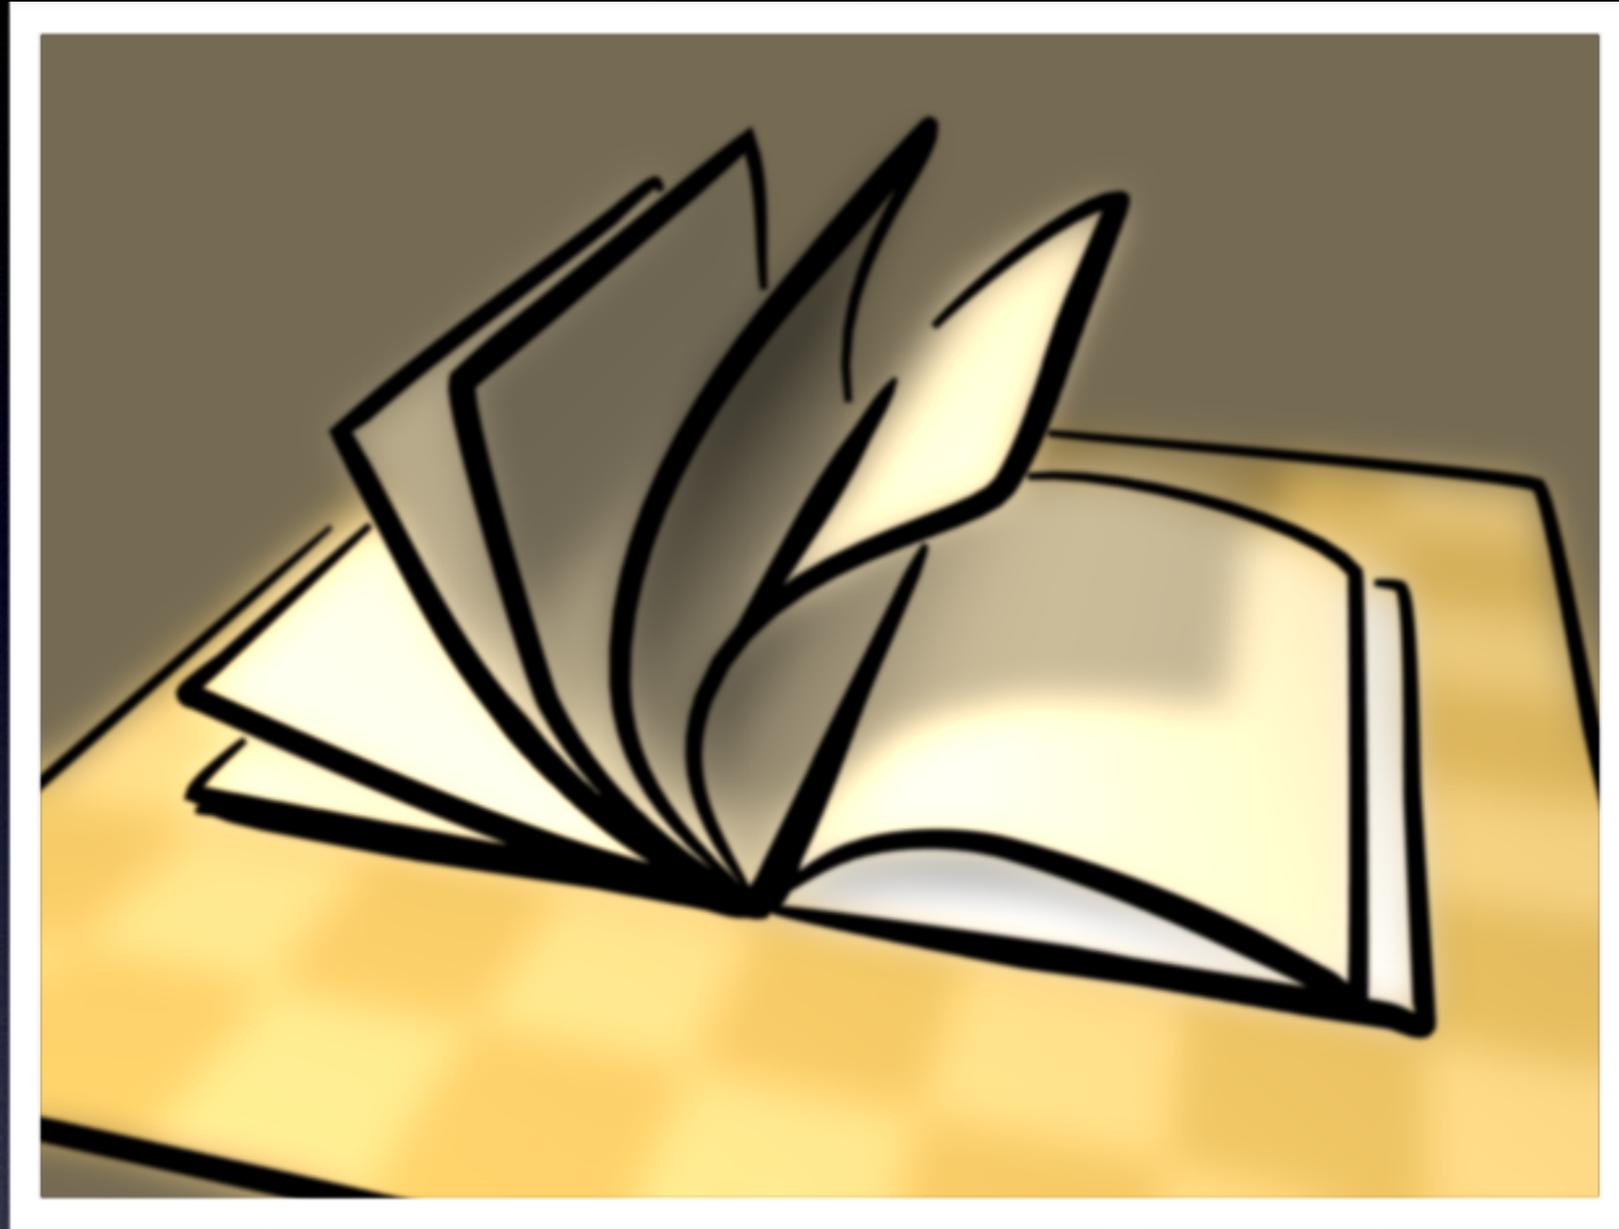

More on that tomorrow ...

I expect most of what unfolds to be surprising and unexpected ...

It no longer “matters” to “me” ...

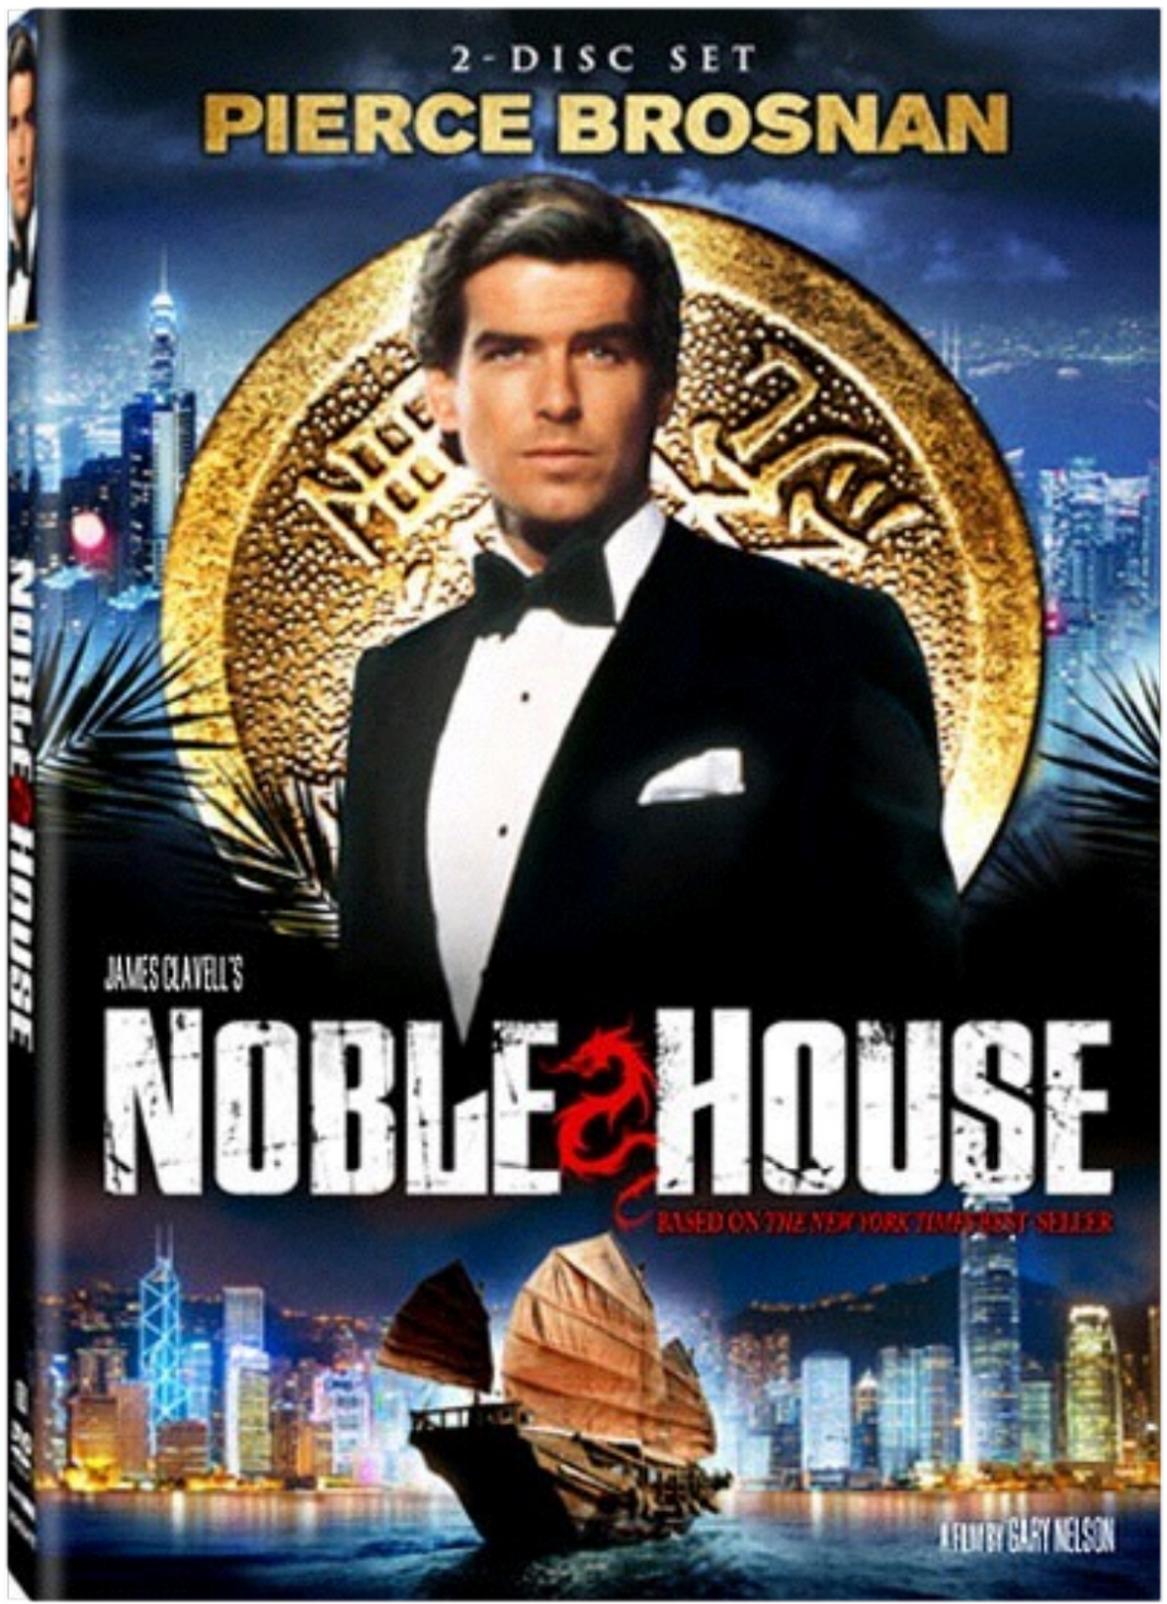

**Robert’s story has been and will
continue to be an amazing story ...**

**The pages are being turned
and will continue to be!**

NOBLE HOUSE

**Ultimate Freedom is
right here, right now ...**

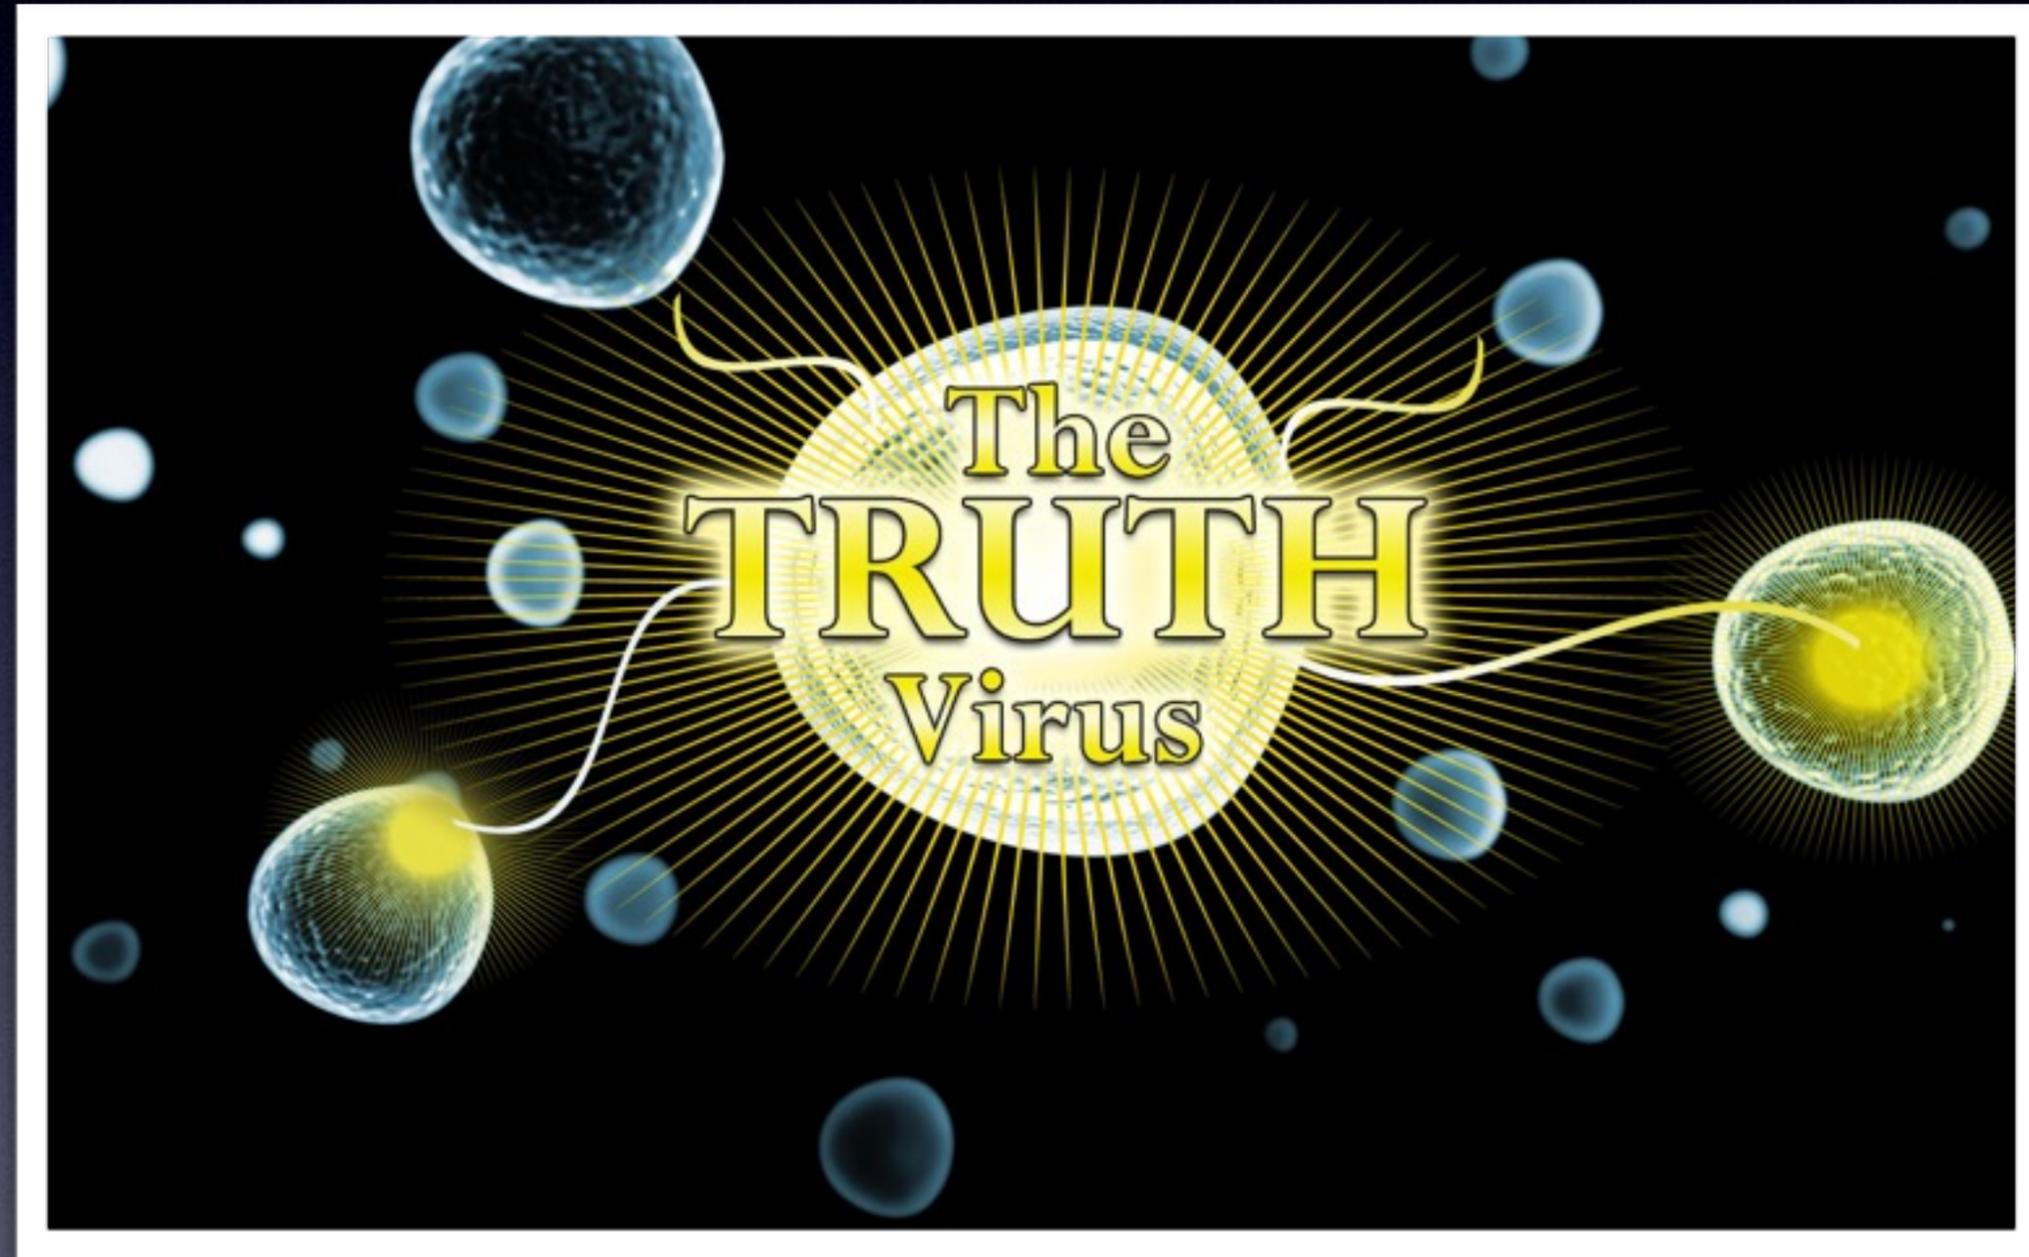

For “your” story too ...

**We'll go into this
in greater detail
tomorrow ...**

**From a mind blowing
new perspective**

Revisiting ...

**The Truth Virus modifies
the database, programs,
and algorithms of ...**

The Mind Machine

**Which results in The Mind Machine
being given a new job ...**

A new role to play ...

And a new way to play it ...

It's happening right now

**It has been happening since
you got here ...**

(and maybe even before)

Going deeper into “stories” ...

With Stories You Love ...

- You identify with and are bonded to the main character/hero
- But you're not the main character
- You know you're not him or her
- You have thoughts and feelings about the unfolding story that come and go quickly as you flip the pages
- Little if anything in the story is dwelled upon after it happens
- You know it's just a story ...

Hmmm...

**What if
“your” life
was lived
that way?**

With Stories You Love ...

- You don't try to change anything ...
- Because you know you can't
- You may have occasional thoughts you wish you could change things, but they don't last
- You don't really worry about the future of the characters
- If there's any concern, it appears and disappears quickly
- You keep turning the pages and the story moves relentlessly forward
- No matter what The Mind Machine might prefer

Hmmm...

**What if
“your” life
was lived
that way?**

- If there's "pain," "hardship" or "suffering" in a story ...
- If there are scenes that are difficult for you to experience ...
- You experience and feel it ... all of it ...
- But it comes and goes quickly as the story unfolds
- "24" example ...

Hmmm...

**What if
“your” life
was lived
that way?**

- Do you make anything happen when reading a novel or watching a movie?

- **No**

- Do you ever try?

- **No**

- It never even crosses your mind

Why?

**You have no control over anything
in a great novel or movie ...**

You know it ...

And it's not a problem

**You just sit back and enjoy
the story!**

Hmmm...

**What if
“your” life
was lived
that way?**

In Stories You're Riveted By ...

- You have an intimate relationship with the characters
- But it's also a limited relationship ...
- There's a HUGE distance between "you" and "them"
- You see everything in their Story Space
- But you only get slight glimpses into what's appearing in their Inner Space

**That's one of the GREAT
blessings of The Human
Story ...**

**“You” get to be aware of everything
happening in Story Space ...**

AND

**Everything appearing in Inner Space
for the Hero (“you”)**

**It's a Total
Immersion
Experience**

In A Novel You're Riveted By ...

- Do you ask the author to tell you what's going to happen?
- Do you ask the author, "Why did you ... ?"
- **No to both questions**
- Do you skip ahead to see what's going to happen?
- **No, not if you're loving the story**
- You want to be surprised because that's more fun ...
- You may wonder what's going to happen, but it comes and goes, and you keep turning the pages, anxious to find out

Hmmm...

**What if
“your” life
was lived
that way?**

- Harry Potter wanted to defeat Voldemort in the first book
- It didn't happen until the end of the 7th book
- A lot had to happen first
- It didn't matter how badly he wanted it, what he did, how hard he tried, what sort of "technique" he used
- The story is the story ...
- It unfolds as written
- Just like "your" story

- Can Voldemort hurt you as you read the books or watch the movies?
- No
- Why not?
- Can you or anyone else Truly be hurt in “your” story?
- No
- Why not?

- Do Harry Potter's thoughts and feelings and what's happening to him drive you crazy as you read ...
- Like the same sorts of things would drive you crazy if they appeared in "your" story?
- Nope
- Why not?

- Does Harry Potter appear to have free will, the ability to act and choose?
- Yes
- Does he really have free will?
- Nope
- Hmmmm ...

Reading A Novel ...

- What is a book?
- Black words on white paper
- Symbols for “energy” beneath and behind them
- There are no people, places, things, emotions, sensations or actions on the pages
- Your imagination translates the energy and makes up a world that gets projected into Inner Space in your imagination

Reading Handout

As the **Reader**
of the story...

- **Where did the action take place?**
- **How did it get “there”?**
- **Where were “you” as the action unfolded?**

- It was very intimate but there was also distance and a limited experience of Inner Space, correct?
- Did you experience emotions?
- Did you experience sensations in “your” body?
- Were the emotions and sensations labeled and judged?

Hmmm...

**What if “you”
experienced
“your” life as
the Reader of
your story?**

It really can be the same exact thing ...

For all the Inner Space And Story Space appearances in “your” story ...

The Human Story Moves Relentlessly Forward ...

- There's talk about past, present and future
- There's talk in spiritual circles about “be here now” and “stay present in the moment”
- You can't do anything else! +
- You don't have to do anything for the story to move forward
- It moves relentlessly forward with a life of its own ...
- You can't pause it or stop it or close it or shift its direction ...
Truth Be Told

**41 Years In 60
Seconds**

1966 - 2007

**Read any biography and you'll
see the relentless
“intelligent” unfolding of an
amazing story ...**

**What most people don't
want to hear ...**

**But which, to my Seeing, is
Truly super good news ...**

“Your” Story ...

- Has already been written, like a novel, movie or TV show
- Appears to unfold over time to you, page by page, second by second, but it's already “in the can”
- **If a character in a story says, does, feels, thinks or experiences anything, what has to happen first?**
- It seems like characters in stories are thinking and feeling and doing and deciding ... but they're not
- It's all The Author/TCE playing, exploring, expressing creatively

**Questions people often
ask me ...**

Comments I often hear ...

**“Why would True Creative
Essence enjoy a story It already
knows the ending to?”**

- “You” will never KNOW what TCE’s Perspective is
- It’s impossible (I’ll tell you a cool story about this tomorrow) ...
- But here are 4 pieces of “food for thought” ...

1. If you read the script for a movie, it's nothing like the actual movie itself when it plays on the Big Screen ...
2. An actor doesn't have the same experience reading a script as when actually playing the role ...
3. Architect example ...
4. **When Ultimate Freedom awakens, what you Experience is TCE's Pure Enjoyment of everything!**

- “If I was reading a novel about my life, I wouldn’t keep turning the pages”
- “I’d close it and never open it again”
- **I hear you!**
- I’ve been there
- And ...
- That’s The Mind Machine talking, not “you” or True Creative Essence

**True Creative Essence,
who you Really Are, is
riveted by “your” story!**

**The Art Of Storytelling
“The Visible Journey”**

- If what he shared is what makes a great story for us to watch ...
- If what he shared is what makes a great story for us to read ...
- It makes sense that this is how True Creative Essence would “write” great Human Game Stories too ...
- And if we look, we See that’s exactly what happens in “our” lives ...

- Can you see how important emotions in Inner Space are to great stories?
- You don't want emotions to go away
- Or even reduce in volume or intensity (not really)
- The stages he talks about can extend through an entire lifetime
- Or can repeat in cycles as we grow older

Hmmm...

Consider what Sol Stein, a master editor of some of the most successful writers of our century, wrote about the art of crafting truly compelling fiction ...

“When the baseball, football, or basketball season is at its height, a considerable portion of the American male population and a not insignificant number of females deploy hours away from work watching their sport on television.

What the baseball fan, for instance, hopes for, consciously or not, are the moments of tension and suspense when a ball is hit but not yet caught, when a runner is headed for a base and has not yet reached it.

The same applies to other sports as well. The spectator rooting for his hero experiences tension, suspense, anxiety, and pleasure, all things the readers hope for when they turn to a novel.

The reader is enjoying the anticipation and excitement that are often worrying in life but a pleasure when they are happening on the ball field or in a book.”

The same is true for True Creative Essence as it plays The Human Game. We too want to experience tension, suspense, anxiety, and pleasure through our experiences.

Stein continued by saying:

"But let us remember that when a team—even the team we are rooting for—is winning too easily, our enjoyment of the game decreases. What the sports spectator and the reader enjoy most is a contest of two strong teams, a game whose outcome hangs in the balance as long as possible."

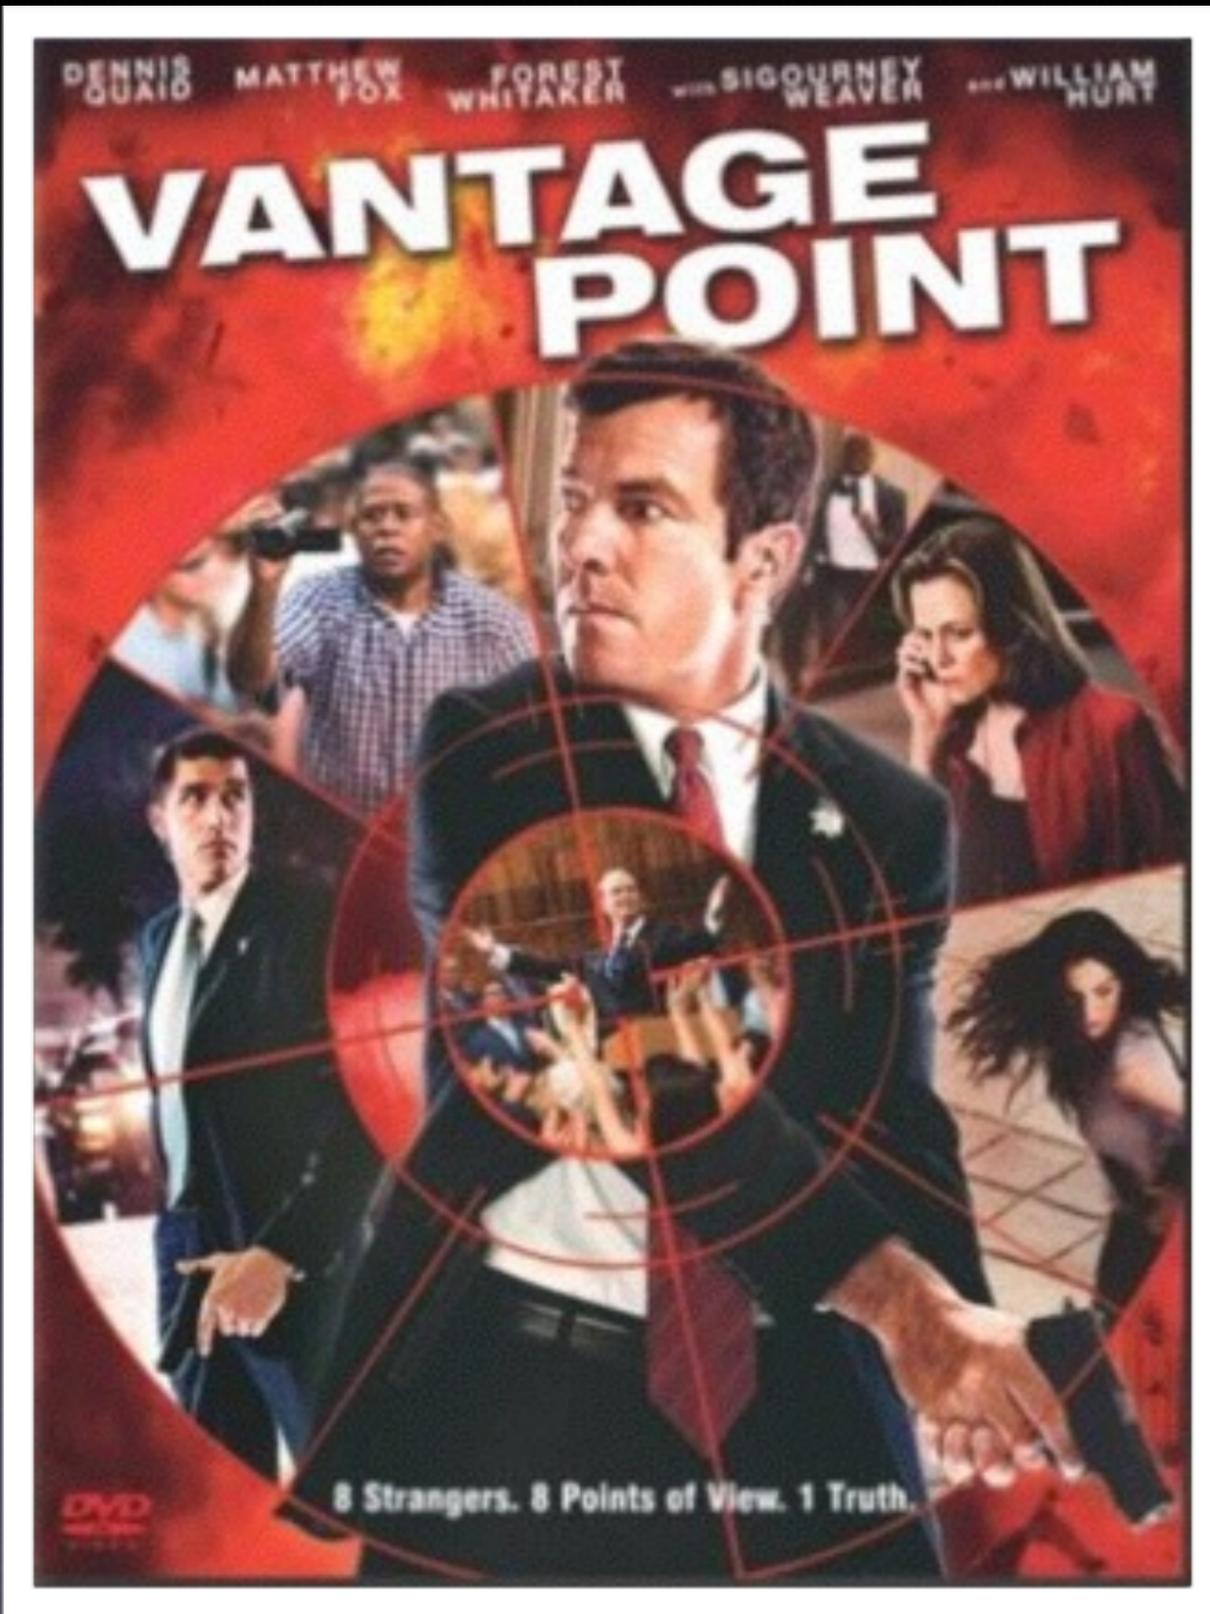

Stein's wise observation also sheds light on why The Human Experience includes the illusion of ups and downs, challenges, conflict, etc.

- Can you see how perfectly this tracks with what happens in most people's lives?
- Maybe even ...
- Yours?
